ANNUAL REPORT

OF THE

TOWN OFFICERS

OF THE

Town of Plymouth

MASSACHUSETTS

FOR THE YEAR ENDING

DECEMBER 31

1

1964

In Memoriam

JAMES T. FRAZIER

When James T. Frazier, Chairman of the Board of Selectmen, died on October 21, 1964, the Town of Plymouth lost one of its most experienced and devoted public servants. Born in Wellfleet in 1895, he had made his home in Plymouth for many years. He was continuously active in public affairs from his first term as Park Commissioner in 1929. Elected Selectman in 1937 he served on that Board until the date of his death, having been Chairman for much of that period. His experience, knowledge of town government, interest in the work of the Selectmen, and sound common sense, were recognized throughout the Commonwealth. He was a Past President of the Plymouth County Selectmen's Association and of the Massachusetts State Selectmen's Association.

Sent to England on the occasion of the sailing of Mayflower II to represent the Town of Plymouth and the Commonwealth of Massachusetts, his tact and pleasant personality helped to cement our friendly relationship with the people of England. A good citizen, husband and father, he set an example well worth emulation.

Annual Town Meeting, March 28, 1964

The Meeting was called to order by the Moderator, Reubin M. Winokur, at 2:00 o'clock P.M.

The Meeting was opened with a prayer by the Reverend Jerome Gill.

The number of Town Meeting Members present March 28th was 179, as reported by records of the checkers, Robert Marvelli and Arsene Strassel 2nd. The Moderator declared a quorum present.

The Town Meeting Members were sworn to the faithful performance of their duties by the Town Clerk, M. Herbert Craig.

ARTICLE 2. To see if the Town will vote to authorize the broadcasting of the 1964 Town Meeting and appropriate \$400 for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the meeting so broadcast.

The Committee recommends favorable action and an appropriation of \$400 for broadcasting and tape recordings of the entire proceedings of the meetings.

Voted: That the Town authorize the broadcasting of the 1964 Town Meeting and appropriate \$400 for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the Meeting so broadcast.

ARTICLE 3. To hear reports of the several boards of officers and committees of the Town and act thereon.

Voted: That the reports of the several boards of officers and committees of the Town be accepted and placed on file.

Manomet Heights Drainage Committee.

Junior-Senior High School Renovating Committee.

Manomet Elementary School Building Committee.

Committee to Study the Feasibility of Establishing a Voting Precinct in the Cedarville-Ellisville Area.

It was voted to discharge this Committee.

Committee to Study the Feasibility of Establishing a Playground in Cedarville.

It was voted to extend this Committee for another year.

Sewage Disposal Planning Committee.

ARTICLE 4. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1965 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

The Committee recommends favorable action.

Voted: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1965, and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws.

ARTICLE 5. To see if the Town will vote to amend the Wage and Salary Classification By-law in accordance with the recommendations of the Personnel Board presently filed with the records of said Board.

The Personnel Board and the Finance Committee recommend that the Wage and Salary Classification By-Law be amended by deleting the present By-Law and substituting in place thereof the Classification and Compensation Plans and Personnel By-Laws as shown on Pages 39 through 62 inclusive, of the Advisory and Finance Report.

Voted: That the Town amend the Wage and Salary Classification By-Law and substituting in place thereof the

Classification and Compensation Plans and Personnel By-Laws retroactive to January 1, 1964 as shown on Pages 39 through 62 inclusive, of the Advisory and Finance report.

ARTICLE 6. To see what action the Town will take with regard to fixing the salaries of elected Town Officers.

The Committee recommends that the salaries of elected town officers be set as of January 1, 1964 as follows:

Moderator	\$100.00
Chairman of Selectmen	1,500.00
Other Selectmen (each)	750.00
Chairman of Assessors	6,180.00
Other Assessors (each)	5,150.00
Town Clerk	2,947.00
Town Treasurer	2,947.00
Tree Warden	2,765.00
Collector of Taxes	5,290.00

Mr. Barnes moved that the salaries of elected Town Officers be set, as of January 1, 1964, as follows:

Moderator	\$100.00
Chairman of Selectmen	1,500.00
Other Selectmen (each)	750.00
Chairman of Assessors	6,180.00
Other Assessors (each)	5,150.00
Town Clerk	2,947.00
Town Treasurer	2,947.00
Tree Warden	2,765.00
Collector of Taxes	5,290.00

Mr. James Frazier moved to amend the motion of Mr. Barnes by substituting the figure \$3,450 for the figure \$2,947 for Town Clerk and the figure \$3,450 for the figure \$2,947 for Town Treasurer, but the motion to amend was lost.

The original motion was put before the meeting and was carried.

ARTICLE 7. To provide for a Reserve Fund and to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the Town, including debt and interest, for the ensuing year.

*From sources other than the tax levy.

Voted: That the Town raise and appropriate the sum of \$3,270,996.28 to provide for a Reserve Fund and to defray the expenses of the Town and for other purposes as listed in the printed recommendations of the Advisory and Finance Committee, of which amount \$11,405 shall be from Street Parking Meter Receipts; \$800 from Memorial Building Parking Lot Receipts; and the balance shall be from the tax levy of the current year.

Mr. Leo Best moved to defer consideration on Article 7 until the next adjourned session of this Meeting. Voting by

a show of hands, 75 in the affirmative, 89 in the negative, the motion to defer was lost.

Mr. Walter Haskell moved to amend by substituting the figure \$11,062 for the figure \$10,333, but the motion to amend was lost, Item 158.

ARTICLE 8. To take such action as the Town shall see fit in aid of the Plymouth Public Library, including the Loring Branch Library.

The Committee recommends an appropriation of \$61,482 including the Dog Tax of \$2,325.77 of which appropriation \$46,201 shall be for Salaries and \$15,281 for Other Expenses.

Voted: That the Town raise and appropriate the sum of \$61,482, including the Dog Tax of \$2,325.77, in aid of the Plymouth Public Library, including the Loring Branch Library, of which appropriation \$46,201, shall be for salaries and \$15,281 for other expenses.

ARTICLE 9. To see what amount the Town will vote to raise and appropriate in aid of the Manomet Public Library.

The Committee recommends an appropriation of \$2,741.

Voted: That the Town raise and appropriate the sum of \$2,741, in aid of the Manomet Public Library, of which appropriation \$866.00 shall be for salaries and \$1,875.00 for other expenses.

ARTICLE 10. To see if the Town will vote to raise and appropriate \$8,000 for nursing services by the Plymouth Community Nurse Association, Inc.; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$8,000.

Voted: That the Town raise and appropriate the sum of \$8,000, for nursing services by the Plymouth Community Nurse Association, Inc.; said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 11. To see what amount the Town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a director in accordance with Chapter 319 of the Acts of 1957.

The Committee recommends favorable action and an appropriation of \$150.

Voted: That the Town raise and appropriate the sum of \$150, for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a Director for the term of one year.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum not exceeding \$20,000 for advertising the advantages of the Town and for providing amusements or entertainment of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$20,000 for advertising the advantages of the town, but not for providing amusements or entertainments of a public character, said appropriation to be expended under the direction of the Board of Selectmen.

Voted: That the Town raise and appropriate the sum of \$20,000, for advertising the advantages of the Town, including necessary expenses incurred outside the Commonwealth, but not to be used for providing amusements or entertainments of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 13. To see what amount the Town will vote to raise and appropriate to meet the payment of certain bills contracted prior to January 1, 1964 or take any action relative thereto.

The Committee recommends an appropriation of \$44.30; \$30.00 for the Police Department, \$10.50 for the Park Department, and \$3.80 for the Cemetery Department.

Voted: (Unanimously) That the Town raise and appropriate the sum of \$44.30 to meet the payment of certain bills contracted prior to January 1, 1964.

Police Department	\$30.00
Park Department	10.50
Cemetery Department	3.80

ARTICLE 14. To see if the Town will vote to raise and appropriate \$2,500 for Christmas Lighting; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$2,000 to be expended under the direction of the Board of Selectmen.

Voted: That the Town raise and appropriate the sum of \$2,000, for Christmas Lighting, said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the Treasury, a sum of money for Chapter 90 Highway Construction and/or Chapter 90 Maintenance, or take any action in relation thereto.

Purpose	State Share	County Share	Town Share	Total
Long Pond Road	\$27,000	\$13,500	\$13,500	\$54,000
Beaver Dam Road	15,000	7,500	7,500	30,000
Chapter 90 Maintenance	2,500	2,500	2,500	7,500
	<hr/> \$44,500	<hr/> \$23,500	<hr/> \$23,500	<hr/> \$91,500

The Committee recommends an appropriation of \$91,500, the Town's share amounting to \$23,500, from the tax levy, the State and County shares amounting to \$68,000, from available funds.

Mr. Barnes moved that the Town raise and appropriate the sum of \$91,500, for Chapter 90 Maintenance and Construction, of which \$23,500, shall be from the tax levy of the current year to meet the Town's share; and \$68,000 from available funds as the State and County shares.

Mr. Paul Whipple moved to amend the motion of Mr. Barnes by substituting the figure \$37,500 for the figure \$91,500, of which \$10,000 shall be from the tax levy of the current year to meet the Town's share; and \$27,500 from available funds as the State and County shares. The appropriation to be spent on Beaver Dam Road, \$30,000; of which \$7,500 is the Town's share and the balance of \$22,500 to come from the State and County; for Maintenance, \$7,500 to which \$2,500 is the Town's share and the balance of \$5,000 to come from the State and County. The motion to amend was lost.

The original motion was put before the Meeting and was carried.

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury the sum of \$10,000 for improvements to the traffic lights at Town Square, Samoset and Court Streets and Standish Avenue and Cherry Street as may be approved by the Selectmen and/or the Department of Public Works in accordance with Chapter 822 of the Acts of 1963 or take any action relative thereto.

The Committee recommends that the sum of \$10,000 be appropriated for improvements to the traffic lights at

Town Square, Samoset and Court Streets and Standish Avenue and Cherry Street as may be approved by the Selectmen and/or the State Department of Public Works, and to meet said appropriation the sum of \$10,000 be transferred from the proceeds received from the State under the provisions of Chapter 822 of the Acts of 1963.

Voted: That the Town appropriate the sum of \$10,000 for improvements to the traffic lights at Town Square, Samoset and Court Streets, and Standish Avenue and Cherry Street, as approved by the Selectmen and the State Department of Public Works; and to meet said appropriation the sum of \$10,000 be transferred from the proceeds received from the State under the provisions of Chapter 822 of the Acts of 1963.

ARTICLE 17. To see if the Town will vote to raise and appropriate \$1,710 for the purchase of a small pick-up truck for the Highway Department.

The Committee recommends an appropriation of \$1,710.

Voted: That the Town raise and appropriate the sum of \$1,710, for the purchase of a small pick-up truck for the Highway Department.

ARTICLE 18. To see if the Town will vote to raise and appropriate \$1,395 for the purchase of one 3/4 ton pick-up truck for the Highway Department and dispose of the 1959 3/4 ton pick-up truck now in use.

The Committee recommends an appropriation of \$1,395.

Voted: That the Town raise and appropriate the sum of \$1,395, for the purchase of one 3/4 ton pick-up truck for the Highway Department and dispose of the 1959 3/4 ton pick-up truck now in use.

ARTICLE 19. To see if the Town will vote to raise and appropriate \$3,857 for the purchase of a tractor with hydraulic sickle bar for the Highway Department.

The Committee recommends No Action.

Voted: That the Town take no action under Article 19.

ARTICLE 20. To see if the Town will vote to raise and appropriate \$1,974 for the purchase of an automatic sand-spreader for the Highway Department.

The Committee recommends an appropriation of \$1,974.

Voted: That the Town raise and appropriate the sum of \$1,974, for the purchase of an automatic sandspreader for the Highway Department.

ARTICLE 21. To see if the Town will vote to raise and appropriate \$12,957 for the purchase of a front end loader for the Highway Department and dispose of the 1953 Hough Loader now in use.

The Committee recommends an appropriation of \$12,957.

Voted: That the Town raise and appropriate the sum of \$12,957, for the purchase of one front-end loader for the Highway Department and dispose of the 1953 Hough loader now in use.

ARTICLE 22. To see what amount the Town will vote to raise and appropriate for the purchase of 2 sidewalk plows for the Highway Department.

The Committee recommends No Action.

Voted: That the Town take no action under Article 22.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$4,700 for the purpose of installing a two-way radio system for the Highway Department, consisting of a Base Station and mobile units to be installed in Highway vehicles; the Federal Government or Commonwealth, or both, to reimburse the Town for one-half of the cost; such reimbursement when received to be returned to available funds in the Treasury.

The Committee recommends an appropriation of \$4,700.

Mr. Barnes moved that the Town raise and appropriate the sum of \$4,700, for the purpose of installing a two-way radio system for the Highway Department, consisting of a

Base Station, and mobile units to be installed in Highway vehicles; the Federal Government or Commonwealth, or both, to reimburse the Town for one-half of the cost; such reimbursement when received to be returned to available funds in the Treasury.

The motion was lost.

At 5:50 o'clock P.M., Mr. Philip Tinti moved to adjourn until 7:30 o'clock P.M., Monday, March 30, 1964 and it was so voted.

Adjourned Town Meeting, March 30, 1964

The Meeting was called to order by the Moderator at 7:30 o'clock P.M.

The number of Town Meeting Members present was 174, as per records of checkers, Robert Marvelli and Arsene Strassel 2nd; the Moderator declared a quorum present.

ARTICLE 24. To see if the Town will vote to authorize the Selectmen to construct a highway garage on town-owned land and make an appropriation therefor, or take any action relative thereto.

Recommendation to be made at town meeting.

Mr. Barnes moved that the Town authorize the Moderator to appoint a committee of five by May 1, 1964, to investigate the feasibility of constructing a municipal garage to house the vehicles of the various departments of the Town, this committee to bring its recommendations to the Town Clerk and to the Board of Selectmen by September 1, 1964 for action at the next special or annual Town Meeting, and to raise and appropriate \$100 for expenses.

Mr. James Frazier moved to amend Mr. Barnes' motion by the following: To appropriate \$24,000 for construction of Highway or Municipal Garage on Billington Street, but the motion to amend was lost.

The original motion was put before the Meeting and was carried.

ARTICLE 25. To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on land of Ella S. Donovan, on the northeasterly side of Sandwich Street, and make an appropriation for acquisition of land and expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$100 for acquisition of land and expenses of acquiring titles.

Mr. Barnes moved that the Town authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on land of Ella S. Donovan, on the northeasterly side of Sandwich Street, as shown on a plan entitled "Town of Plymouth, Plan of Road in the Town of Plymouth for Drainage Purposes Taken by the Town of Plymouth, December 18, 1963, Scale: 1 inch—40 feet. Frank W. Vincent, Engineer" and raise and appropriate the sum of \$100 for acquisition of easement and expenses of acquiring titles.

Mr. Philip Tinti moved to amend the motion of Mr. Barnes by substituting the following: That the Town vote to purchase from Ella J. Donovan, a drainage easement 125 feet by 100 feet over her land on Sandwich Road, for the sum of \$2,000, such drainage to be accomplished by means of an underground system, so designed as to cause no surface accumulation of water under normal rainfall," this easement being lot or area described in original motion of Mr. Barnes. Voting by a show of hands, 73 in the affirmative, 73 in the negative, being a tie vote.

Mr. Withington moved to reconsider this vote, and it was so voted.

Motion to have a ballot vote on reconsideration was lost.

Reconsideration of Mr. Tinti's amendment on Article 25 (result of tie vote) voted on by a show of hands, 59 in the affirmative 92 in the negative, the motion to amend was lost.

Voting by a show of hands, 112 in the affirmative, 34 in the negative being a two-thirds vote, the motion was carried, on the original motion.

Mr. Withington moved to reconsider Article 16, but the motion was lost.

ARTICLE 26. To see if the Town will vote to authorize the Moderator to appoint a committee to study the feasibility of extending the Town's sewer system in Sandwich Street, from the Jordan Hospital south to and including Cliff Street and make an appropriation for engineering expenses; said committee to report back to the town at the next annual town meeting.

By Petition: Ella S. Donovan et al

The Committee recommends No Action.

Voted: That the Town take no action under Article 26.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$6,490 for the installation of a sidewalk on the easterly side of Westerly Road from Alden Street, northerly to Liberty Street, a distance of 2,100 feet.

By Petition: James R. Kritzmacher et al

The Committee recommends No Action.

Mr. Barnes moved that the Town take no action under Article 27.

Mr. Leo Best moved to amend the motion of Mr. Barnes by substituting the following: To see if the Town will vote to raise and appropriate the sum of \$6,490 for the installation of a sidewalk on the easterly side of Westerly Road from Alden Street, northerly to Liberty Street, a distance of 2,100 feet, but the motion to amend was lost.

The original motion was put before the Meeting and carried.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$2,000 for repairs to the sea wall on Water Street.

The Committee recommends an appropriation of \$2,000.

Voted: That the Town raise and appropriate the sum of \$2,000, for repairs to the sea wall on Water Street; said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 29. To see if the Town will vote to raise and appropriate \$3,300 for the purchase of two polystyrene floats for use at the State Pier and Town Wharf; said appropriation to be spent under the direction of the Selectmen.

The Committee recommends an appropriation of \$3,300.

Voted: That the Town raise and appropriate the sum of \$3,300, for the purchase of two polystyrene floats for use at the State Pier and the Town Wharf; said appropriation to be spent under the direction of the Selectmen.

ARTICLE 30. To see what amount the Town will vote to raise and appropriate for the purchase of a boat for the Harbor Master; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$8,747.78 and to dispose of the boat now in use.

Mr. Barnes moved that the Town raise and appropriate the sum of \$5,055.45 for the purchase of a new boat for the Harbor Master, and dispose of the boat now in use; said appropriation to be expended under the direction of the Board of Selectmen, but the motion was lost.

Mr. Frazier moved to amend the motion of Mr. Barnes that the Town raise and appropriate the sum of \$8,747.78 for

the purchase of a new boat for the Harbor Master, and to dispose of the boat now in use; said appropriation to be expended under the direction of the Board of Selectmen, but the motion to amend was also lost.

ARTICLE 31. To see what action the Town shall take on the recommendations of the Sewage Disposal Planning and Construction Committee, and make an appropriation therefor.

The Committee recommends No Action.

Voted: That the Town take no action under Article 31.

ARTICLE 32. To see what action the Town will take on the report and recommendations of the Plymouth Redevelopment Authority and make an appropriation therefore, or take any action relative thereto.

The Committee recommends No Action.

Voted: That the Town take no action under Article 32.

ARTICLE 33. To see what amount the Town will vote for the Industrial and Development Commission and make an appropriation therefor.

The Committee recommends No Action.

Voted: That the Town take no action under Article 33.

ARTICLE 34. To see what action the Town will take to continue the Traffic and Parking Study Committee and make an appropriation therefor.

The Committee recommends favorable action and an appropriation of \$200.

Voted: That the Town continue for another year the special Traffic and Parking Study Committee authorized under Article 92 of the March 1962 Annual Town Meeting, and to raise and appropriate the sum of \$200 for expenses; said appropriation to be expended under the direction of the Traffic and Parking Study Committee.

ARTICLE 35. To see if the Town will vote to accept thirty-seven cemetery perpetual care funds and four additions to funds, amounting to \$7,580 received and deposited in the Plymouth Federal Savings and Loan Association and the Plymouth Savings Bank in the year 1963, in accordance with the usual votes of the Cemetery Commissioners and Selectmen.

The Committee recommends favorable action.

Voted: That the Town accept thirty-seven cemetery perpetual care funds and four additions to funds, amounting to \$7,580, received and deposited in the Plymouth Federal Savings and Loan Association, and the Plymouth Savings Bank in the year 1963, in accordance with the usual votes of the Cemetery Commissioners and Selectmen and listed as "New Funds" in the Town Report.

ARTICLE 36. To see if the Town will vote to appropriate from the sale of cemetery lots and graves the sum of \$2,000 to be expended by the Board of Cemetery Commissioners for the installation of a chain link fence at the Chiltonville Cemetery.

The Committee recommends an appropriation of \$2,000 from the Sale of Cemetery Lots and Graves Fund.

Voted: That the Town appropriate from the Sale of Cemetery Lots and Graves, the sum of \$2,000 for the installation of a chain link fence at the Chiltonville Cemetery and for the improvement of Outlying Cemeteries; said appropriation to be expended under the direction of the Cemetery Commissioners.

ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of \$1,615 for the purchase of a new 1964 one-half ton pick-up truck; said appropriation to be spent under the direction of the Park Department.

The Committee recommends an appropriation of \$1,615.

Voted: That the Town raise and appropriate the sum of \$1,615, for the purchase of a new 1964 one-half ton pick-up truck; said appropriation to be expended under the direction of the Park Department.

ARTICLE 38. To see if the Town will vote to accept as a gift from John E. Luddy, title to Lot No. 100 of Plat 20 of the Assessors' Plans located on Leyden Street and containing approximately 11,003 square feet; said lot to be used for park purposes and under the jurisdiction of the Park Department.

The Committee recommends favorable action.

Voted: (Unanimously) That the Town accept as a gift from John E. Luddy, title to a certain parcel of land situated in Plymouth, Plymouth County, Massachusetts, bounded and described as follows:

Northwesterly by the Southeasterly line of Leyden Street, 58.82 feet;

Northeasterly by the Southwesterly line of a Way 12 feet wide and by land now or formerly of the Plymouth County Electric Company, 103.12 feet;

Southeasterly 55.27 feet and *Northeasterly* 47.02 feet by said land now or formerly of the Plymouth County Electric Company;

Southeasterly by land now or formerly of the Town of Plymouth, 56.05 feet;

Southwesterly by said Town of Plymouth land and by land now or formerly of Sarah Brewster, 83.15 feet;

Northwesterly by land of Mellen Leavitt et ux being Lot No. 1 on a plan numbered 21379B filed with Certificate of Title No. 14187, 56.37 feet; and

Southwesterly by said Lot No. 1 on said plan No. 21379B, 85.36 feet.

All of said boundaries are determined by the Court to be located as shown on a plan drawn by Delano & Keith, Surveyors, dated July 8, 1948, as modified and approved by the Court filed in the Land Registration Office, a copy of a portion of which is filed with the original certificate of title issued on this decree.

Said lot to be used for park purposes and under the jurisdiction of the Park Department.

At Mr. James Frazier's suggestion, that we add "With a vote of thanks to Mr. John E. Luddy."

ARTICLE 39. To see if the Town will vote to authorize the Board of Selectmen to transfer the care, custody, management and control of the old Manomet Elementary School Building and lot located on Brook Road, Manomet, to the Plymouth Park Department for playground purposes; said lot being Lot 13, Plat 45 as shown on the Assessors' plans, and make an appropriation therefor.

The Committee recommends favorable action and an appropriation of \$250.

Voted: (Unanimously) That the Town authorize the Selectmen to transfer the care, custody, management and control of the Old Manomet Elementary School building and lot to the Plymouth Park Department for playground purposes; and to raise and appropriate the sum of \$250, for improvements to the land to be expended under the direction of the Park Department; said building and lot being located on Brook Road, Manomet, being Lot 13 of Plat 45 as shown on the Assessors' Plans.

ARTICLE 40. To see if the Town will appropriate a sum of \$300 to provide for the use of the town owned floodlights at Stephens Field, said appropriation to be spent under the supervision of the Park Department.

By Petition: Peter A. Brigida et al

The Committee recommends an appropriation of \$300.

Voted: That the Town raise and appropriate the sum of \$300, to provide for the use of the Town-owned floodlights at Stephens Field; said appropriation to be expended under the supervision of the Park Department.

ARTICLE 41. To see if the Town will vote to raise and appropriate \$5,800 for the purchase of a 1964 truck fully equipped with a winch for the Tree Department, and dispose of a 1956 International truck now in use.

The Committee recommends an appropriation of \$5,800.

Voted: That the Town raise and appropriate the sum of \$5,800, for the purchase of one 1964 truck fully equipped with a winch for the Tree Department, and dispose of the 1956 International truck now in use.

ARTICLE 42. To see if the Town will vote to raise and appropriate the sum of \$3,300 for the purchase of one Roto Mist sprayer for the Moth Department, and dispose of one 1953 Mist Blower now in use.

The Committee recommends an appropriation of \$3,300.

Voted: That the Town raise and appropriate the sum of \$3,300, for the purchase of one Roto-Mist sprayer for the Moth Department, and dispose of the 1953 Mist Blower now in use.

ARTICLE 43. To see if the Town will vote to raise and appropriate \$1,800 for the purchase of one automobile for the Board of Public Welfare and dispose of the 1952 Chevrolet Sedan now in use.

The Committee recommends an appropriation of \$1,800.

Voted: That the Town raise and appropriate the sum of \$1,800, for the purchase of one automobile for the Board of Public Welfare, and dispose of the 1952 Chevrolet Sedan now in use.

ARTICLE 44. To see if the Town will accept and allow as a town way the alteration of the street lines at the

southerly corner of Water Street and South Park Avenue as laid out by the Selectmen and reported to the Town and make an appropriation for expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$50 for legal expenses. The Planning Board approves the layout of the rounding of the corner at Water Street and South Park Avenue, and recommends its acceptance by the Town.

Voted: (Unanimously) That the Town accept and allow as a Town Way, the alteration of the street lines at the southerly corner of Water Street and South Park Avenue, as laid out by the Selectmen and reported to the Town, and raise and appropriate the sum of \$50, for expenses of acquiring titles.

ARTICLE 45. To see if the Town will accept and allow as a town way, Kings Pond Plain Road, from Federal Furnace Road northeasterly about 1,500 feet, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

The Committee recommends No Action. The street layout conforms to Planning Board regulations but the Planning Board does not recommend acceptance by the Town.

Mr. Barnes moved that the Town take no action under Article 45.

Mr. Barrett moved to amend the motion of Mr. Barnes by the following: That the Town accept and allow as a town way, Kings Pond Plain Road, from Federal Furnace Road northeasterly about 1,500 feet, as laid out by the Selectmen and reported to the Town, and make an appropriation of \$100 for expenses of acquiring titles. Voting by a show of hands, 63 in the affirmative, 86 in the negative, the motion to amend was lost.

The original motion put before the Meeting and was carried.

ARTICLE 46. To see if the Town will accept as a town way, Seven Hills Road as laid out by the Selectmen and

reported to the town, and make an appropriation for expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$100 for legal expenses. The Planning Board approves the layout and recommends its acceptance by the Town.

Mr. Barnes moved that the Town accept and allow as a Town Way, Seven Hills Road as laid out by the Selectmen and reported to the Town, and raise and appropriate the sum of \$100, for expenses of acquiring titles. Voting by a show of hands, 141 in the affirmative, 3 in the negative, being a two-thirds vote, the motion was carried.

Mr. Thomas Doherty moved that Articles 47, 48 and 49 be taken up as one article for discussion only, and it was so voted.

ARTICLE 47. To see if the Town will accept and allow as a town way, Reed Avenue, Manomet, from the State Highway westerly about 800 feet to Plymouth Street, as laid out by the Selectmen and reported to the town and make an appropriation for expenses of acquiring titles.

The Committee recommends No Action. The street layouts conform to Planning Board regulations but the Planning Board does not recommend acceptance by the Town.

Mr. Barnes moved that the Town take no action under Article 47.

Mr. Thomas Doherty moved to amend Mr. Barnes' motion by substituting the following and it was so voted unanimously:

That the Town accept and allow as a town way, Reed Avenue, Manomet, from the State Highway westerly about 800 feet to Plymouth Street, as laid out by the Selectmen and reported to the Town and make any appropriation of \$200 for expenses of acquiring titles.

ARTICLE 48. To see if the Town will accept and allow as a town way, Plymouth Street, Manomet, between Reed

Avenue and Cape Cod Avenue, as laid out by the Selectmen and reported to the town and make an appropriation for expenses of acquiring titles.

The Committee recommends No Action. Planning Board does not approve.

Mr. Barnes moved that the Town take no action under Article 48.

Mr. Thomas Doherty moved to amend Mr. Barnes' motion by substituting the following and it was so voted unanimously:

That the Town accept and allow as a town way, Plymouth Street, Manomet, between Reed Avenue and Cape Cod Avenue, as laid out by the Selectmen and reported to the Town and make an appropriation of \$100 for expenses of acquiring titles.

ARTICLE 49. To see if the Town will accept and allow as a town way, Cape Cod Avenue, Manomet, from the State Highway westerly about 700 feet to Plymouth Street, as laid out by the Selectmen and reported to the town and make an appropriation for expenses of acquiring titles.

The Committee recommends No Action. Planning Board does not approve.

Mr. Barnes moved that the Town take no action under Article 49.

Mr. Thomas Doherty moved to amend Mr. Barnes' motion by substituting the following and it was so voted unanimously:

That the Town accept and allow as a town way, Cape Cod Avenue, Manomet, from the State Highway westerly about 700 feet to Plymouth Street, as laid out by the Selectmen and reported to the Town and make an appropriation of \$200 for expenses of acquiring titles.

ARTICLE 50. To see if the Town will accept as a town way, an extension of Dwight Avenue from the intersection of Dwight Avenue and Christopher Road, southwesterly about 700 feet as laid out by the Selectmen and reported to the town, provided a drainage easement is secured, and make an appropriation for expenses of acquiring titles.

The Committee recommends No Action. Planning Board does not approve.

Voted: That the Town take no action under Article 50.

ARTICLE 51. To see if the Town will accept and allow as a Town way, Esta Road from Carver Road (Route 44) northerly about 850 feet as laid out by the Selectmen and reported to the town, provided a drainage easement is secured and make an appropriation for expenses of acquiring titles.

The Committee recommends No Action. Planning Board does not approve.

Voted: That the Town take no action under Article 51.

ARTICLE 52. To see if the Town will accept and allow as a town way, Micajah's Pond Road, as laid out by the Selectmen and reported to the town, provided drainage easements are secured, and make an appropriation for expenses of acquiring titles.

The Committee recommends No Action. Planning Board does not approve.

Mr. Barnes moved that the Town take no action under Article 52.

Mr. Philip Tinti moved to amend Mr. Barnes' motion by substituting the following: That the town accept as a town way, Micajah's Pond Road, as laid out by the Selectmen and reported to the town, provided drainage easements are secured, and make an appropriation of \$200 for expenses of acquiring titles, but the motion to amend was lost.

The original motion was put before the Meeting and was carried.

ARTICLE 53. To see if the Town will accept and allow as a town way, Hemlock Street, Manomet Heights, between Hilltop Avenue and Beach Street, as laid out by the Selectmen and reported to the Town and make an appropriation for expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$100 for legal expenses. Planning Board approves.

Voted: (Unanimously) That the Town accept and allow as a town way, Hemlock Street, Manomet Heights, between Hilltop Avenue and Beach Street, as laid out by the Selectmen and reported to the Town, and raise and appropriate the sum of \$100 for expenses of acquiring titles.

ARTICLE 54. To see if the Town will accept and allow as a town way, Pine Street, Manomet Heights, between Hilltop Avenue and Beach Street, as laid out by the Selectmen and reported to the town and make an appropriation for expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$200 for legal expenses. Planning Board approves.

Voted: (Unanimously) That the Town accept and allow as a town way, Pine Street, Manomet Heights, between Hilltop Avenue and Beach Street, as laid out by the Selectmen and reported to the town and raise and appropriate the sum of \$200 for expenses of acquiring titles.

ARTICLE 55. To see if the Town will accept and allow as a town way, Spruce Street, Manomet Heights, between Hilltop Avenue and Beach Street, as laid out by the Selectmen and reported to the Town and make an appropriation for expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$100 for legal expenses. Planning Board approves.

Voted: (Unanimously) That the Town accept and allow as a town way, Spruce Street, Manomet Heights, between Hilltop Avenue and Beach Street, as laid out by the Selectmen and reported to the Town and raise and appropriate the sum of \$100 for expenses of acquiring titles.

ARTICLE 56. To see if the Town will vote to raise and appropriate the sum of \$4,108 to install a drainage system in Manomet Heights from Beach Street via Spruce Street to Bartlett Pond.

The Committee recommends an appropriation of \$4,108.

Voted: That the Town raise and appropriate the sum of \$4,108, to install a drainage system in Manomet Heights from Beach Street via Spruce Street to Bartlett Pond; said appropriation to be expended under the direction of the Selectmen.

ARTICLE 57. To see if the Town will authorize the Water Commissioners to lay water mains in Manomet in part of Reed Avenue westerly from the State Road, Route 3A, to Plymouth Street, part of Cape Cod Avenue westerly from State Road to Plymouth Street and Plymouth Street from Reed Avenue northerly to Cape Cod Avenue, a total distance of 1,850 feet approximately with a main not less than eight inches (8") in diameter and make an appropriation of \$10,500 therefor; said appropriation to include \$4,500 from the Sale of Real Estate Fund.

This article to be contingent upon the Town accepting, laying out, and rough grading above sections of streets.

The Committee recommends No Action.

Mr. Shepard moved, and it was so voted, that the Town authorize the Water Commissioners to lay water mains in Manomet in part of Reed Avenue westerly from the State Road, Route 3A, to Plymouth Street, part of Cape Cod Avenue westerly from State Road to Plymouth Street and Plymouth Street from Reed Avenue, northerly to Cape Cod Avenue, a total distance of 1,850 feet approximately with a main

not less than 8 inches in diameter and make an appropriation of \$10,500 therefor; said appropriation to include \$4,500 from the Sale of Real Estate Fund; provided owners of private water line release without consideration, their interests in said pipes on said streets.

ARTICLE 58. To see if the Town will authorize the Water Commissioners to purchase a 1 1/2 ton dump truck and dispose of the 1953 1 1/2 ton Dodge dump truck and make an appropriation of \$4,300 therefor.

The Committee recommends an appropriation of \$4,300.

Voted: That the Town raise and appropriate the sum of \$4,300, for the purchase of a 1-1/2 ton dump truck, for the Water Department, and dispose of the 1953 1-½ ton Dodge dump truck now in use.

ARTICLE 59. To see if the Town will authorize the Water Commissioners to purchase a ½ ton pick-up truck with utility body and dispose of the 1959 Chevrolet 1/2 ton pick-up truck with utility body and make an appropriation of \$1,850 therefor.

The Committee recommends an appropriation of \$1,850.

Voted: That the Town raise and appropriate the sum of \$1,850, for the purchase of one 1/2-ton pick-up truck with utility body for the Water Department, and dispose of the 1959 Chevrolet ½-ton pick-up truck with utility body now in use.

ARTICLE 60. To see if the Town will authorize the Water Commissioners to relay a section of the water main on Wood Street from Stafford Street to the house of Weldon Wood, a distance of 900 feet approximately with a main not less than six (6") inches in diameter, and make an appropriation of \$5,525 therefor.

The Committee recommends No Action.

Voted: That the Town authorize the Water Commissioners to relay a section of the water main on Wood Street from

Stafford Street to the house of Weldon Wood, a distance of 900 feet approximately with a main not less than six (6") inches in diameter, and appropriate the sum of \$5,525.00.

ARTICLE 61. To see if the Town will vote to accept as a gift from Robert J. Harrington & James D. Harrington for water purposes, a certain parcel of land containing one acre more or less located about 600 feet southerly off Route 44 and in the rear of property owned by Horace Horner et ux and make an appropriation to cover expenses of acquiring title, said land to be under the jurisdiction of the Water Department.

The Committee recommends favorable action.

Voted: (Unanimously) That the Town accept as a gift from Robert J. Harrington and James D. Harrington, for water purposes, a certain parcel of land containing 45,000 square feet located off Carver Road and southerly therefrom, bounded and described as follows: Beginning at a concrete bound which bears S 9° 10' 50" E from and is distant 440.00 feet from a concrete bound at the southeasterly corner of land of Abner N. Leonard et ux; thence S 30° 34' 10" W 300.00 feet to a concrete bound; then S 59° 25' 50" E 150.00 feet to a concrete bound; thence N 30° 34' 10" E 300.00 feet to a concrete bound; thence N 59° 25' 50" W 150.00 feet to the point of beginning. The above-described parcel of land is shown on a plan entitled, "Town of Plymouth, Proposed Water Department Lot, Scale: 1"=40 ft., Feb. 29, 1964, Edward Chase, Town Engineer," together with the right to pass and repass from Carver Road southerly to the granted premises; said land to be under the jurisdiction of the Water Department.

ARTICLE 62. To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, for water purposes, parcels of land being part of lots numbered 1 and 2, part of Shore Drive and a one hundred foot strip of land westerly of Shore Drive opposite lots 1, 2

and 3 on the Assessors' Plans, Plat 50, in addition, easements to lay and maintain water pipes in Indian Hill Road and Shore Drive, and make an appropriation for acquisition of land and expenses of acquiring titles; said land and easement to be under the jurisdiction of the Water Department.

The Committee recommends favorable action and an appropriation of \$300 for acquisition of land and expenses of acquiring titles.

Voted on Adjourned Meeting of April 1, 1964.

ARTICLE 63. To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, for water purposes, a parcel of land on the southeasterly side of Samoset Street being part of lot 22 of the Assessors' Plans, Plat 101; also another parcel of land being part of lot 1 of said Assessors' Plans, Plat 103, and make an appropriation for acquisition of land and expenses of acquiring titles; said land to be under the jurisdiction of the Water Department.

The Committee recommends favorable action and an appropriation of \$2,458.40 for acquisition of land from two owners, at a combined cost of \$2,200; \$58.40 for combined taxes, and \$200 for combined expenses of acquiring titles.

Voted: (Unanimously) That the Town authorize the Selectmen to acquire by purchase or take by eminent domain, for water purposes, two (2) certain parcels of land, one parcel described as parcel "A" and one parcel described as parcel "B"; all as shown on a plan entitled "Sketch of Land in Plymouth for Plymouth Water Dept., Scale: 1"=40', Oct. 18, 1963, Delano & Keith, Plymouth, Mass."; parcel A, land in Plymouth situated Southeasterly from Samoset Street, bounded and described as follows: Beginning at a stone bound marking the easterly corner of land of Robert J. Harrington at an angle in line of land of Charles F. and Gladys M. Sherman; thence running S 51° 08' 40" E by said Sherman land 143.15 feet to the northwesterly side line of the easement of the Algonquin Gas & Transmission Co.; thence S 52° 21' 20" W by said easement and by land of said Plym-

outh Equipment Leasing Co. 168.38 feet to land of Robert Bowler Jr. & Christine W. Bowler; thence N 6° 28' 20" W by said Bowler land 172.52 feet to land of said Robert J. Harrington; thence N 62° 48' 00" by said Harrington land 46.44 feet to the point of beginning. Containing an area of 15,200 square feet, more or less.

Parcel B, land in Plymouth situated on the Southeasterly side of Samoset Street, bounded and described as follows: Beginning at a concrete bound on the southeasterly side of Samoset Street marking the northerly corner of land of Robert J. Harrington; thence running S 55° 27' 00" E by said land of Harrington 172.71 feet to a stone bound and land of Plymouth Equipment Leasing Co., Inc., thence S 51° 08' 40" E by the land of said Plymouth Equipment Leasing Co. 143.15 feet to the northwesterly side line of the easement of the Algonquin Gas & Transmission Co.; thence N 52° 21' 20" E by said line of said easement by land of said Charles F. & Gladys M. Sherman 63.81 feet. Then beginning again at the concrete bound at the above described point of beginning and running Northeasterly by said Samoset Street 51 feet, more or less; thence S 55° 27' 00" E by line parallel to and 50 feet Northeast from the first line above described by remaining land of said Shermans and extending to the terminus of the 3rd course above described, a total distance of 320 feet, more or less. Containing an area of 17,000 square feet, more or less; and to raise and appropriate the sum of \$2,458.40, of which \$1,200 shall be to pay to Plymouth Equipment Leasing Co., Inc. for the purchase of the land parcel A; \$1,000 shall be to pay to Charles F. & Gladys M. Sherman for the purchase of the land Parcel B; \$58.40 for taxes; and \$200 for expenses of acquiring titles; said parcels of land to be under the jurisdiction of the Water Department.

Mr. Withington moved that Article 65 be taken up before Article 64, but the motion was lost.

ARTICLE 64. To see if the Town will authorize the Water Commissioners to relay the main in Centennial Street

from Court Street to Standish Avenue for a distance of about 1,070 feet with an eight inch (8") diameter main, and make an appropriation of \$11,500 therefor.

The Committee recommends an appropriation of \$11,500; \$124.25 from tax levy and \$11,375.75 from the transfer of the unexpended balance of the Bartlett Road Water Construction Appropriation.

Voted: That the Town authorize the Water Commissioners to relay the main in Centennial Street from Court Street to Standish Avenue for a distance of about 1,070 feet with an eight (8") inch diameter main, and to raise and appropriate the sum of \$11,500, of which \$124.25 shall be from the tax levy and the balance of \$11,375.75 shall be transferred from the unexpended balance of the Bartlett Road Water Construction Appropriation.

ARTICLE 65. To see if the Town will authorize the Water Commissioners to lay a ten inch (10") water main in Sandwich Road beginning at the intersection of Sandwich Road and Clifford Road known as the Four Corners, thence running in an easterly and southerly direction for a distance of 3,100 feet approximately and set six (6) fire hydrants and make an appropriation of \$19,000 therefor; said appropriation to include a transfer of the unexpended balance of the Bartlett Road Water Construction Appropriation, amounting to \$11,375.75.

The Committee recommends No Action.

Mr. Barnes moved that the Town take no action under Article 65.

Mr. Billey moved to amend the motion of Mr. Barnes by substituting the following: That the Town authorize the Water Commissioners to lay a 10" water main in Sandwich Road, beginning at the intersection of Sandwich Road and Clifford Road known as the Four Corners, thence running southeasterly for a distance of 3,100 feet approximately and

set 6 fire hydrants and make an appropriation of \$19,000, therefor; voting by a show of hands, 47 in the affirmative, 89 in the negative, the motion to amend was lost.

The original motion was put before the Meeting and carried.

At 11:00 o'clock P.M. Mr. James Frazier moved to adjourn until 7:30 o'clock P.M., Tuesday, March 31, 1964, and it was so voted.

Adjourned Town Meeting, March 31, 1964

The Meeting was called to order by the Moderator at 7:35 o'clock P.M.

The number of Town Meeting Members present was 165, as per records of the checkers, Robert Marvelli and Arsene Strassel 2nd; the Moderator declared a quorum present.

ARTICLE 66. To see if the Town will authorize the Water Commissioners to make improvements at the Howland Street Shop and make an appropriation therefor.

The Committee recommends No Action.

Mr. Barnes moved that the Town take no action under Article 66.

Mr. Brewster moved to amend the motion of Mr. Barnes by substituting the following: That the Town raise and appropriate the sum of \$5,000.00, to be used for improvements to the Howland Street Shop, funds to be expended by the Board of Water Commissioners, but the motion to amend was lost.

The original motion was put before the Meeting and carried.

ARTICLE 67. To see if the Town will authorize the Water Department to extend the water mains in State Road,

Manomet, from the terminus of the present system at Indian Hill and State Roads, along the State Road to Center Hill Road, a distance of approximately 4,200 feet and make an appropriation therefor, or take any action relative thereto.

By Petition: Anne B. Heath et al

The Committee recommends No Action.

Voted: That the Town take no action under Article 67.

ARTICLE 68. To see if the Town will authorize the Moderator to appoint a committee to study the desirability of providing fluoridation for the town water system, and make an appropriation therefor.

By Petition: Lawrence I. Winokur et al

The Committee recommends favorable action and an appropriation of \$100.

Voted: That the Town authorize the Moderator to appoint a committee of seven (7) members, one of which shall be from the Commission of Public Safety and one from the Water Commissioners, to study the desirability of providing fluoridation for the town water system, and raise and appropriate the sum of \$100 for expenses.

ARTICLE 69. To see if the Town will vote to raise and appropriate the sum of \$752,791.37 as the Town's share of the annual maintenance and operating budget for the Plymouth-Carver Regional School District consisting of the capital cost assessment of \$118,919.13 and the operating cost assessment of \$633,872.24 which is in accordance with the provisions of Section 16B of Chapter 71 of the General Laws. Said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver.

The Committee recommends favorable action and an appropriation of \$752,791.37.

Plymouth's share 89%

Plymouth's share 90.68%

\$118,919.13 capital costs

\$633,872.24 cost of operation

Voted: That the Town raise and appropriate the sum of \$752,791.37 as the Town's share of the annual maintenance and operating budget for the Plymouth-Carver Regional School District consisting of the capital cost assessment of \$118,919.13 and the operating cost assessment of \$633,872.24, which is in accordance with the provisions of Section 16B of Chapter 71 of the General Laws. Said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver.

ARTICLE 70. To see if the Town will vote to raise and appropriate the sum of \$1,530 for the purchase of a new nurse's car for the School Department and dispose of the 1957 Plymouth now in possession of the School Department; said appropriation to be spent under the direction of the School Committee.

The Committee recommends an appropriation of \$1,530.

Voted: That the Town raise and appropriate the sum of \$1,530, for the purchase of one new automobile for the School Department nurse, and dispose of the 1957 Plymouth now in possession of the School Department; said appropriation to be expended under the direction of the School Committee.

Mr. William Armstrong moved, and it was so voted, that the discussion on Articles 71 and 72 be combined.

ARTICLE 71. To see if the Town will vote to authorize the Board of Selectmen to sell to Delano & Keith, Inc., Lot 7 as shown on the Assessors' Plan number 19, together with the building thereon known as the Burton School at a minimum price of \$2,000, the maximum to be set by the Board of Selectmen.

By Petition: Otis S. Lapham, et al

The Committee recommends No Action. Planning Board does not recommend.

ARTICLE 72. To see what action the Town will take for the disposal of the Cornish and Burton Schools and

make an appropriation therefor, or take any action relative thereto.

The Committee recommends No Action. Planning Board recommends use of this property for off-street parking and highway purposes.

Mr. William Armstrong's motion to amend on Articles 71 and 72 was lost.

Mr. Lothrop Withington's motion to amend was lost.

Mr. Ronald McIntosh's motion to amend on Article 71 was lost.

Mr. William Harrington's motion to amend on Articles 71 and 72 was lost.

Mr. Morgardo moved to have a committee of five, one from the Planning Board, one from the Selectmen and three other members to be appointed by the Moderator to study the disposition of the properties known as the Cornish-Burton School area and report at the next Special or Annual Town Meeting, and it was so voted.

Mr. Peter Brigida moved to reconsider Article 25, the motion was lost.

ARTICLE 73. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip 4 cars for the Police Department and trade in 3 — 1963, and 1 — 1962 Ford ambulance cruisers.

The Committee recommends an appropriation of \$7,094.

Voted: That the Town raise and appropriate the sum of \$7,094, to purchase and equip four automobiles for the Police Department and trade in three 1963, and one 1962 Ford ambulance cruisers now in use; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 74. To see if the Town will vote to authorize the Selectmen to lease land to be developed as a town

dump, to erect a caretaker's building on the dump site and install water facilities thereon, and make an appropriation therefor; said land and building to be under the jurisdiction of the Commission of Public Safety.

Committee recommends No Action.

Voted: That the Town take no action under Article 74.

ARTICLE 75. To see if the Town will vote to authorize the Town Moderator to appoint a committee consisting of the Commission of Public Safety and 4 additional members, to be empowered to study, survey, and recommend as to the need for construction and location of new facilities to house the Police and Fire Departments.

The Committee recommends favorable action.

Voted: That the Town authorize the Town Moderator to appoint a committee consisting of the Commission of Public Safety and four additional members, to be empowered to study, survey, and recommend as to the need for construction and location of new facilities to house the Police and Fire Departments.

ARTICLE 76. To see if the Town will vote to authorize the Selectmen to acquire by purchase a portion of Lot 63 of Plat 56 of the Assessors' Plans located on the easterly side of Herring Pond Road, Cedarville for the location of a fire station and make an appropriation of \$2,000 therefor.

The Committee recommends No Action.

Voted: That the Town take no action under Article 76.

ARTICLE 77. To see if the Town will vote to continue the Study Committee for the construction of a fire station in Cedarville as authorized under Article 39 of the 1963 town meeting and to increase the membership of said committee from three members to five members and that one of the members shall be the Fire Chief; also to rename said committee "The Construction Committee for a Fire Station in Cedarville"; and appropriate the sum of \$1,000 for plans,

specifications and other expenses; said committee to report back to the town at the next special or annual town meeting.

The Committee recommends favorable action and an appropriation of \$1,000.

Voted: That the Town continue the Study Committee for the construction of a fire station in Cedarville, as authorized under Article 39 of the 1963 Town Meeting and to increase the membership of said committee from three to five members, one of which shall be the Fire Chief, and the other to be appointed by the Moderator; also to rename said committee "The Construction Committee for a Fire Station in Cedarville," and to raise and appropriate the sum of \$1,000, for plans, specifications and other expenses; said committee to report back to the Town at the next special or annual Town Meeting.

ARTICLE 78. To see if the Town will vote to amend the Town of Plymouth Massachusetts Zoning Map No. 2 dated January 16, 1961 by changing from R-15 Residential District to Commercial District an area bounded southwesterly by Court Street; northwesterly by existing Industrial District; northeasterly by existing Commercial District and southeasterly by Hedge Road and existing Commercial District.

The Committee recommends favorable action. Planning Board recommends.

Voting by a show of hands, 114 in the affirmative, 25 in the negative, being a two-thirds vote, it was voted to amend the Town of Plymouth, Massachusetts Zoning Map No. 2 dated January 16, 1961 by changing from R-15 Residential District to Commercial District an area bounded southwesterly by Court Street; northwesterly by existing Industrial District; northeasterly by existing Commercial District and southeasterly by Hedge Road and existing Commercial District.

ARTICLE 79. To see if the Town will vote to amend the Town of Plymouth, Massachusetts Zoning Map No. 1, dated January 16, 1961 by changing from a Residential R-15 District to a Commercial District an area on the northwesterly side of Summer Street lying between the existing Commercial District and the lot line between lots 2B and 5 as shown on Assessors' Map No. 103 to a depth of 1000 feet from Summer Street.

Committee recommends favorable action. Planning Board recommends.

Mr. Bowler moved to amend the Town of Plymouth, Massachusetts Zoning Map No. 1, dated January 16, 1961 by changing from a Residential R-15 District to a Commercial District an area on the northwesterly side of Summer Street lying between the existing Commercial District and a line 325 feet east and parallel to the lot line between lots 2B and 5 as shown on Assessors' Map No. 103 to a depth of 1,000 feet from Summer Street, and it was so voted, unanimously.

ARTICLE 80. To see if the Town will vote to amend the Town of Plymouth, Massachusetts Zoning Map No. 1, dated January 16, 1961, by changing from R-15 Residential District to R-10 Residential District an area on the easterly side of Little Sandy Pond in the southern part of Town, bounded and described as follows: Beginning at a point 800 feet easterly from Bourne Road on the division line between R-15 Residential District and R-10 Residential District; thence northerly about 150 feet to Little Sandy Pond; thence northerly by the shore of Little Sandy Pond about 2,000 feet; thence easterly about 500 feet to Raymond Road; thence southerly by Raymond Road and Little Sandy Pond Road 2,000 feet to the division line between R-15 Residential District and R-10 Residential District; thence westerly 200 feet along said division line to point of beginning.

The Committee recommends favorable action. Planning Board recommends.

Voted: (Unanimously) That the Town amend the Town of Plymouth, Massachusetts Zoning Map No. 1, dated January 16, 1961 by changing from R-15 Residential District to R-10 Residential District an area on the easterly side of Little Sandy Pond in the southern part of Town, bounded and described as follows: Beginning at a point 800 feet easterly from Bourne Road on the division line between R-15 Residential District and R-10 Residential District; thence northerly about 150 feet to Little Sandy Pond about 2,000 feet; thence easterly about 500 feet to Raymond Road; thence southerly by Raymond Road and Little Sandy Pond Road 2,000 feet to the division line between R-15 Residential District and R-10 Residential District; thence westerly 200 feet along said division line to point of beginning.

ARTICLE 81. To see if the Town will vote to amend the Town of Plymouth, Massachusetts Zoning Map No. 1, dated January 16, 1961, by changing from R-10 Residential District to Commercial District an area on the northwesterly side of Routes 44 and 80, bounded southeasterly by Samoset Street, southerly by Carver Road, and southwesterly by Plympton Road; westerly and northerly by existing Industrial District; and northeasterly by existing Commercial District.

The Committee recommends favorable action. Planning Board recommends.

Voted: That the Town take no action under Article 81.

ARTICLE 82. To see if the Town will vote to amend the Town of Plymouth, Massachusetts Zoning Map No. 2 dated January 16, 1961 by changing from Industrial District to R-15 Residential District an area containing approximately 45 acres lying between the State Highway By-Pass (Route 3) and Forest Avenue Extension, and bounded southwesterly by the By-Pass, northwesterly, northeasterly and southeasterly by existing R-15 Residential District.

The Committee recommends favorable action. Planning Board recommends.

Voted: (Unanimously) That the Town amend the Town of Plymouth, Massachusetts Zoning Map No. 2, dated January 16, 1961, by changing from Industrial District to R-15 Residential District an area containing approximately 45 acres lying between the State Highway By-Pass (Route 3) and Forest Avenue Extension, and bounded southwesterly by the By-Pass, northwesterly, northeasterly and southeasterly by existing R-15 Residential District.

ARTICLE 83. To see what action the Town will take with respect to the report of the committee on updating the Town By-Laws appointed under Article 93 of the 1962 Town Meeting, and make an appropriation therefor.

The Committee recommends favorable action, to continue the Committee, and an appropriation of \$1,000.

Voted: That the Town continue the committee on updating the Town By-Laws appointed under Article 93 of the 1962 Town Meeting, and to raise and appropriate the sum of \$1,000, for the typing, printing and publishing the complete set of Town By-Laws; the Town Clerk to be authorized to distribute such sets at a price not exceeding \$1.00 per set.

ARTICLE 84. To see if the Town will vote to adopt the proposed "Electrical Wiring By-Laws of the Building Code (By-Laws), as amended, of the Town of Plymouth" submitted by the committee appointed by the Moderator under Article 38 of the 1961 Annual Town Meeting.

The Committee recommends favorable action.

Mr. John Fillebrown's motion to amend Article 84 was lost.

Articles 84, 85 and 86 voted at this Meeting, all were reconsidered and voted on at the April 1st Meeting.

At 11:05 o'clock P.M. Mr. Ferdinand Emond moved to adjourn until 7:30 o'clock P.M. Wednesday, April 1, 1964, and it was so voted.

Adjourned Town Meeting, April 1, 1964

The Meeting was called to order by the Moderator at 7:38 o'clock P.M.

The number of Town Meeting Members present was 153, as per records of the checkers, Robert Marvelli and Arsene Strassel 2nd; the Moderator declared a quorum present.

Mr. Edward Barnes moved to reconsider Article 62 in order to complete the description of the land and easements and it was so voted.

ARTICLE 62.

Voted: (Unanimously) That the Town authorize the Selectmen to acquire by purchase or take by eminent domain, for water purposes, land in Plymouth situated at Indian Hill at the northerly end of Shore Drive at the shore of Cape Cod Bay, bounded and described as follows: Beginning at a concrete bound in the northerly line of Lot 1 shown on Land Court Plan No. 11398B which bound is 79.92 feet Northeast-erly from the northeast corner of Shore Drive; thence running N 73° 40' 10" E 8 feet, more or less, to top of bluff; thence southerly by the top of the bluff 138 feet, more or less, to Lot 3; thence N 84° 05' 01" W by Lot 3, 78 feet, more or less, to the northwesterly corner of said Lot 3; thence again N 84° 05' 01" W 15.00 feet; thence S 35° 54' 59" W 50.00 feet to a point in the westerly line of said Shore Drive which is 132.30 feet S 5° 54' 59" W from the northwest corner of said Shore Drive as shown on the above-mentioned plan; thence S 5° 54' 59" W in the westerly line of Shore Drive 32.70 feet; thence N 85° 05' 01" W 100.00 feet; thence N 5° 54' 59" E 124.09 feet, the last two courses being by remaining land of this grantor; thence N 73° 40' 10" E 108.05 feet to the northwest corner of Shore Drive; thence same course 43.22 feet by the end of Shore Drive; thence the same course 79.92 feet to the concrete bound at the point of beginning; containing an area of 28,690 square feet, more or less. Said conveyed parcel is bounded on the North by land of Antonia

& Charles J. Wimbauer. The described premises include part of Lot 1, part of Lot 2, part of 5-foot wide foot-path, part of Shore Drive and a portion of lot on west side of Shore Drive, all shown on the aforementioned plan filed with the Land Court; all as shown on a plan entitled "Sketch of Proposed Water Tank Lot at Indian Hill, Scale 1" = 30', Oct. 7, 1963, Delano & Keith, Surveyors, Plymouth, Mass." in addition, to acquire by purchase or take by eminent domain easements to lay and maintain water pipes in Indian Hill Road and Shore Drive, and to raise and appropriate the sum of \$350; of which \$30.00 shall be for taxes in arrears, \$20.00 for acquiring land and easements, and \$300.00 for expenses of acquiring titles; said land and easements to be under the jurisdiction of the Water Department.

Mr. John Fillebrown moved to reconsider Articles 84, 85 and 86, and it was so voted.

Mr. John Fillebrown's motion to amend on Articles 84, 85 and 86, lost.

ARTICLE 84.

Mr. Barnes moved that the Town adopt the proposed "Electrical Wiring By-Laws of the Building Code (By-Laws) as amended, of the Town of Plymouth," as shown in the printed report of the Advisory and Finance Committee on pages 63 through 66 inclusive; and submitted by the Committee appointed by the Moderator under Article 38 of the 1961 Annual Town Meeting, and it was so voted.

ARTICLE 85. To see if the Town will vote to amend the Building Code (By-Laws), as amended, and adopted under Article 110 of the 1956 Annual Town Meeting, by adding under Section 8 "Electrical Wiring" the following paragraph: "All electrical wiring shall be done according to the Electrical Wiring By-Laws of the Building Code (By-Laws) as amended, of the Town of Plymouth."

The Committee recommends favorable action.

Mr. Barnes moved that the Town amend the Building Code (By-Laws), as amended, and adopted under Article 110 of the 1956 Annual Town Meeting, by adding under Section 8 "Electrical Wiring" the following paragraph: "All electrical wiring shall be done according to the Electrical Wiring By-Laws of the Building Code (By-Laws) as amended, of the Town of Plymouth, and it was so voted.

ARTICLE 86. To see if the Town will vote that the Inspector of Wires and Alternate Inspector of Wires be compensated for services and expenses by payment for each permit issued and consequent inspection made at the rate of 80% of the fee charged for such permit and inspection and appropriate the sum of \$2,500 for compensation and expenses.

The Committee recommends favorable action and an appropriation of \$2,500; all fees for permits to be turned in to the Town.

Mr. Barnes moved that the Town compensate the Inspector of Wires and Alternate Inspector of Wires for services and expenses by payment for each permit and consequent inspection made at the rate of 80% of the fee charged for such permit and inspection and appropriate \$2,500.00 for compensation and expenses; all fees for permits and inspections shall be turned in to the Town, and it was so voted.

ARTICLE 87. To see if the Town will vote to adopt the proposed "Gas Piping and Gas Appliances By-Laws of the Building Code (By-Laws), as amended, of the Town of Plymouth" submitted by the committee appointed by the Moderator under Article 38 of the 1961 Annual Town Meeting.

The Committee recommends favorable action.

That the Town adopt the proposed "Gas Piping and Gas Appliances By-Laws of the Building Code (By-Laws) as amended, of the Town of Plymouth," as shown in the printed report of the Advisory and Finance Committee on pages 67

through 70 inclusive; and submitted by the committee appointed by the Moderator under Article 38 of the 1961 Annual Town Meeting.

Mr. E. Robichaud moved to amend Article 1 so as to read as follows:

ARTICLE 1

Inspectors of Gas Piping and Gas Appliances

The Commission of Public Safety, in accordance with Section 3 (0) of Chapter 143 of the General Laws, shall appoint annually, in April, an inspector of Gas Piping and Gas Appliances and an Alternate Inspector of Gas Piping and Gas Appliances, each of whom shall hold office for one year, from the first of May in the year of his appointment unless sooner removed by the Commission and another qualified and appointed in his stead. Said Inspectors shall be citizens of the Town, to be appointed under the authority of Chapter 217, approved on April 3, 1963. No inspector shall inspect his own work or any building in which he has direct or indirect interest. Said Inspectors shall receive such compensations as the Town may from time to time determine. The offices of said Inspectors shall not be placed under Civil Service. As used in these by-laws the words "Inspector of Gas Piping" shall be construed to mean the Inspector or Alternate Inspector of Gas Piping and Gas Appliances.

Mr. E. Robichaud moved to amend Article 2 so as to read as follows:

ARTICLE 2

Code Conformity

All gas fitting shall conform to the requirements of the "Massachusetts Code for Installation of Gas Appliances and Gas Piping" as amended.

Mr. Robichaud's motions to amend Article 1 and 2 under ARTICLE 87, was so voted, unanimously.

ARTICLE 88. To see if the Town will vote to amend the Building Code (By-Laws), as amended and adopted under Article 110 of the 1956 Annual Town Meeting, by inserting between Section 9 and Section 10 the following: "Section 9A. GAS PIPING AND GAS APPLIANCES. All gas piping and gas appliances shall be installed according to the Gas Piping and Gas Appliances By-Laws of the Building Code (By-Laws), as amended, of the Town of Plymouth."

The Committee recommends favorable action.

Voted: That the Town amend the Building Code (By-Laws), as amended and adopted under Article 110 of the 1956 Annual Town Meeting, by inserting between Section 9 and Section 10, the following: "Section 9A. GAS PIPING AND GAS APPLIANCES. All gas piping and gas appliances shall be installed according to the Gas Piping and Gas Appliances By-Laws of the Building Code (By-Laws), as amended, of the Town of Plymouth."

ARTICLE 89. To see if the Town will vote that the Inspector of Gas Piping and Alternate Inspector of Gas Piping be compensated for services and expenses by payment for each permit issued and consequent inspection made at the rate of 80% of the fee charged for such permit and inspection, and appropriate the sum of \$2,500 for compensation and expenses.

The Committee recommends favorable action and an appropriation of \$2,500; all fees for permits to be turned in to the town.

Voted: That the Town accept, that the Inspector of Gas Piping and Alternate Inspector of Gas Piping be compensated for services and expenses by payment for each permit issued and consequent inspection made at the rate of 80 per cent of the fee charged for such permit and inspection, and appropriate \$2,500 for compensation and expenses; all fees for permits and inspections shall be turned in to the Town.

ARTICLE 90. To see if the Town will accept the fund known as the "Frances Leach Bagnell Fund" pursuant to the Will of Luthera M. Leach, and provide for appointment of Trustees to invest funds and expend income.

The Committee recommends favorable action.

Voted: That the Town accept the fund which will be known as the "Frances Leach Bagnell Fund" pursuant to the will of Luthera M. Leach, such fund to be invested in savings banks by the Town Treasurer, the income only to be paid pursuant to the direction of the Plymouth School Committee to assist needy and deserving children, residing in Plymouth toward obtaining higher education.

ARTICLE 91. To see if the Town will vote to authorize the Selectmen to transfer the care, custody, management and control of Lot 59, Plat 96 of the Assessors' Plans, consisting of 79.7 acres more or less, of woodland at Little Micajah's Pond, to the Conservation Commission for conservation purposes.

The Committee recommends No Action.

Voted: That the Town take no action under Article 91.

ARTICLE 92. To see if the Town will vote to authorize the Selectmen to transfer the care, custody, management and control of land at White Horse Beach, being Lots 87C and 88-I as shown on Plat 46 of the Assessors' Plans to the Conservation Commission, to be used as a public access to the beach.

The Committee recommends No Action.

Voted: That the town take no action under Article 92.

ARTICLE 93. To see if the Town will vote to accept Chapter 478 of the Acts of 1963 "An Act increasing the amounts of pensions and retirement allowances payable to certain former public employees."

The Committee recommends favorable action.

Voted: That the Town accept Chapter 478 of the Acts of 1963 "An Act increasing the amounts of pensions and retirement allowances payable to certain former public employees."

ARTICLE 94. To see if the Town will vote to accept Chapter 40 Section 6J, "An Act authorizing cities and towns to purchase stormy weather work clothes and rubber boots for certain employees."

The Committee recommends No Action.

Voted: That the Town accept Chapter 49 Section 6J, "An Act authorizing cities and towns to purchase stormy weather work clothes and rubber boots for certain employees."

ARTICLE 95. To see if the Town will vote to sell to William A. Dearn and Ernest A. McGrath, the land now leased to them on the Town Wharf Lot, being Lot 17A and a 50-foot right of way to said lot; and in addition thereto sell to them so much of other town-owned land on the Town Wharf Lot as lies southeasterly of the northwesterly line of said Lot 17A and extending southwesterly to Water Street, all shown on a plan entitled "Land at Town Wharf, Plymouth, Mass., Scale 1" = 40 ft., dated September 1, 1962, Edward Chase, Town Engineer."

By Petition: William A. Dearn et al

The Committee recommends No Action. Planning Board does not recommend.

Mr. Barnes moved that the Town take no action under Article 95.

Mr. Hugh Maraghy moved that the Town authorize the Selectmen to sell to William A. Dearn and Ernest A. McGrath, co-partners, the land presently leased to them, being Lot 17-A on a plan entitled "Land at Town Wharf, Plymouth, Mass., Scale 1"=40' dated September 1, 1962, Edward Chase, Town Engineer" to be conveyed with a right of way in common with others entitled thereto from said

lot over a 50-foot way leading southwesterly to Water Street; at a price to be determined by the Selectmen but not less than \$7,500.00, but the motion was lost.

The original motion was put before the Meeting and carried.

ARTICLE 96. Will the Town appropriate for and authorize the Moderator to appoint a Special Committee to study the planning and ultimate development of the Town Wharf and adjacent Town property located on Water Street, and also to study and confer with the Federal and State Authorities in relation to the Harbor Anchorage Basin proposed nearby, together with a study of the disposal of surplus harbor dredging.

By Petition: Howard P. Barnes et al

The Committee recommends favorable action and an appropriation of \$300.

Mr. Barnes moved that the Town appropriate \$300 and authorize the Moderator to appoint a Special Committee of seven members to study the planning and ultimate development of the Town Wharf and adjacent Town property located on Water Street, and also to study and confer with the Federal and State Authorities in relation to the Harbor Anchorage Basin proposed nearby, together with a study of the disposal of surplus harbor dredging, and to report at the next Annual Town Meeting. This Committee shall hold hearings and shall make progress reports to the Town at least, at every Annual Town Meeting.

Mr. T. Jesse moved to amend Mr. Barnes' petition of Article 96, that the Town take no action under Article 96, and it was so voted.

ARTICLE 97. To see if the Town will vote to name as West Cherry Street that road leading southeasterly 1,400 feet from Nicks Rock Road and laid out in behalf of the Town by the Massachusetts Department of Public Works, on July 15, 1958.

The Committee recommends favorable action.

Voted: That the Town name as West Cherry Street, that road leading southeasterly 1,400 feet from Nick's Rock Road and laid out in behalf of the Town by the Massachusetts Department of Public Works, on July 15, 1958.

ARTICLE 98. To see what action the Town will vote to take with regard to certain unexpended appropriation balances.

The Committee recommends that the following accounts be turned back to Excess and Deficiency:

Conservation Commission	\$603.93
Election and Registration: Repro Card System ..	2,100.00
Highway Department: Granolithic Sidewalks and	
Curbings	340.05
Junior High School Renovations Committee	607.02
	<hr/>
	\$3,651.00

The sum of \$1,021.06 from the Traffic and Parking Study Committee to the Street Meters Parking Receipts Account and the sum of \$13.09 from the Junior High School Renovations Account to the Stabilization Fund.

Voted: That the Town turn back to Excess and Deficiency the sum of \$3,410.95 from the unexpended appropriation balances of the Conservation Commission in the amount of \$603.93; Election and Registration, Repro Card System, \$2,100.00; Junior High School Renovations Committee, \$607.02; and Municipal Garage Committee (Article 95 — 1962) \$100.00 to the Street Meters Parking Receipts, the sum of \$1,021.06, which amount is the unexpended appropriation balance of the Traffic and Parking Study Committee; and to the Stabilization Fund, the sum of \$13.09, which is the unexpended appropriation balance of the Junior High School Renovations account.

ARTICLE 99. To see what amount the Town will vote to transfer from available funds to reduce the tax levy of the current year.

The Committee recommends \$90,000.

Voted: That the Town authorize and direct the Assessors to take \$90,000, from available funds to reduce the tax levy of the current year.

ARTICLE 100. To see what amount the Town will vote to transfer from available funds for the Stabilization Fund as authorized by the provisions of Chapter 124 of the Acts of 1945.

The Committee recommends the transfer of \$100,000 from available funds to the Stabilization Fund.

Voted: That the Town transfer from available funds the sum of \$100,000, for the Stabilization Fund, as authorized by the provisions of Chapter 124 of the Acts of 1945 and recommended by the Advisory and Finance Committee.

Total Appropriations \$4,416,271.35

Less:

M. HERBERT CRAIG

Town Clerk

SPECIAL TOWN MEETING

March 28, 1964 — 3:00 p.m.

The Special Town Meeting was called to order by the Moderator at 3:25 o'clock P.M.

The number of Town Meeting Members present as reported by records of the checkers Robert Marvelli and Arsene Strassel 2nd, was 178. The Moderator declared a quorum present.

ARTICLE 1. To see if the Town will vote to amend the Town of Plymouth Zoning Map, No. 2, dated January 16, 1961, to extend the existing Original Commercial District on the Southerly side of Middle Street, to the Northwesterly side of Carver Street, to include in said District, Lots 76 and 89B as shown on Plat 20 of the Plymouth Assessors' Plans.

Mr. Edward F. Barnes moved that the Town take no action under Article 1.

Mr. Richard L. Schneider moved to amend the motion of Mr. Barnes by the following: That the Town amend the Town of Plymouth Zoning Map Number 2, dated January 16, 1961, to extend the existing Original Commercial District on the southerly side of Middle Street, to the northwesterly side of Carver Street, to include in said District Lots 76 and 89B as shown on Plat 20 of the Plymouth Assessors' Plans.

Voting by a show of hands, 143 in the affirmative, 17 in the negative, being a two-thirds vote, the motion as amended was **carried**.

ARTICLE 2. To see if the Town will authorize and empower the Plymouth Housing Authority to enter into a program for providing low-rent federally-aided housing under the authority of Chapter 121 of the General Laws.

Voted. That the Plymouth Housing Authority be instructed to conduct a study of the need of low-income feder-

ally aided housing in the Town of Plymouth and to notify the Selectmen immediately upon passage of any Legislation making such federally aided housing available; and finally, if so requested by the Selectmen, to prepare an appropriate article or articles for the warrant of any special or regular town meeting at which the Selectmen may request that the matter be considered.

It was voted to adjourn at 4:20 o'clock P.M.

M. HERBERT CRAIG

Town Warrant

SPECIAL TOWN MEETING

November 30, 1964

The Special Town Meeting was called to order by the Moderator at 7:30 o'clock P.M.

There was not a quorum present, therefore the Moderator read only the warrant and then called a recess so that the present members could call any members not present to attend.

At 8:30 o'clock P.M. the Moderator declared a quorum present.

ARTICLE 1. To see what action the Town will take to raise and appropriate, or transfer from available funds a sum of money to be spent under the direction of the Welfare Department for Assistance.

Voted: That the Town raise and appropriate from available funds the sum of \$10,000 for Public Assistance Aid for the balance of 1964 to be spent under the direction of the Welfare Department.

The Meeting adjourned at 8:32 o'clock P.M.

Report of

The Capital Outlay Expenditures Committee

to

The Advisory and Finance Committee

December 31, 1963

The Capital Outlay Expenditures Committee was created by the approval of Article 70 at the Town Meeting held in March, 1963. Its function is to serve in an advisory capacity to the Advisory and Finance Committee with respect to the effect that present or anticipated future capital expenditures, if accepted by the Town, will make on the tax rate. The Committee is required to report annually by December 31st to the Advisory and Finance Committee. The data needed to make our report must be supplied by the Town Departments and Special Committees.

The task assigned to our Committee being new, it was necessary to initiate the procedure for its performance. A method of operation was decided upon and all departments and the chairmen of special committees were interviewed and when necessary were supplied with forms to be used for indicating thereon the capital expenditures which they proposed to include in the 1964 Town Warrant.

The project being a new one for all concerned, it was decided to confine our first report to a projection for the year 1964 only and thereby establish a solid foundation for future reports. They show a total amount of estimated capital expenditures for 1964 of \$41,304.20. It is impossible to estimate at this date how much this amount will affect the tax rate because the total estimated amount of recommended expenditures less the total estimated receipts from sources other than the tax levy which produces the remainder or net amount to be raised for 1964 is unknown.

The ultimate object of this Committee, with the cooperation of the Town Departments, would be to make a projection of capital expenditures for five years in advance. With such a presentation the estimated adjusted capital tax burden for each of the future five years would be known, and, if in any one year the projected tax burden was considered to be excessive, certain proposed projects in such years could be shifted or postponed to other years and thus even out the tax rate.

The Committee appreciates very much and thanks the Town Departments and Special Committees for their cooperation.

Respectfully submitted,

WILFRED J. BROWN, Chairman, 1963
R. DOROTHY CANUCCI, Secretary, 1963
ROBERT I. LOWE, 1963

ALVIN R. TAVARES, 1964
ARTHUR G. ESTES, 1965

Commonwealth of Massachusetts
Department of Corporations and Taxation
Bureau of Accounts
80 Mason Street, Boston

To the Board of Selectmen
Mr. James T. Frazier, Chairman
Plymouth, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Plymouth for the period from July 8, 1962 to June 13, 1964, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,
ARTHUR H. MacKINNON
Director of Accounts

Mr. Arthur H. MacKinnon
Director of Accounts
Department of Corporations and Taxation
Boston, Massachusetts

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Plymouth for the period from July 8, 1962, the date of the previous examination, to June 13, 1964, preparatory to a transfer of the books and accounts, and of the cash, savings deposits, and securities to the newly-elected treasurer and town clerk, and report thereon as follows:

An examination and verification was made of the financial transactions of the town as shown on the books of the

several departments receiving or disbursing money for the town or committing bills for collection.

The books and accounts in the office of the town accountant were examined and checked. The recorded receipts were checked with the records of the departments making payments to the treasurer and with the treasurer's books, while the payments were checked with the treasury warrants approved by the selectmen and with the treasurer's records. The appropriations, transfers, and loan authorizations, as entered, were checked with the town clerk's records of town meeting proceedings and with the records of the finance committee.

The town accountant's ledgers were analyzed, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on June 13, 1964.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were compared with the several departmental records of payments to the treasurer and with other sources from which the town received money, while the payments were checked with the treasury warrants authorizing the disbursement of town funds. The cash balance on June 13, 1964 was proved by verification of the cash in the office and by reconciliation of the bank balances with statements furnished by the banks of deposit.

The transactions of the trust and investment funds in the custody of the town treasurer and the trustees were verified, and the savings bank books and securities representing the investment of these funds were examined and listed.

The securities and savings bank books representing the investments of the contributory retirement funds in the custody of the town treasurer were examined and listed. The

recorded receipts and disbursements were checked with the records of the retirement board, the income was proved, and the cash balance on June 13, 1964 was verified.

The records of receipts on account of parking meter fees and parking lot fees were examined and checked. The collections, as recorded, were footed and compared with the treasurer's cash receipts.

The records of tax titles and tax possessions held by the town were examined and checked. The amounts transferred to the tax title account were compared with the collector's records; the reported redemptions, sales of land of low value, foreclosures, and disclaimers were checked; and the tax titles and tax possessions on hand were listed, proved, and compared with the records at the Registry of Deeds.

The reported payments of maturing debt and interest were compared with the amounts falling due and checked with the cancelled securities on file. The bond and coupon account was reconciled, the outstanding coupons on June 13, 1964 being listed and compared with a statement received from the bank of deposit.

The records of payroll deductions on account of Federal and State taxes, retirement systems, group insurance, and purchase of savings bonds were examined and reconciled with the town accountant's ledger controls.

The books and accounts of the tax collector were examined and checked in detail. The taxes, excise, and water liens outstanding at the time of the previous examination, as well as all subsequent commitments, were audited and proved with the assessors' warrants issued for their collection. The recorded collections were compared with the payments to the treasurer, the abatements were proved with the assessors' records of abatements granted, the transfers to the tax title account were checked, and the outstanding accounts were listed and reconciled with the respective controlling accounts in the town accountant's ledger.

The commitments of departmental and water accounts receivable were examined and checked. The recorded

receipts were checked with the payments to the treasurer and with the accountant's books, the abatements were compared with the water and other departmental records of abatements granted, and the outstanding accounts were listed and proved with the accountant's controlling accounts.

In order to verify the outstanding tax, excise, departmental, and water accounts, verification notices were mailed to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The records of collections from licenses, permits, and miscellaneous receipts as kept by the selectmen, the town clerk, and the police and health departments were examined and checked, and the payments to the State and to the town treasurer were verified.

The surety bonds on file for the several officials required by law to furnish them were examined and found to be in proper form.

In addition to the departments mentioned, the records of all other departments collecting money for the town or committing bills for collection were examined and checked. The recorded collections were compared with the treasurer's and the accountant's books, and the cash on hand in the several departments was proved by actual count.

Appended to this report, in addition to the balance sheet, are tables showing reconciliations of the several cash accounts, summaries of the tax, excise, tax title, tax possession, departmental, and water accounts, together with schedules showing the condition and transactions of the trust, investment, and retirement funds.

While engaged in making the audit cooperation was received from all officials of the town, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ

Assistant Chief of Bureau

PERSONNEL BOARD REPORT

A survey was conducted by the members of the Personnel Board relating to salaries of town employees. The information pertaining to salaries paid by forty-three towns, whose population range from 10,001 to 15,000, was derived from the Salary Survey Booklet which is supplied to us by the Massachusetts Municipal Personnel Boards Association.

Only the towns whose Police and Fire Departments have a 40 and 56 hour respective work week were used in the Police and Fire surveys.

The result of this work was to propose a flat \$300 annual increase to Police and Fire Department regular, uniformed personnel and a 3% increase to all other town employees. This proposal will establish the Town of Plymouth employees in an average position relating to other towns within the above mentioned population.

The following amendments are hereby recommended:

In Section 2: The definition of "Compensation Grade"

In Section 5: Sub-chapters (e), (f), (g); Schedule B-1 will apply the same as Schedule B shall also include Schedule B-1

In Section 8: After Schedule B, add Schedule B-1 — Annual Salary Schedule

In Section 8: Schedule A, Public Safety Group delete S-17 and insert P-3 after Fire Captain (b); delete S-13 and insert P-1 after Fire Fighter (a); delete S-15 and insert P-2 after Fire Lieutenant (b); delete S-13 and insert P-1 after Patrolman; delete S-17 and insert P-3 after Police Sergeant

In Section 8: Schedule A, Administrative Group, delete S-18 and insert P-4 after Deputy Fire Chief

In Section 8: Schedule A, Supervisory Group, delete S-21 and insert P-5 after Chief of Police; delete S-21 and insert P-5 after Fire Chief

In Section 8: Schedule A, Custodial Group, delete S-9 and insert S-11 after Building Custodian-Meter Man

In Section 8: Schedule A, Administrative Group, delete S-17 and insert S-18 after Sanitarian

In Section 8: Schedule A, Labor Group, delete W-5 and insert W-6 after Tree Climber

In Section 8 after Schedule B, insert Schedule B-1 as shown in the Compensation Plan.

Schedule B-1 will pertain to Police and Fire regular, uniformed personnel only.

Amend the Salary and Wage Schedules which appear in Schedules B, C and D by increasing all figures by 3%.

Amend the hourly rates in Sections 9, 10 and 11 by increasing them by 3%.

Amend Section 13 so that sub-chapters (b) and (d) shall also apply to Schedule B-1.

Amend Section 6. Amendment of the Plans, Paragraph (a) by inserting thereto the following, All signed petitions requesting amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this By-Law, must be submitted to the board no later than four months prior to a regular town meeting.

Amend Schedule D by deleting the seasonal weekly rate for Life Guards and inserting thereto \$1.70 per hour.

Respectfully submitted,

JOHN J. PACHECO, Chairman

GEORGE W. BUTTERS

HORACE A. GENOVESE

Classification and Compensation Plans and Personnel By-Law

RECOMMENDED BY THE PERSONNEL BOARD

Section 1. Authorization

Pursuant to the authority contained in Section 108A of Chapter 41 of the General Laws there shall be established plans, which may be amended from time to time by vote of the Town at a Town meeting; (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, those under the jurisdiction of the Board of Public Welfare or under the jurisdiction of the Board of Retirement, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan and (c) providing for the administration of said classification and compensation plans.

Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

“Town,” the Town of Plymouth;

“Civil Service Law,” Chapter 31 of the General Laws of the Commonwealth, as amended and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

“Classification Plan,” class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

“Class,” a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

“Position Class,” same as class (a class may include **only** one position in which event it is defined as a “single position class”);

“Group,” an occupational group of classes appearing in Schedule A of Section 8;

“Department Head,” the officer, board, or other body having immediate supervision and control of a department;

“Employee,” an employee of the Town occupying a position in the classification plan;

“Department,” any department, board, committee, commission or other agency of the Town subject to this by-law;

“Administrative Authority,” the elected official or board, or the appointed official having jurisdiction over a function or activity;

“Full-time employment,” employment for not less than seven and one-half hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, bereavement leave, and other leave of absence;

“Part-time employment,” employment for less than full-time employment, as defined above;

“Continuous employment,” employment uninterrupted except for required military service and for authorized vacation leave, sick leave, bereavement leave, or other leave of absence;

“Full-time employee,” an employee retained in full-time employment;

“Part-time employee,” an employee retained in part-time employment;

“Position,” an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof;

"Permanent position," any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

"Permanent employee," (1) any employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

"Temporary position" or "seasonal position," any position in the Town service which requires or is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work week of its occupation group shall be considered as part-time;

"Temporary employee," (1) an employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

"Intermittent service," personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service;

"Casual service," personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

"Compensation Plan," Schedules B through D in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B, B-1 or Schedule C of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services;

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

Maximum Rate," the highest rate in a range which an employee normally is entitled to attain;

"Range," the dollar difference between minimum and maximum rates;

"Personal Rate," a rate above the maximum rate applicable only to a designated employee;

"Step Rate," a rate in a range of a compensation grade;

"Increment," the dollar difference between step rates;

"Promotion," a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Board," the Personnel Board as defined in Section 3.

Section 3. Personnel Board

(a) There shall be a Personnel Board consisting of three members responsible for the administration of the classification and compensation plans. The membership of the Board shall be as follows: — One member to be appointed by the Finance Committee; one employee, who does not serve the Town in an elective capacity, to be appointed by the Board of Selectmen; one citizen of the Town, who does not serve the Town in either an appointive or elective capacity, to be appointed by the Moderator. The term of office shall be for three years; members of the Board at the time this by-law is adopted will continue in office until the terms to which they were appointed have expired. Vacancies, other than by expiration of terms, shall be filled in the same manner and by the same authority for the balance of the unexpired term.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.

(c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary. A majority of the Board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.

(e) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds thereof.

(f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department Heads shall provide such information as the Board may request.

(g) The Board shall maintain written job descriptions or specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(h) The Board shall make an annual report in writing to the Board of Selectmen on or before January 20 of each year.

Section 4. Classification Plan

(a) All positions in the service of the Town except those excluded in Section 1 are hereby classified by titles appearing in Schedule A of Section 8 which is made a part hereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

(b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

(c) The title of each class, as established by the Classification Plan shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification or such reassignment to be consistent with the classification and compensation plans.

Section 5. Compensation Plan

(a) The Compensation Plan shall consist of Schedules B through D in Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.

(b) All employees shall continue to be paid on an hourly, weekly, semi-monthly, annual, or other basis, as at present, except as provided in the compensation plan, unless otherwise authorized by the Personnel Board.

(c) No department head shall fix the salary of any employee in a position so classified except in accordance with the compensation plan.

(d) No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the classification plan under any title other than those appearing on Schedule A of Section 8.

(e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:

- (1) On January first provided he has completed thirty weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.
- (2) Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of the compensation grade to which his position class is assigned.
- (3) Employees in continuous part-time employment eligible for increments under the provisions of this sub-section shall be those occupying positions in classes for which compensation is provided in Schedule B, B-1 or Schedule C of Section 8.

(f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B, B-1 or Schedule C of Section 8 shall receive increments as provided in the preceding sub-section on the basis of thirty weeks employment constituting one year. This employment need not be continuous but to retain any rate above the entrance rate, the employee must work some part of each subsequent year.

(g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4 (b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B, B-1 or \$.05 for a position class assigned to Schedule C, the adjustment shall be to the second rate above the existing rate but within the compensation grade of the vacant or new position.

(h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade effective the next January first following completion of thirty weeks at the rate resulting from the promotion.

(i) Each department head of a department to which is assigned an employee occupying a position in the classification plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing year and shall furnish a copy thereof to the Board.

(j) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 6. Amendment of the Plans

(a) The classification plan and/or the compensation plan and/or other provisions of this by-law may be amended by vote of the Town at either a regular or a special Town Meeting. Requests for such amendments shall be made to the Board by signed petition. All signed petitions requesting amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this By-Law, must be submitted to the board no later than four months prior to a regular town meeting. Whenever such a petition is

received, the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days written notice. Prior to the next Town Meeting, the Board shall file with the Selectmen for insertion in the warrant for the next Town Meeting an article sufficiently stated to permit the Town to act upon the subject matter of any such petition. At the same time the Board shall file with the Finance Committee a final report, with recommendations, pertaining to any such petition, provided, that no recommendation in favor of a proposed amendment shall be made except by an affirmative vote of two of its members.

(b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is supported by an affirmative vote of two of its members, the Board shall proceed according to the preceding sub-section to insert an article in the warrant and to report its recommendation to the Finance Committee.

(c) In the case of urgent necessity, the Personnel Board, with the approval of the Finance Committee, may anticipate the formal action of the town meeting by adding a new classification and the salary or wage thereof to the classification and pay plan and such addition will be effective subject to early ratification by the town at a town meeting.

Section 7. Continuing Review

(a) The Board from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions subject to the provisions of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

(b) The Board shall consider changes in departmental organization structure, operating procedures or work load which may result in service rendered by an employee occupying a position changing from intermittent or casual to continuous employment. Such a change may be the basis of a recommendation by the Board to amend the compensation plan so that a position class found to require continuous employment would be moved from Schedule D to Schedule B or Schedule C of Section 8.

Section 8. Position Classes; Salary, Wage and Miscellaneous Compensation Schedules

The following schedules, together with class specifications previously incorporated by reference, constitute the classification and compensation plans of the Town as defined in Section 2:

SCHEDULE A — Classification of Positions by Occupational Groups and Assignment to Compensation Grades or to the Miscellaneous Schedule

SCHEDULE B — Annual Salary Schedule

SCHEDULE C — Hourly Wage Schedule

SCHEDULE D — Miscellaneous Compensation Schedule for Part-Time and Seasonal Positions

SCHEDULE A

Classification of Positions by Occupational Groups and Assignment to Compensation Grades

Clerical Group

Class Title	Compensation Grade or Schedule
Clerical Aide (Part-Time)	Misc
Information Aide (Seasonal)	Misc
Information Aide Supervisor (Seasonal)	Misc

Swimming Instructor (Seasonal)	50.93	(week)
Town Engineer (P. T.)	2547	(annual)

- (a) Hourly rate for forest fires only pursuant to departmental rules and regulations.
- (b) If service less than 12 months rate is \$38.00 per month.
- (c) Less value of concession as determined by Park Commissioners.
- (d) Park Dept., \$1.33; other \$1.60.

Section 9. Part-time Positions Classified in Clerical Group

Employees occupying clerical positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan:

Compensation Grade	Minimum	II	III	IV	Maximum
S-1	\$1.37	\$1.43	\$1.48	\$1.54	\$1.61
S-5	1.60	1.67	1.74	1.81	1.88
S-6	1.67	1.74	1.81	1.88	1.96
S-7	1.74	1.81	1.88	1.96	2.03

Section 10. Part-time Positions Classified in the Library Group

Employees occupying library positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan.

Compensation Grade	Minimum	II	III	IV	Maximum
S-2	\$1.34	\$1.40	\$1.45	\$1.51	\$1.57
S-4	1.45	1.51	1.57	1.64	1.70

Section 11. Part-time Positions Classified in the Custodial Group

Employees occupying custodial positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan.

Compensation Grade	Minimum	II	III	IV	Maximum
S-8	\$1.54	\$1.61	\$1.67	\$1.74	\$1.81
S-9	1.61	1.67	1.74	1.81	1.88

Section 12. Fringe Benefits and Working Conditions

(a) Pursuant to the authority contained in Section 108C of Chapter 41 of the General Laws, certain fringe benefits as set forth in subsequent sections of this by-law are hereby granted to employees occupying positions in the classification plan. The fringe benefits are considered to be a part of the compensation plan and the monetary value thereof shall be extended to eligible employees in addition to rates set forth in the appropriate salary or wage schedule.

(b) Additional fringe benefits and/or working conditions may be added to the by-law or fringe benefits and/or working conditions may be amended from time to time by vote of the Town at a Town Meeting.

Section 13. Initial Application of the Compensation Plan

(a) Upon the adoption of this by-law, salary and wage rates for affected employees shall be adjusted as follows:

- (1) Retroactive to the first of the year of adoption if at the annual Town Meeting.
- (2) Effective the beginning of the month following adoption if at a special Town Meeting prior to the establishment of the tax rate for that year.
- (3) Effective the January first following adoption if at a special Town Meeting later than the establishment of said tax rate.

(b) The rate of each employee occupying a position, the compensation of which is provided for in Schedule B, B-1 or Schedule C of Section 8 shall be adjusted, based on his prior service in said position, according to the formula set forth in Section 5 (e) or 5 (f).

(c) The rate of each employee occupying a position, the compensation of which is provided for in Schedule D of Section 8 shall be adjusted to the rate for his position class as set forth in this schedule.

(d) If an employee's rate at the time of the adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B, B-1 or Schedule C of Section 8 or is in excess of the rate set forth for his position class in Schedule D of Section 8, this rate shall not be reduced but shall become a personal rate applicable only to said employee as defined in Section 2.

(e) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 14. Work Week

The work week for full-time or seasonal employment in each occupational group shall be as follows:

Group	Work Week	
Clerical Group	37.5 hours	
Library Group	40	"
Recreation Group:		
Instructors	30	"
Supervisor	35	"
Life Guards	40	"
Custodial Group	44-48	" (a)
Labor Group	40-48	" (a)
Public Safety Group:		
Police (full-time)	40	"
Fire (full-time)	56	" (b)
Others	As Required	
Administrative Group	As Required	
Supervisory Group	As Required	

- (a) As set forth by departments in Exhibit B of the Wage and Salary Classification by-law effective as of January 1, 1961.
- (b) Member of uniformed force assigned as departmental master mechanic considered in Administrative Group while performing the duties of this position.

Section 15. Overtime Compensation

(a) Clerical Group

An employee shall be compensated at the hourly rate set forth in Section 9 which corresponds to his step rate designation in the corresponding compensation grade on Schedule B, Section 8, for hours worked in excess of those constituting his work week as set forth in Section 14 except for attendance at evening meetings which shall be considered as part of the basic work week of 37.5 hours.

(b) Library Group

An employee shall be compensated at the hourly rate set forth in Section 10 which corresponds to his step rate designation in the corresponding compensation grade in Schedule B, Section 8, for hours worked in excess of those constituting his work week as set forth in Section 14.

(c) Custodial Group

Positions classified in this group may receive compensation at the hourly rates set forth in Section 11 for hours worked in excess of forty-four weekly.

(d) Labor Group

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of those set forth for the department to which he is assigned, incorporated in Section 14 by reference.

(e) Public Safety Group

(1) An employee in full-time employment called back for duty on his scheduled day off shall receive one fifth of his weekly rate for such duty provided the duty consists of an assigned shift of not less than eight hours.

(2) An employee of the Fire Department in full-time employment who responds to a box alarm pursuant to the administrative rules of the department may be compensated at an hourly rate determined by the Public Safety Commission which rate shall not exceed one-fortieth of the employee's weekly rate.

(3) An employee of the Police or Fire Departments in full-time employment who is required to work more than one hour beyond his scheduled tour of duty may be compensated at an hourly rate determined by the Public Safety Commission which rate shall not exceed one-fortieth of the employee's weekly rate.

(4) Nothing in the preceding sub-section shall be construed to permit the payment of such overtime rate for court appearances on the part of an employee during other than his assigned shift.

(5) An employee in other than the Police or Fire Departments shall not receive overtime compensation. However, nothing in this sub-section shall be construed to deny compensation to an employee on an hourly rate in the group at his hourly rate multiplied by the number of hours worked and approved by his department head for any designated pay period.

(f) Administrative and Supervisory Groups

(1) Employees occupying positions classified in these groups are not entitled to overtime compensation as set forth in Section 14, except as provided in the paragraph below. However, compensatory time may be granted an employee at the convenience of his department head for hours worked and approved in excess of forty in any one week.

(2) Highway foremen shall during snow plowing, sanding or snow removal operations, be paid for hours worked in excess of forty in one week at $1\frac{1}{2}$ times the hourly rate appearing in Compensation Grade W-10. If the employee's regular rate is Step 3 or below in Compensation Grade S-12, he shall be paid at $1\frac{1}{2}$ times the minimum rate of Compensation Grade W-10; if above Step 3, he shall be paid at $1\frac{1}{2}$ times the appropriate rate above the minimum.

Section 16. Paid Holidays

(a) The following days or dates shall be recognized as legal holidays within the meaning of this by-law:

New Year's Day	First day of January
Washington's Birthday	22nd of February
Patriots Day	19th of April
Memorial Day	30th of May
Independence Day	4th of July
Labor Day	First Monday of September
Columbus Day	12th of October
Veterans' Day	11th of November
Thanksgiving Day	The Thursday in November so proclaimed
Christmas Day	25th of December

on which days employees shall be excused from all duty not required to maintain essential Town services.

(b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:

(1) If paid on an hourly basis he shall receive one day's pay at his regular rate based on the number of hours regularly worked on the day on which the designated holiday occurs;

(2) If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.

(c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly scheduled working day prior to and his next regularly scheduled working day following such holiday, or was in full pay status on such preceding and following days in accordance with other provisions of this by-law.

(d) An employee in continuous employment, occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated in sub-section (a) shall be paid at his regular rate for such day or fraction thereof (except as provided under sub-section (g), following) in addition to the amount to which he is entitled under sub-section (b).

(e) At the request of the employee, he may be granted compensatory time off at the convenience of the department in lieu of payment provided under sub-section (d).

(f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off is in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.

(g) An employee in continuous employment, who performs scheduled inspection or maintenance work for part of one or more of the days or dates designated in sub-section (a) shall be entitled to one additional day off each year if he is required to perform duties on three such days or dates in a period of twelve months.

(h) Whenever one of the holidays set forth in sub-section (a) falls on a Sunday, the following day shall be the legal holiday.

Section 17. Vacation Leave

(a) An employee in continuous service shall be granted two weeks vacation with pay provided he has completed thirty weeks of service prior to June first.

(aa) An employee with less than thirty weeks of continuous employment as of June 1st shall be granted one day of vacation for each full month of continuous service completed prior to June 1st but not to exceed one week of vacation.

(b) The employee eligible for the vacation allowance provided under sub-section (a) must complete this allowance within fourteen consecutive calendar days beginning on a scheduled work day or within two periods of seven consecutive days each beginning on a scheduled work day.

(c) Exceptions to the requirements of sub-section (b) permitting an employee to schedule his vacation allowance in a different manner may be made with the approval of the employee's department head if his scheduled work week is Monday through Friday or part thereof.

(d) In addition to the vacation allowance provided in sub-section (a), each employee who has (or will have) completed ten years of service shall, in the year during which this length of service has been or will have been completed, be granted additional vacation with pay at the rate of one day for each year in excess of nine years of completed service up to a maximum allowance of fifteen days to which the employee shall be entitled in the year during which fourteen years of service has been or will have been completed.

(e) Vacation allowance granted under sub-section (d) shall be taken separately from that granted under sub-section (a) unless approved by the employee's department head and the Personnel Board.

(f) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition,

payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee died up to the time of his separation from the payroll.

(g) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no fault or delinquency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as earned, and not granted, in the vacation year prior to such dismissal, retirement, or entrance into the armed forces. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement, or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.

(h) Absences on account of sickness in excess of that authorized under the rules therefor or for personal reasons as provided for under other leave may, at the discretion of the department head, be charged to vacation leave.

(i) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if, while on vacation leave, a designated holiday occurs which falls on or is legally observed on Monday, Tuesday, Wednesday, Thursday or Friday.

(j) Vacation allowances provided under the terms of this section will be calculated on a twelve month period commencing on June 1st and ending on May 31st and these allowances must be taken in the twelve months period that immediately follows. In unusual circumstances, exceptions may be granted by the Personnel Board upon recommendations of department heads. Such vacation shall be granted by the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.

(k) An employee shall not be allowed to work during his vacation leave and be compensated with extra pay without approval of the department head and the Personnel Board.

Section 18. Sick Leave

(a) An employee in continuous employment who has completed thirty weeks of service following original employment shall be allowed fifteen days leave with pay each calendar year or one and one-quarter days for each month thereof if in any year his employment is less than thirty weeks, provided such leave is caused by sickness or injury or by exposure to contagious disease.

(b) An employee in continuous employment shall be credited with the unused portion of leave granted under subsection (a) up to a maximum of sixty days.

(c) An employee in continuous employment shall, subject to the limitation of sub-section (b), be credited with three days unused leave for each year of employment or fraction thereof ending on December 31st prior to the adoption of this by-law. An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond his current period of employment.

(d) If the amount of leave credit provided under subsection (b) has been or is about to be exhausted, an employee vided under sub-section (a). Such application shall be made to the Board which is authorized to grant such additional may make application for additional allowance to that pro-allowance as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the additional allowance.

(e) Sick leave must be authorized by the department head and must be reported, on blanks provided for same, to the Board.

(f) A physicians's certificate of illness shall be submitted by the employee after three days absence to his department head before leave is granted under the provisions of this Section. This certificate shall be forwarded by the department head to the Board.

(g) The Board may of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the Town by a physician appointed by the Board.

(h) Injury, illness or disability self-imposed, or resulting from the use of alcohol or drugs shall not be considered a proper claim for leave under this Section.

(i) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate.

(j) In the event of payments made to an employee under the preceding sub-section, the Board may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.

(k) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

Section 19. Bereavement Leave

Emergency leave up to three days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister), mother-in-law and father-in-law.

Section 20. Other Leave

Absences for personal reasons may be charged to vacation leave upon application by the employee and approved by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.

Section 21. Physical Examination

Before appointment to a position in the classification plan requiring continuous service or to a seasonal position designated by the Board, a candidate shall have passed a physical examination satisfactory to the Board. The examining physician shall be appointed by the Board and the examination shall be at the expense of the Town. The examining physician shall advise the Board as to whether or not, in his opinion, the applicant is physically qualified to perform the duties of the position for which application has been made and the applicant shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be deposited with the Board of Retirement.

Section 22. Operation of By-Law

This By-Law shall be operative only as to employees whose positions are classified hereunder and for which posi-

tions minimum and maximum salaries, or single-rated salaries, have been established by vote of the Town at a Town Meeting.

Section 23. Civil Service Law

Nothing in this by-law shall be construed to conflict with Chapter 31 of the General Laws.

Section 24. Effect of Partial Invalidity

The invalidity of any section of this by-law shall not invalidate any other section or provision thereof.

Proposed Electrical Wiring By-Laws of the Building Code of the Town of Plymouth

PREFACE

In accordance with the vote of the Town under Article 60 of the Town Warrant of March, 1963 the following committee of three appointed by the Moderator under Article 38 of the Town Warrant of March, 1961 was instructed to hold hearings, prepare by-laws and schedule of fees for wiring inspectors and report to the Town.

RAYMOND F. GIRARD

FRANCIS J. CONNELLY

LOTHROP WITHINGTON, JR., Chairman

This Committee recommends that the following Electrical Wiring By-Laws of the Building Code of the Town of Plymouth be adopted:

ARTICLE 1

Inspectors of Wires

The Commission of Public Safety, in accordance with Section 32 of Chapter 166 of the General Laws, shall appoint annually, in April, an Inspector of Wires and an Alternate Inspector of Wires, each of whom shall hold office for one year, from the first of May in the year of his appointment unless sooner removed by the Commission and another qualified and appointed in his stead. Said Inspectors shall be citizens of the Town qualified by training and experience but preferably not engaged in the business of electrical wiring for hire in the Town. No Inspector shall inspect his own work or any building in which he has direct or indirect interest. Said Inspectors shall receive such compensations as the Town may from time to time determine. The offices of said Inspectors shall not be placed under Civil Service. As used in these by-laws the words "Inspector of Wires" shall be construed to mean the Inspector or Alternate Inspector of Wires.

ARTICLE 2

Code Conformity

All wiring designed to carry an electric light, heat, or power current shall conform to the requirements of the Massachusetts Electrical Code as amended, or specifically modified by the Commission of Public Safety.

ARTICLE 3

Notification of Inspectors

No person, firm or corporation shall install for hire new wiring (other than for the replacement or repair of existing wires or appliances) designed to carry an electric light, heat or power current within or connected to any building or structure, without first or within five days after commencing the work, giving notice to the Inspector of Wires.

ARTICLE 4

Permit and Inspection Forms

Upon completion of any electrical installation requiring the giving of notice to the Inspector of Wires it shall be the duty of the person, firm or corporation that performed the work to notify the Inspector of Wires in writing upon "Permit and Inspection" forms furnished by the Town. The Inspector of Wires shall within two days of such notification give written notice of his approval or disapproval of said work on the "Permit and Inspection" form on which said notification was given. A notice of disapproval shall contain specifications of the part of the work disapproved together with a reference to the rule or regulation of this Electrical Code or of the Commission of Public Safety which has been violated.

ARTICLE 5

Remodeling and New Construction

All wiring installed in the process of remodeling or new construction of a building, for which a building permit is required, must have the written approval of the Inspector

of Wires on a "Permit and Inspection" form before such wiring is covered over or concealed.

ARTICLE 6

Requests for Inspection

Any person, firm or corporation may request the Inspector of Wires to inspect any specified old or new wiring on property controlled by them, and give written notice of his approval or disapproval of said work on a "Permit and Inspection" form. If such an inspection is requested and the wiring is disapproved such wiring as does not meet the specifications of this section must be corrected within thirty days and approved by the Inspector of Wires.

ARTICLE 7

Electric Service Connection

No public utility company may connect its electric service to any building or installation without first ascertaining that any new wiring in such building or at such installation has been approved by the Inspector of Wires.

ARTICLE 8

Discontinuance of Electric Service

The Inspector of Wires shall at his discretion and with the approval of the Commission of Public Safety request any public utility company to discontinue electric service to any building or installation where the wiring is found to be hazardous or unsafe.

ARTICLE 9

Code Exceptions

The Inspector of Wires may at his discretion and with the approval of the Commission of Public Safety, permit exceptions to the requirements of this Electrical Code and of the Commission of Public Safety where strict adherence would impose unnecessary expense and inconvenience and where, in his opinion, such exception would not create a hazardous or unsafe condition. Under no circumstances however, may the Inspector of Wires impose requirements

beyond those established by this Electrical Code or by the Commission of Public Safety unless approved by said Commission.

ARTICLE 10

Permit and Inspection Fees

The Commission of Public Safety shall fix "Permit and Inspection Fees" on or before May 1 of each year, but the minimum fee shall be Four Dollars (\$4.00) per "Permit and Inspection." Any fee schedule so fixed shall be published in the first issue of a newspaper published in the Town following said date. Any and all fees for permits and inspections shall be collected for the Town by the Commission of Public Safety.

ARTICLE 11

Records

The Commission of Public Safety shall maintain in sufficient detail and in a manner that makes for ready reference a record of all electrical wiring inspections and the "Permit and Inspection" fees collected therefor.

ARTICLE 12

Penalties

Whoever violates the provisions of these by-laws, in cases not otherwise provided for herein, or by law, shall be subject to a penalty of not more than \$20.00.

ARTICLE 13

Right of Appeal

Anyone aggrieved by the rulings, interpretations, or disapproval of the Inspector of Wires shall have the right of appeal to the Commission of Public Safety.

Proposed Gas Piping and Gas Appliances By-Laws of the Building Code of the Town of Plymouth

PREFACE

In accordance with the vote of the Town under Article 60 of the Town Warrant of March, 1963 the following committee of three appointed by the Moderator under Article 38 of the Town Warrant of March, 1961 was instructed to hold hearings, prepare by-laws, and schedules of fees for gas inspectors and report to the Town.

RAYMOND F. GIRARD

FRANCIS J. CONNELLY

LOTHROP WITHINGTON, JR., Chairman

This Committee recommends that the following Gas Piping and Gas Appliances By-Laws of the Building Code of the Town of Plymouth be adopted:

ARTICLE 1

Inspectors of Gas Piping and Gas Appliances

The Commission of Public Safety, in accordance with Section 3 (0) of Chapter 143 of the General Laws, shall appoint annually, in April, an Inspector of Gas Piping and Gas Appliances and an Alternate Inspector of Gas Piping and Gas Appliances, each of whom shall hold office for one year, from the first of May in the year of his appointment unless sooner removed by the Commission and another qualified and appointed in his stead. Said Inspectors shall be citizens of the Town qualified by training and experience but preferably not engaged in the business of gas fitting for hire in the Town. No inspector shall inspect his own work or any building in which he has direct or indirect interest. Said Inspectors shall receive such compensations as the Town may from time to time determine. The offices of said Inspectors shall not be placed under Civil Service.

As used in these by-laws the words "Inspector of Gas Piping" shall be construed to mean the Inspector or Alternate Inspector of Gas Piping and Gas Appliances.

ARTICLE 2

Code Conformity

All gas fitting shall conform to the requirements of the "Massachusetts Code for Installation of Gas Appliances and Gas Piping" as amended, or specifically modified by the Commission of Public Safety. As used in these by-laws the words "gas fitting" shall be construed to include the installation or alteration of fixtures, appliances and facilities, used or intended for use in buildings, in connection with fuel gas of any kind, including, without limitation, natural gas, manufactured gas, and liquefied petroleum gas-air or mixtures thereof.

ARTICLE 3

Notification of Inspectors

No person, firm, or corporation shall do new gas fitting for hire (other than for the replacement or repair of existing piping or appliances) without first or within five days after commencing the work, giving notice to the Inspector of Gas Piping.

ARTICLE 4

Permit and Inspection Forms

Upon completion of any gas fitting requiring the giving of notice to the Inspector of Gas Piping it shall be the duty of the person, firm, or corporation that performed the work to notify the Inspector of Gas Piping in writing upon "Permit and Inspection" forms furnished by the Town. The Inspector of Gas Piping shall within two days of such notification give written notice of his approval or disapproval of said work on the "Permit and Inspection" form on which said notification was given. A notice of disapproval shall contain specifications of the part of the work disapproved together with a reference to the rule or regulation of this Code for Installation of Gas Appliances and Gas Piping or of the Commission of Public Safety which has been violated.

ARTICLE 5

Remodeling and New Construction

All gas fitting done in the process of remodeling or new construction of a building, for which a building permit is required, must have the written approval of the Inspector of Gas Piping on a "Permit and Inspection" form before any gas piping is covered over or concealed.

ARTICLE 6

Requests for Inspection

Any person, firm, or corporation may request the Inspector of Gas Piping to inspect any specified old or new gas fitting on property controlled by them, and give written notice of his approval or disapproval of said work on a "Permit and Inspection" form. If, however, such an inspection is requested and the gas fitting is disapproved such gas fitting as does not meet the specifications of this section must be corrected within thirty days and approved by the Inspector of Gas Piping.

ARTICLE 7

Gas Service Connection

No person, firm, or corporation or public utility company may connect its gas service to any building or installation without first ascertaining that any new gas fitting in such building or installation has been approved by the Inspector of Gas Piping.

ARTICLE 8

Discontinuance of Gas Service

The Inspector of Gas Piping shall at his discretion and with the approval of the Commission of Public Safety request any person, firm, corporation or public utility company to discontinue gas service to any building or installation where the gas fitting is found to be hazardous or unsafe.

ARTICLE 9

Code Exceptions

The Inspector of Gas Piping may at his discretion and with the approval of the Commission of Public Safety, permit exceptions to the requirements of this Code for Installation of Gas Appliances and Gas Piping and of the Commission of Public Safety where strict adherence would impose unnecessary expense and inconvenience and where in his opinion such exception would not create a hazardous or unsafe condition. Under no circumstances, however, may the Inspector of Gas Piping impose requirements beyond those established by this Code for Installation of Gas Appliances and Gas Piping or by the Commission of Public Safety unless approved by said Commission.

ARTICLE 10

Permit and Inspection Fees

The Commission of Public Safety shall fix "Permit and Inspection Fees" on or before May 1 of each year but the minimum fee shall be Four Dollars (\$4.00) per "Permit and Inspection." Any fee schedule so fixed shall be published in the first issue of a newspaper published in the Town following said date. Any and all fees for permits and inspections shall be collected for the Town by the Commission of Public Safety.

ARTICLE 11

Records

The Commission of Public Safety shall maintain in sufficient detail and in a manner that makes for ready reference a record of all gas fitting inspections and the "Permit and Inspection" fees collected therefor.

ARTICLE 12

Penalties

Whoever violates the provisions of these by-laws, in cases not otherwise provided for herein, or by law, shall be subject to a penalty of not more than \$20.00.

ARTICLE 13

Right of Appeal

Anyone aggrieved by the rulings, interpretations, or disapproval of the Inspector of Gas Piping shall have the right to appeal to the Commission of Public Safety.

FIFTY-THIRD ANNUAL REPORT OF THE TOWN ACCOUNTANT

For the Year Ending December 31, 1964

To the Board of Selectmen

Town of Plymouth

Gentlemen:

I submit herewith report of the financial transactions of the Town of Plymouth for the year ending December 31, 1964.

Free Cash, as of January 1, 1965, is \$608,239.80, reflecting a more realistic use of E. & D. at the March town meeting than in the two previous years.

The Stabilization Fund balance, as of December 31, 1964, is \$308,456.38. In 1962 the Town appropriated \$263,-844.71 from this fund for the Manomet School addition. As a result, the Town received \$69,444.30 from the Commonwealth in 1963, which went to E. & D. \$69,444.30 of the transfer of \$100,000 from E. & D. to the Stabilization Fund in March, 1964, is, therefore, a partial offset to the 1962 appropriation from this fund for the Manomet School addition.

Motor vehicle excise tax collections in 1964 were \$373,973.02, an increase of \$106,781.78 over 1963. The improved state method for transmitting these bills to the municipalities, so that the bulk of them are received early in the year, is now showing results.

Due to the snowstorm in the latter part of December, 1964, and the depletion of the Reserve Account in the hands of the Advisory and Finance Committee, the following overdraft was authorized and must be appropriated in 1965:

Highway Overtime	\$863.36
------------------	----------

The following unpaid bills were reported to this office:

Police Dept. — New Eng. Tel & Tel. Co.	\$70.00
Fire Dept. — I. H. Waterman, M.D.	10.00
Fire Dept. — Robert Morey	59.52
Public Assist. — Bud's Service Station	8.00

The several schedules are in the following order:

Schedule A. Cash Receipts and Cash Payments as reported to the Bureau of Accounts of the Commonwealth.

Schedule B. Departmental and all special appropriations and such receipts, including federal grants, as may be legally expended without specific town meeting appropriation, with all payments from same classified as to purpose.

Schedule C. Estimated Receipts, other than from local taxes, as used by the Assessors in setting the 1964 tax rate. The schedule also shows the actual cash receipts from the same sources.

Schedule D. Revenue Account for 1964.

Schedule E. Excess and Deficiency Account.

Schedule F. Balance Sheet, December 31, 1964.

Schedules G. and H. Bonded Indebtedness, January 1, 1965.

Schedule I. List of Trust Funds and Town Investments as of December 31, 1964.

Schedule J. Calculation of the Town's borrowing capacity as of January 1, 1965.

Respectfully submitted,

CORA B. GRADY
Town Accountant

REPORT OF THE COMMISSION OF PUBLIC SAFETY

Honorable Board of Selectmen

Town Office Building

Lincoln Street

Plymouth, Massachusetts

Gentlemen:

1964 Report of the Commission of Public Safety.

The following reports encompass the various divisions of our Commission:

Dog Officer: There has been an increase in number of dogs licensed and a corresponding increase in the number of dog bites. During the year a communication was printed in the Old Colony Memorial reassuring the public and attempting to prevent the panic which seizes many individuals in fear of rabies.

Sealer of Weights and Measures: There has been an increase in the number of weighing and measuring devices tested. There have been no condemnations. Plymouth was host this year to the sixty-ninth conference of the Massachusetts Weights and Measures Association.

Police Department: We are still short of our complete complement of regular police officers, and have had to employ various special officers to maintain full strength. We have been plagued by long-term illnesses and injuries among some of the officers, which has added to the burdens of keeping our schedules intact. We are hopeful that the Committee to study the desirability for a new police station will come up with definite plans to

locate and build a suitable station to replace the present anachronistic building. Our greatest problem is looking to the future build-up of this department by adding men who will insure a continuity of integrity, high morale, and intelligence.

Fire Department: The most important fire of the year was in the White Island Pond Area, where about 6,000 acres were involved. Due to the professional skills of Chief Arthur Lamb and the men under his command, in conjunction with various ancillary apparatus from other communities losses were kept at a minimum and greater damage than that sustained was prevented. The wear and tear incident to catastrophes of this sort requires replacement of parts and machines. It is intended to plan for eventual additions and replacements to maintain the highest possible efficiency in time of need.

Board of Health: We have had mild epidemics of mumps and German measles which have been prevalent throughout the State. We are continuing prophylactic inoculations at our immunization clinics. The South St. dump has been remodeled into a satisfactory unit and has negated the need at present for any further facility.

We have issued a directive that all food handlers have chest X-rays every three years. New additions to the State Sanitary Code will require supervision of swimming pools and additional inspections of eating establishments.

The implementation of the Gas and Wire Inspection Code has added additional inspectors to the staff of the Commission. A full report will be available next year.

We wish to thank all members of the various divisions of the Safety Commission for their cooperation and attention to their various duties. We hope that a new fire substation will be built in Cedarville to give better pro-

tection to that area of Plymouth; we hope that plans will mature toward a new police station; we hope that all will maintain high morale and loyalty so that the citizens of Plymouth will in fact be insured and assured of their safety.

Peddlers' licenses issued — 12.

On October 1 and 2, 1964, the Massachusetts Weights and Measures Association held their sixty-ninth Annual Conference at White Cliffs of Plymouth.

This was the first time the conference was held in Plymouth, and many prominent National, State, and Municipal officials, as well as leading manufacturers of weighing and measuring devices were present and presented many interesting discourses.

Mr. William C. Hughes, Head Administrative Assistant, Division of Standards, gave an interesting address in which he pointed out that Weights & Measures had its inception in Plymouth 331 years ago, in the year 1633. It was in that year the Colony of Plymouth issued a

decree ordering that all weights & measures be submitted to the Constable of Plymouth to be adjusted and sealed.

The General Court passed an Act in 1964 (Re: Chapter 305) removing the responsibility of providing certain Weighing & Measuring devices from the Town Treasurer and making the Sealer the person responsible for their safekeeping.

TOTAL ACRES BURNED	6,082

Largest Fire, Reservation — White Island Pond Area
6,000 acres.

This fire was a particularly dangerous one resulting in tremendous wear and tear on both men and equipment. Approximately 500 people and 260 pieces of fire apparatus were involved. This proved to be an exceptional fire fighting effort. All personnel and towns responding with mutual aid are to be complimented for an outstanding professional job. No compliment is too great to be given the manpower of the Plymouth Fire Department who spearheaded every assignment with emphasis on the most difficult, to them my personal gratitude.

The COST of this fire is represented in cost of extinguishment and loss, totaling \$500,000.00.

In order to relieve the personnel and to provide an opportunity to restore apparatus to working order, in conjunction with the State Department of Conservation we brought equipment into the area for several days from Connecticut, Rhode Island, New York State, etc., under prearranged plans called the Compact This was the first time this application has been made since it was originated many years ago. Being a mutual-aid adjunct no cost was reflected to the Town of Plymouth.

Although many such towns and cities presented no bills in conjunction with this fire (in the interest of true mutual aid) and others did in the total amount of \$36,000.00. The cost to the Town of Plymouth is just under \$10,000.00.

A committee was formed of which I became chairman to seek re-imbursement from the State. After much handling and screening of bills, a bill was introduced to the legislature and we are happy to report that the bill passed the Committee of Ways and Means without opposition and appears to be well on its way to passage. When acted on favorably, the Town of Plymouth will be

re-imbursed the full costs reflected in the extinguishing of this fire.

The required actions of apparatus to control and extinguish fires of this type commensurate with the ages of most of our forest fire-fighting units shortens their life expectancy tremendously. A replacement program relative to these trucks is expected to receive favorable action by the Town in 1966. Any prolonged delay in providing new equipment of this type will find the forest fire department at serious disadvantage in the light of fires of serious proportions.

ANNUAL REPORT OF THE PLANNING BOARD

The activities of the Plymouth Planning Board for 1964 were conducted during the regular meetings held on the second and fourth Mondays of the month and during special meetings held throughout the year. In addition, the Planning Board Office at the Town Office Building was open for business between the hours of 9 A.M. and 12 Noon, Monday through Friday, under the direction of the secretary, Mary B. Searles.

At the Annual Town Election held on Saturday, March 7, 1964, Alfred Almeida was elected to the Board for a five-year term. David M. Crawley was re-elected Chairman and Edward Chase re-elected Clerk at the organization meeting held following the Town Election.

On February 24, 1964 Mr. A. Linwood Ellis, Jr., retired from the Board. He was elected a member of the Planning Board which organized on March 11, 1950 under improved Method of Municipal Planning, Chapter 41 — Section 81 A-Y of the General Laws; re-elected for a five-year term in 1954 and again in 1959. In 1946 Mr. Ellis was elected Chairman of the Special Survey and Coordinating Committee which compiled the Plymouth Compact of 1949. The members expressed appreciation in behalf of the Town for his many years of conscientious service.

During the year there was presented for approval under the Subdivision Control Law, a total of six plans for subdivision. Five of these with a total of 116 lots were approved and endorsed; action on one subdivision of 50 lots is pending. In addition, fifty-eight plans involving one hundred and thirty-eight lots were submitted under the classification "Approval Not Required" and were endorsed.

The Board received six requests for changes in the Town of Plymouth Zoning Map and, after appropriate

public hearings, voted to recommend two for Town Meeting action.

Mr. Alfred Almeida was appointed to the Capital Outlay Expenditures Committee as the representative from the Planning Board. The entire Board participated in Student Government Week.

The Plymouth Rock Area suitability-feasibility study by the Department of the Interior, which was initiated last year by the Planning Board, has been made and the report is expected in March of 1965. If favorable, this would place the area within the National Park Service for development and designation as a National Monument.

In addition to its regular business, the Planning Board has obtained a Planning Assistance Grant from the Federal Government for the preparation of a comprehensive plan for the Town of Plymouth. The Town's share of this participating grant was voted at the 1964 Town Meeting. The Planning Board has retained the services of Adams, Howard and Opperman, City Planning Consultants of Cambridge, Massachusetts, for this study, which will last eighteen months and be completed June 30, 1966.

Respectfully submitted,

DAVID M. CRAWLEY, Chairman
EDWARD CHASE, Clerk
WILFRED J. BROWN
RONALD A. FORTH
ALFRED ALMEIDA

REPORT OF THE DEVELOPMENT AND INDUSTRIAL COMMISSION

The Plymouth Development & Industrial Commission has worked steadily during the past year.

A total of eight (8) meetings were held during the year and on May 13, 1964, the Commission met with the Selectmen at their regular meeting to inform them of the Commission's plans for the ensuing year.

The most important forward move made by the Commission was at a meeting held on June 18, 1964, at which time the Commission voted unanimously to retain the services of Mr. William G. Haseltine, of Belmont, Mass., an Industrial Consultant. He has worked diligently with the Commission following all leads and inquiries made to the Commission by any and all parties.

Acting in the Commission's behalf, he has called on many prospects and others in Plymouth; made trips to Norwell, Mass., Middleboro, Mass., Claremont, N.H., New Bedford, Mass., Randolph, Mass., Rockland, Mass. and many trips to Boston and Cambridge, Mass. He has submitted eight (8) special reports written at the request of the Commission in addition to his regular written monthly reports and has been in attendance at all but one of the Commission's meetings.

By letter of May 7, 1964 from the Selectmen, the following members were appointed to the Commission:

William H. Barrett, term to expire May 1, 1969.

Charles F. Walker, term to expire May 1, 1965.

Vincent J. Nicoli, who was appointed to fill out the term left vacant by Mr. David Crawley.

In September, thirty-five (35) letters were sent to companies being forced to relocate due to N.A.S.A. inviting them to locate in Plymouth and offering them the full scope of the Commission's assistance.

Exclusive of Mr. Haseltine's follow-up of all leads and inquiries to the Commission, the Commission itself and its members individually have investigated many and all possibilities of bringing new and advantageous industries to the Town of Plymouth.

The Commission has met with and worked closely with the Plymouth Development & Industrial Corporation in order to find suitable land and buildings to offer new prospects.

The Commission has worked with the research staff of Boston University on an Area Development Monograph which has been issued as to the economic problems of Plymouth. This report supplied at no cost to the Town or Commission, would have run into several thousands of dollars. The valuable information and suggestions contained therein will serve as a basis for future plans.

Every member has a complete set of all reports of meetings and every confidential contact as well as a copy of regular consultants reports for the entire year.

With the cooperation of all agencies in the Town, the Commission is hopeful that the end result of its labors will prove fruitful in the near future.

Respectfully submitted,

MELVIN G. COOMBS, Chairman

ROBERT E. FORTINI, Vice-Chairman

and Secretary

REPORT OF THE PLYMOUTH HOUSING AUTHORITY

The Veterans' Housing Project at Olmstead Terrace and Standish Court, established and operating under Chapter 200, Act of 1948, continues to be fully occupied (40 units) and a waiting list of applicants is on file.

The property is in very good condition generally and it is hoped that additional curbing will be put in on Standish Court this spring.

The Housing for the Elderly at Castle Hill, established and operating under Chapter 667, Act of 1954, has been fully occupied (50 apartments) and a waiting list sufficiently long to fill a similar project is on file. This project is reputed to be one of the finest of its kind in the Commonwealth. It is the plan of the Authority, if the Town Meeting approves, to build, as soon as possible a similar project at another location to care for more of our elderly people of low income.

A study is being made by the Authority, as directed at the last Town Meeting, of the need for Federal Low-Income Housing. The findings of this study will be reported at the next Town Meeting.

In the Veterans' Housing Project the charges and revised limitations are as follows:

Minor Dependents	Admission Limits	Continued Occupancy Limit	Rent
One or less	\$4,800.00	\$5,500.00	18% of income
Two	5,000.00	5,700.00	16% of income
Three or more*	5,200.00	5,900.00	14% of income

*\$200 deduction from total income for each minor dependent child in excess of three.

In the Housing for the Elderly the charges and limitation are as follows:

Single Occupancy		Double Occupancy	
Admission limits	\$2,500.00	Admission limits	\$3,000.00
Charges	26.5%	Charges	28.5%

Rent, including all utilities, based upon per cent of income, with \$55.00 per month minimum.

Respectfully submitted,

THOMAS F. QUINN, Chairman

FERRIS C. WAITE, Executive Director

REPORT OF THE BOARD OF PUBLIC WELFARE

Many changes are taking place in the administration of the public assistance program. In order to meet the requirements of the federal agency, increasing emphasis is being placed on providing social services to recipients of public assistance. Caseloads carried by social workers have been reduced, and further reductions will be necessary. The State Department of Public Welfare is conducting training courses for certain workers in local agencies. These will continue and will probably be expanded.

The staff of the Board of Public Welfare consists of a Director of Public Assistance, five Social Workers, one Senior Clerk, two Junior Clerk-Typists, and two Junior Clerk-Stenographers. Two of the five Social Workers are assigned to family cases only. These are Aid to Families with Dependent Children cases and General Relief cases with children under eighteen. With more intensive case work services being required by the Federal and State Governments, administrative costs will, undoubtedly, continue to rise. The provision of these services requires smaller caseloads for Social Workers, more supervision, and results in an increased amount of clerical work. New caseload and supervisory standards have been established by the State Department of Public Welfare, and Boards of Public Welfare are required to take steps to progressively meet these requirements by July 1, 1967. Increased Federal participation in administrative costs will reduce the local and state share of the resulting increase in administrative costs.

The total cost of the public assistance program in Plymouth increased in 1964 by 4.9 per cent over 1963. This increase was due to increased administrative costs and to a rise in caseload in Aid to Families with Dependent Children and in Disability Assistance. Administra-

tive costs represented 6.3 per cent of the total expenditure.

The expenditure for salaries and other administration in 1964 amounted to \$57,398.85. Federal funds were used to pay \$30,622.33 of this amount, and \$26,776.32 was paid from the Town's appropriation. The State's share of this \$26,776.32 was \$12,151.71, leaving a net cost to the Town of \$14,624.81.

The expenditure for assistance in 1964 totaled \$851,596.61, of which \$389,652.46 was paid from Federal funds and \$461,944.15 was paid from the Town's appropriation. The State's share of this \$461,944.15 was \$274,376.62, leaving a net cost to the Town of \$187,567.53.

Old Age Assistance and Medical Assistance for the Aged, together, accounted for 61 per cent of the expenditure for assistance. Aid to Families with Dependent Children accounted for 22 per cent, Disability Assistance accounted for 11 per cent, and General Relief accounted for 6 per cent.

Medical costs for all categories of public assistance amounted to 41 per cent of the total expenditures for assistance or \$349,045.18. Of this amount, 47.8 per cent was spent for nursing home care, 20.3 per cent for hospital care, 16.5 per cent for drugs, 8.9 per cent for the services of physicians and surgeons, 3.7 per cent for dental care and 2.8 per cent for other medical care.

Respectfully submitted,

ANNUAL REPORT OF THE BOARD OF SELECTMEN

The year 1964 was one of change; and in some important areas one of progress. After a long period of preparation the Plymouth Redevelopment Resettlement Program in the Summer-High Street Area advanced to the stage in which the area was largely cleared and prepared for new construction in 1965. By this time next year the section of the town affected will bear an aspect almost unrecognizable compared to its appearance of only a few years ago. Some highways will be closed to motor traffic, and others changed in width, grade, etc. Elsewhere in the town a sewage disposal system is emerging from the planning stage; and a dredging project in the harbor involving several million dollars of Federal, State and local funds is contemplated for 1965.

While preparing for the large projects, the Selectmen have kept abreast of the smaller ones. In each section of the town streets have been resurfaced and repaired; and new and improved lighting installed in line with a program started a number of years ago. The long delayed surfacing of Sandwich Street was at last completed in what we believe to be a satisfactory manner. Shore protection work at Warren's Cove in 1964 is expected to be followed in 1965 by several projects of the sort which have been awaiting action by the State for several years.

In 1964 the town government saw notable changes in personnel. The Selectmen's Department was particularly affected. The retirement of Mrs. Mildred Fratus, our clerk, in the spring deprived us of the benefits of her long experience in the work of the Selectmen's office and her painstaking attendance to its infinite detail. This June, Elmer Chandler, Highway Superintendent for many years, retired, taking with him a fund of practical experience in highway construction and maintenance un-

matched in Plymouth County. In October, our Chairman, James T. Frazier, died suddenly while preparing to come to a meeting of our Board. His interest in the town, his familiarity with the problems of the Selectmen, and his willingness to devote his time and energy to the position of Chairman of our Board, provided a combination rarely if ever seen in one person.

While regretting the loss of so many experienced people, we shall do our best to continue the efficient operation of our department; and with the able assistance of our present Clerk, Mrs. Leona Asker, our Highway Superintendent, Mr. Ralph Bonna, and our newly-elected Selectman Mr. Dennis L. Collari, we hope to satisfy our fellow townspeople.

Respectfully submitted,
SUMNER A. CHAPMAN, JR., Chairman
FRANCIS P. SHEA
WILLIAM H. BARRETT
GEORGE E. RANDALL
DENNIS L. COLLARI

REPORT OF THE TREE WARDEN

During 1964 a program was carried out to plant and fertilize 120 new trees. Trees are not always replaced when old ones are removed unless the location is a good one. All dead trees were removed on the way-sides in the outlying districts of the town in cooperation with the District Foreman of the Plymouth Highway Department. The new truck purchased for the department has proven to be satisfactory.

Respectfully submitted,

ANNUAL REPORT OF THE CEMETERY COMMISSIONERS

To the Honorable Board of Selectmen:

In addition to the regular general care and maintenance of our several cemeteries we wish to call attention to the following:

At the Oak Grove and Vine Hills Cemeteries we have found it necessary to remove eight more trees—three due to Dutch Elm Disease and five to storm damage and deterioration. Once again we find ourselves using our money for removal of trees and not being able to take care of proper trimming. We still are experiencing vandalism and have had as many as ten stones pushed over at one time. The Police Department has been very cooperative and with the help of our own men feel that vandalism is kept at a minimum. We express our thanks to Chief Murphy and his department for patrol work done.

On Burial Hill we have continued the work of preserving the old stones by recutting the epitaphs on the original slate and then encasing the stone in granite. This cemetery suffers more vandalism in the form of damage to stones than any other. This may be due to its proximity to the center of the town. Visitors, as usual, increased this year. This year we added an aluminum plaque which is a map of this locality showing points of interest nearby and distances to some major cities. We found it necessary to remove two more of the large elms due to Dutch Elm Disease.

As planned, at the Chiltonville Cemetery, we have replaced the wooden picket fence with a chain link fence.

We have completed black-topping the road in the Manomet Cemetery which runs parallel to White Horse

Road. This completes topping of the most used roads in this cemetery.

We want to express our thanks to Daniel Holmes, Tree Warden, for the help and suggestions given us during the year.

Once again we have found it necessary to increase the prices of all services performed by the department. This is due strictly to increases in labor and material costs.

The Commissioners would like to express their thanks to all personnel in the department for a job well done in the maintenance and care of our cemeteries and other services performed.

The receipts and payments of the department are listed in Schedules "A" and "B" of the Town Accountant's Report.

Respectfully submitted,

F. WILLARD DITTMAR, Chairman

GEORGE E. RANDALL

JAMES A. WHITE

Board of Cemetery Commissioners

AUSTIN S. FRATUS

Superintendent

REPORT OF THE INSECT PEST CONTROL

The number of trees sampled for Dutch Elm Disease were 48 of which 7 were in the cemeteries. The usual spray program was carried out and I wish to thank the people of Plymouth for their cooperation in doing this program. Also I thank the Cemetery Commissioners for the use of their dump truck in disposing of the diseased wood. The new Mist Blower purchased in 1964 is proving to be very satisfactory.

Respectfully submitted,

DANIEL L. HOLMES,

Superintendent of Insect Pest Control

ANNUAL REPORT OF THE ZONING AGENT

To the Honorable Board of Selectmen:

The following is the annual report of the Zoning Agent for 1964:

- 1267 Calls made on Zoning and Planning Requirements
- 14 Inspectional Reports requested by the Selectmen
- 3 Zoning violations referred to the Board of Selectmen for enforcement
- 53 Referrals to the Zoning Board of Appeals for variances
- 224 Zoning complaints of violations investigated
- 224 Zoning complaints of violations corrected without court action

FENCE VIEWER AND FIELD DRIVER

- 6 Fence viewing investigations
- 3 Field driving investigations

Respectfully submitted,

ALBERT F. SAUNDERS

Zoning Agent

REPORT OF THE TOWN FOREST COMMITTEE

Firelanes were cleared of dead trees and trimming of trees was done. Due to the big forest fire we were not able to get trees to plant until this Fall. They were delivered then and planted. A large area of underbrush was cut and burned.

Respectfully submitted,

JAMES A. WHITE, Secretary

HAROLD G. ROBERTS

DANIEL L. HOLMES

Town Forest Committee

REPORT OF HARBOR MASTER

To the Honorable Board of Selectmen

The following is the annual report of your Harbor-master from January 1, 1964, through December 31, 1964.

There has been one party boat added to the current fleet of party boats in Plymouth Harbor. There are two excursion boats interested at the present time in excursions and regular boat trips, using Plymouth as a terminal.

Our fishing dragger fleet has increased again this year. These new boats are of a much greater length and size, which increases their capacity and ability to catch more fish and bring added revenue to the Town.

Due to the tremendous increase in the volume of fish landed at other ports, there has been a decrease in the prices paid for fish landed in Plymouth.

The party boats have enjoyed a very successful season with great expectations for another in 1965.

The recent bylaws passed at the 1963 Town Meeting were very successful and were obeyed by the majority of boating enthusiasts. There was only one violation which had to be taken to court, resulting in a judgment against the defendant. In my estimation, this establishes a precedent, and that these bylaws either will be obeyed or court action will be taken.

I am glad to report that the local lobster fleet has had a very successful season. The price of lobsters has been exceptionally high and the volume caught has increased over the past few years.

This year we have acquired two new floats of which the Town was in dire need both for safety reasons and for courtesy to the many small boats in the area.

We were honored to have the National Spearfishing

Championships held in Plymouth this past summer. A majority of the states were represented, and the U.S. Olympic Scuba Teams participated. Local and out-of-town organizations cooperated to make a very successful meet and put on a tremendous water and air show for the many thousands of spectators. This all-day event was accomplished without a single mishap, which I understand is quite unusual in this type of competition.

I would like to extend my sincere thanks to the Board of Selectmen for the help and encouragement given me during the past year.

Respectfully submitted,

ANGELO BRIGIDA, Harbormaster.

REPORT OF THE CONSERVATION COMMISSION

To the Honorable Board of Selectmen

Gentlemen:

The 1964 activities of the Conservation Commission were conducted during the regular meetings held on the second and fourth Mondays of each month throughout the year. Special meetings were held and field inspections were made.

This has been a very active year with special meetings being conducted during the summer because of the pond access program. A study report was completed on the access problem at Long Pond, and it is now apparent the Massachusetts Access Board will acquire land at the north end of the pond. Other access sites which are being studied are Hedge Road in North Plymouth, King's Pond, Cook's Pond and Boot Pond. Articles for Hedge Road and King's Pond access sites will be placed in the Town Warrant for the annual Town Meeting in March, 1965.

Plans are now in progress to save the town's marsh-

lands. The Salt Pond Marsh in Ellisville will receive top priority. We believe zoning the tide marshes will be the best way to save them and zoning by-laws will be proposed sometime in 1965.

The listing of the town's natural resources and Town-owned land has been started and we hope to have this information available to those interested.

During the coming year the Commission is planning to promote an educational program with news releases on conservation and its related value to the Town.

Respectfully submitted,

DONALD O. TRACY

OFFICE OF VETERANS' SERVICES

The Honorable Board of Selectmen

Plymouth, Massachusetts

Gentlemen:

In reviewing the work of the Department of Veterans' Services in 1964, several interesting facts arise.

Firstly, that part of the function as pertains to providing services continues to utilize the greatest amount of time. In the matter of obtaining pensions for Plymouth veterans and their dependent widows and children, the year of 1964 resulted in a 99 per cent increase of monies over 1963 directly returned to those eligible under the many different Veterans' Administration programs.

The twenty-nine major veterans' bills passed by the 88th Congress provided not only increased pension monies but also renews eligibility for certain disabled veterans in procurement of additional GI Insurance as well as providing free medicines to those most seriously disabled requiring "Aid and Attendance." Pensions processed by this office in 1963 and 1964 will result in a direct return of \$81,873.65 to the Plymouth veteran in 1965 and will continue for lifetime for these veterans and their dependents.

Secondly, in administering Veterans' Benefits (Soldiers and Sailors Relief), it is interesting to note that the increased expenditures of \$10,158 over 1963 was mainly necessitated in providing medical assistance to those eligible applicants indicating again that our veteran population is aging. A decrease in the number of persons receiving aid from 455 to 369 during the year is encouraging; although, literally there was an overall higher monthly average of three per cent in the case load indicating an increase in the permanent type of case and a decrease in the temporary. Having received the fullest of cooperation from the Massachusetts Rehabilitation Commission, the Massachusetts Employment Security Division, the Manpower Development Training Act and the Towns' Department Heads, we are able to report that 40 per cent of those persons receiving aid in 1963 did not apply in 1964.

It is to be noted that a large saving to the Town was the result of our close liaison with Administrators of the three major VA Hospitals, as well as the members of the local medical profession, in obtaining hospitalization for the veteran. Our local veterans utilized at least 650 days of VA Hospitalization which resulted in a saving to the Town of \$22,750. If the VA Hospital at Rutland and the U.S. Public Health Service Hospital at Brighton are closed, as presently ordered, we feel that the services

of the remaining VA Hospitals will be limited and the veteran will be forced to utilize other hospitals which will increase local assistance expenditures.

The Department fully appreciates the efforts of Senator Allen Jones and Representative John Armstrong in their continuing efforts to halt legislation which will, if enacted without additional state reimbursement, cause the costs of Veterans' Assistance in Plymouth to noticeably increase.

Our special thanks must go to the Board of Selectmen and other Town Officials, the Plymouth Community Nurse Association, the School Nurses, and to all of the Veterans' Organizations for ever being ready to help the veteran in any problem.

Respectfully submitted,

CHARLES C. HENDERSON

Director

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

In reporting on your Project's activities in 1964, I will briefly outline our efforts for the past year.

We are pleased with the results of our salt marsh efforts. Extensive reclaiming of miles of trenches was accomplished by our power unit and hand labor. There are still many more troublesome areas to open. Sewage deposits in our marsh areas are still a serious problem. Considerable upland work was also accomplished with our power unit.

Aerial spray activities are becoming extremely complex due to new regulations which bring to a minimum the application of DDT. Unlike the insecticides we are instructed to now use, DDT maintained a residue which could remain for several days. Also, a zero tolerance of

DDT in milk prohibits us from spraying any forage land or areas that might contaminate dairy products.

As in past years, our crews will hand-dust small breeding areas in the winter months. This work will be supplemented with aerial larvacide in larger swamp areas in early Spring. Our truck units carry on a weekly schedule of treatments to sewage areas, public recreation sites, dumps and catch basins. We find that a good portion of complaints received from home-owners are the result of water containers hatching larvae on their properties. Wading pools, children's toys, overflowing sewage, old tires, abandoned autos and clogged gutters, are a few of the important breeding sites of the culex mosquito.

As new homesites arise and vacation areas develop, our workload becomes increasingly greater. New highways are prone to interfere with waterways, and new developments are usually constructed in close proximity to breeding wet-lands.

The fine cooperation of your town officers and department heads has been most gratifying.

Respectfully submitted,

M. CURRIE BEATON, JR.

Superintendent

REPORT OF THE INLAND FISHERIES COMMITTEE

Report of Committee on Inland Fisheries

To the Honorable Board of Selectmen

Plymouth, Massachusetts

Gentlemen:

Your Committee wishes to report that the appropriation for the year 1964 was expended for rainbow trout, which were liberated in Little Pond at Morton Park in Plymouth.

The Committee received a letter from Lewis C. Schlotterbeck, District Wildlife Manager of the Division of Fisheries and Game. He suggested that rainbow trout averaging nine inches in length be purchased for liberation during the first part of May. We followed his recommendation and obtained the trout from the Plymouth Rock Trout Company, Nook Road, Plymouth, Massachusetts.

We request that the sum of three-hundred and five dollars (\$305.00) be appropriated for our use in 1965.

Respectfully submitted,

DONALD O. TRACY, Chairman

MARTIN B. PERSON, JR.

20 — buildings	9 — playgrounds	2 — campgrounds

Greatest Asset

Town Department Cooperation

The park department cannot help but recognize the new spirit of cooperation that has been or is being moulded between the various town departments. The town stands to benefit by this cooperation, regardless of the job, regardless of the conditions. This department has joined with the other town departments in giving aid to meet emergencies and obstacles and the Park Department is proud to be a member of this new Cooperative Utilities. Under such a fine spirit this department in its 1964 report lists such cooperation as the Town's greatest asset, now, and to the future.

Term Expires 1966

Mrs. A. Linwood Ellis, III

Mr. John A. Smith, Jr.

Mr. Donald J. Marten

Term Expires 1967

Mr. Edwin E. Calvin

Mrs. William Franks

Mr. Robert F. Blessington

At the annual meeting of February 24th, 1964, we tried an innovation. Guests were invited for coffee and a musical program, played by Mr. Henry Britten and the Old Colony Consort. Mr. Martin Person, Jr., headed the committee of arrangements. Fifty people attended. Voting members of the Library Corporation elected officers for the ensuing year and heard reports of committees.

The Art Committee, with Mrs. William Franks as Chairman, had a special loan exhibition in July of works borrowed from the Harriman Gallery of Boston. We are grateful to Plymouth people whose work has been exhibited during the other months. Much interest has been stimulated. For the first time, bad weather forced the annual "outdoor" show indoors. The occurrence was beneficial in this respect; the show was left hanging longer so that more people saw it.

Issuing phonograph records for home listening is a new service begun in October as the result of the gift

of the first one-hundred records. Our benefactor is Mrs. Theodore Steinway, who also is one of the advisors who assist the staff in selecting new recordings. Other donors are Miss Judith Serafini, Mr. Eric Engstrom, Mrs. William Sproles, Plimoth Plantation and Radio Station WBZ. The collection will be broad in scope to include, in addition to classical music, poetry readings, plays, musical comedies, ballads and popular songs, jazz, folk music, historical materials and literature for children. Borrowing is limited to adults.

The Library acknowledges gratefully the generous gifts to the book collection by many individuals, and memorial gifts donated by the Plymouth Garden Club and Plymouth Woman's Club. We also made purchases from the Lucia and Mary Bartlett Art Fund and the Alice Christian Christmas, Park, Parker, Feinberg, and Plimoth Academy funds.

Realizing how much the Library owes to benefactors since the founding in 1856, the Directors decided that an appropriate record should be published. Mrs. Edward Belcher was chairman of the committee to assemble the information which has been inscribed in a beautifully tooled red leather memorial volume. It is on display in a cabinet near the desk.

There is one personnel change to report: Mrs. Martha Seifert resigned from her position as part-time assistant on September 30th. The other members of the staff have carried on faithfully the regular activities.

REPORT OF THE TOWN ENGINEER

To the Honorable Board of Selectmen:

During 1964, layout plans were made for Seven Hills Rd., Reed Ave., Cape Cod Ave., a portion of Plymouth St., Hemlock St., Pine St., Spruce St., and an alteration at the corner of Water St. and South Park Ave. These layouts were accepted by the Town in 1964.

Layout plans were also made for King's Pond Plain Rd., Extension of Dwight Ave., Esta Rd. and Micajah Pond Rd., but these layouts were not accepted by the Town.

Construction plans and specifications were drawn for Samoset St. drainage, but the five bids received exceeded the available funds, so no work was done on this project.

Construction plans and specifications were drawn for Manomet Heights drainage, but no bids were received, so no work was done on this project.

A plan was made for a proposed water tank lot south of Carver Rd.

A survey was made of Town-owned land on Billington St.

A total of 98 permanent concrete bounds were set under the supervision of the Town Engineer as follows: Billington St., 8 bounds; Seven Hills Rd., 12 bounds; Carver Rd., 4 bounds; Cape Cod Ave., 8 bounds; Reed Ave., 5 bounds; Plymouth St., 2 bounds; Hemlock St., 11 bounds; Pine St., 24 bounds; Spruce St., 24 bounds.

Respectfully submitted,

EDWARD CHASE
Town Engineer

ANNUAL REPORT FOR 1964
PLYMOUTH REDEVELOPMENT AUTHORITY

The year of 1964 began with the execution of the Summer-High Street Project well ahead of schedule. The immediate concern of the Authority was the relocation of families and businesses in the Project Area. A new Relocation Officer, Mr. A. V. Battista, was added to the staff to aid in placing families in standard housing. The Authority at its annual meeting re-elected Clifford E. Sampson as its Chairman. In the March Town election Edward Maccaferri was voted to a 5-year term and Mahlon Walker to a two-year term by the Town voters.

The completion of engineering for site improvements became of considerable concern to the Authority as the year progressed. A contract had been signed with Whitman & Howard, Engineers, in July, 1963, with a completion date of March, 1964. The completed design and specifications were finally submitted to the Housing and Home Finance Agency in early December, 1964, for review. If approved, site improvements, including a new Market Street Bridge, widening of Summer Street, and some new sewer and water lines, should begin in early 1965.

Acquisition of 100 parcels of property was completed by eminent domain proceedings on November 6, 1963. There were twelve claims unsettled at close of 1964. Seven of these twelve former owners elected to receive pro tanto payments.

Demolition of vacated properties proceeded on schedule with 74 structures demolished of a total of 109 at the beginning of 1964. The Authority reports that proposals have been received to purchase and redevelop all land in the project that was offered to the public except two small residential parcels. This assures an early return of taxable property to the vacant land in

the project. Some new construction should start in the Spring of 1965.

The relocation of families is proceeding on schedule. The Authority has reduced an original workload of 90 families, 37 individuals and 26 businesses to that of 18 families, 4 individuals and 7 businesses by the end of 1964.

The total relocation payments amounted to \$41,188.00. This money comes from 100 per cent Federal funds.

Notice was received in December, 1964, of a recertification of the Workable Program for the Town to expire December 31, 1965. This permits Federal participation in local programs for 1965.

**ANNUAL REPORT OF THE
PLYMOUTH COMMUNITY NURSE ASSOCIATION**

To the Honorable Board of Selectmen

Town of Plymouth

The Annual Nursing Service Report of the Plymouth Community Nurse Association, from January 1, 1964 to December 31, 1964, is herewith submitted.

During the year, a total of 6,855 visits were made to patients in Plymouth and Kingston. Of this number, 1,184 visits were made on behalf of the Plymouth Health Department.

Eleven Chest X-ray Clinics were held at the Jordan Hospital, one of which was a make-up clinic to accommodate the many appointments that were due. A total of 467 persons were x-rayed and examined.

Ten Immunization clinics were held at the Town House. 726 DPT injections, vaccinations and polio vaccine drinks were given by Dr. Frank J. Abate, Board of Health physician, assisted by the P.C.N.A. nurses.

Three clinics, for polio drinks only, were held at the Town House in April, July and August. A total of sixty-one adults, infants and preschool children took advantage of these "extra" clinics.

Twenty-two Well Child Conferences were held during the year. A total of 524 infants and preschool children were seen and examined by Dr. C. James Gormley, our W.C.C. pediatrician.

In 1964, we commenced "EXPECTANT PARENT" classes, a new venture for our organization. Four classes were conducted in January and again in June, by Mrs. Virginia Ferris, R.N., of the P.C.N.A. staff.

In January, our agency conducted a series of Nutrition classes for Social and Public Health workers.

During the past year, we were fortunate to have students who are taking the Practical Nursing Course, at the Jordan Hospital, observe our work with us.

This organization takes a special interest in our Community. Our ultimate aim is to give our citizens in Plymouth and Kingston the finest home nursing service in the treatment and prevention of disease.

Respectfully submitted,

MARION A. HEDGE, R.N.

Supervisor

REPORT OF THE SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit the following report on the activities and accomplishments in the Highway and Sewer Departments, having succeeded Elmer C. Chandler, the previous Superintendent of Streets, from June 13, 1964 to December 31, 1964.

SEWERS

Approximately six miles of the main sewers were dragged in removing tree roots, debris and hard grease. Manholes were repaired and cleaned with new frames and covers replaced on several manholes. Twenty-eight house services and one commercial service have been added to the Main sewer system in the Town of Plymouth. House services are no longer cleared by the department, a ruling adopted by the Board of Selectmen on September 2, 1964. A licensed plumber must be called by the property owner to clear their own line from the cleanout to the main sewer. The main sewer on Westerly Road was extended north a distance of 32' of 36" clay pipe, Grandview Drive main sewer was extended a distance of 22' of 8" clay pipe and Coles Lane sewer was extended north a distance of 403' of 8" clay pipe with two manholes built. A new sewer line of 456' of 8" clay pipe was laid and two manholes built in the rear of the Memorial Building to Water St. This new line was installed to take care of sewerage from St. Peter's Parish House and the church Center.

The Westerly Road sewer line from Alden Street to Liberty Street was started in 1963 and completed this year with the laying of 2100' of 8" clay pipe and five manholes built. Westerly Road south to Alden Street Ext. started in 1963 was completed this year with 1030'

of 8" clay pipe laid and four manholes built. To rectify a water pollution on the town property at Dearn and McGrath's Restaurant, 205' of 4" cast iron pipe and one manhole was built and added to the present line of 65' of cast iron pipe. This work was done by contract with the help of the department.

STREET CLEANING

The Elgin motor pick-up sweeper cleaned two thousand and one hundred ninety seven curb miles from April 13, 1964 to November 13, 1964. The main street from Jabez Corner to Seaside Line was swept each day including the waterfront from Main Street Ext. to Town Wharf. The side streets in town and the north end are swept every other day. During the spring months the hand sweeping of the heavy winter sand was done.

ASPHALT SIDEWALKS

The maintenance and construction of asphalt sidewalks were completed on the following streets: Cherry St., Nelson St., Obery St., Standish Ave., Braunecker Road, Cooper St., Savery Lane, Davis St., Court St., Oak St., Castle St., Chilton St., and Newfield St. Approximately 275 tons of blacktop mix was laid out on these sidewalks. Necessary repairs were made on sidewalk surfaces where tree roots and stumps were removed by the Tree Department. I am planning an extensive asphalt sidewalk program in my 1965 budget providing funds are made available at Town Meeting.

DRAINS

A drain was installed on Marjorie St. and Alvin Road, a distance of 320' of 15" concrete pipe with three catchbasins built to take care of draining surface water on Marjorie St. The drainage at No. 37 Samoset St., was corrected by adding 72' of reinforced concrete pipe to the present drainage system with one catchbasin built to carry off surface water.

In the rear of the Brewster property on Samoset St., a V inlet one foot in thickness was made to hold debris from entering the brook. At the Bluebird Restaurant, 35' of 12" corrugated pipe with one catchbasin built was connected into the existing basin. The troublesome spots of basins received their regular cleaning and small repairs made on other catchbasins.

FENCES

The Reliable Fence Company of Norwell was awarded the bid for installing and according to specifications the following four foot chain link fences: Billington St., 600', Clifford Road, 275', Allerton St., 35', River St., 160', and Sagamore St., 90'. A total of 1160 feet installed for \$1820.00.

HY. CONSTR. AND RECONST.

The following streets were paved with a 2½" Type I mix over the old road surface consisting of a 1½" base and a 1" top: Summer St., Water St. Ext., Mt. Pleasant St., John Alden Road, Quaker Road, Charlemont Road, Abington Ave., Thomas Ave., Old Beach Road, Wellington Ave., Warrendale Road and Stephen's Lane. These two streets were resurfaced with a mixed-in-place top of gravel and asphalt 3" in thickness: Bourne Road, 9500' completed to Long Pond Road and Melix Ave., 1060;' completed from State Highway to Cape Cod Avenue.

CHAPTER 90 CONSTRUCTION

The State awarded to Balboni Brothers, local contractor, the contract for improving Sandwich Street from Cole's Lane to the By-Pass. Work completed included drainage, regrading road surface, road widened, curbing installed, aprons to driveways raised and approximately seventeen trees removed. The road received a penetration treatment and a base course of Type I laid with the top surface to be completed in the spring of 1965.

CHAPTER 90 MAINTENANCE

The State, County and Town share one-third of the cost on the following maintenance of streets in the amount of \$7500.00. A section of Federal Furnace Road was paved with Type I mix from the property of John Hanson to the Legion Camp. Court St., from Samoset St. to Plimoth Plaza was paved with Type I mix and both these jobs were done by Warren Brothers Roads Company. South Meadow Road received a seal coat of one-quarter gallon of asphalt per sq. yd. and covered with sand.

CHAPTER 782 Acts of 1962

The following was done with aid of funds provided by the State under Chapter 782 Acts of 1962 of the General Laws: Loaming, seeding slopes and using baled hay to prevent the washing of the bankings on Nook Road was accomplished. A four-foot blacktop sidewalk was laid on Nook Road on the south side from Sandwich St. to the school driveway with 2325' of berm. Drainage on Thrush Avenue included the laying of 800' of 12" plain concrete pipe and four catchbasins built and a new road surface. Westerly Road was paved from Liberty St. to Route No. 44. Projects to be included under these funds for 1965 are Olmsted Terrace and Lewis Street with a Type I pavement.

CONCRETE CURBING

A. G. Tarantino of Plymouth submitted the lowest bid for the construction of concrete curbing: Stafford St. and corner of Towns St., 204', Castle St., north side, 344' and Obery St., north side, 527' from Plymouth County driveway to school driveway. A 110' concrete retaining wall was built at the property of Mrs. Ingersoll on the Plymouth-Bourne line to prevent further washing of the banking which was undermining her chain link fence.

TRAFFIC AND STREET MARKING

Traffic lines were painted yellow and white this year conforming with the state traffic regulations. White crosswalks were painted in the spring and fall and repainted as needed. Requests for eight new crosswalks were painted out and one crosswalk relocated. Taxi stands and restricted areas were painted yellow. A new experience on plastic traffic markings was carried out this year on three intersections in town and this type of presslab marking has proven very satisfactory. The traffic department sign making machine has made and erected the following signs all conforming to State regulations: 12 school, 47 Stop, 70 Go Slow Children, 40 No Parking and 10 Thickly Settled Signs. It was necessary to replace many meter posts that were damaged by trucks and automobiles.

MISCELLANEOUS

Equipment purchased this year for the Highway Department includes a 1964 Ford Ranchero truck for the Superintendent of Streets, a 1964 3/4 ton Ford pick-up replaces the 1959 Chevrolet trade-in, a new Front End Loader with four-wheel drive replaces the 1954 loader turned in as part payment and a new truck-mounted automatic sandspreader.

Eel River and Bartlett Brook were cleared of sand and stones washed in from high tides of the northeast storms.

The work in the Manomet, Long Pond and Cedarville districts has been carried out satisfactorily by the three district foremen. The cutting and burning of brush, gravelling, widening of bad corners, snow and sanding, scraping of dirt roads and applications of calcium chloride to lay the dust, were all given proper attention.

The requests from the Selectmen's Office and other

town departments were taken care of as received at the office.

Newly accepted streets have been bounded by the Town Engineer with bounds made by the Highway Department.

Permits to dig up and open the grounds were issued to the local gas company, private contractors and telephone company, who properly guarded and lighted all excavations.

Lines and grades for street, drain and sewer work have been supplied by the Town Engineer, Edward Chase, and records of same filed at his office on Lincoln Street.

Respectfully submitted,

RALPH L. BONNA,
Supt. of Streets and Sewers

**ANNUAL REPORT OF
PLYMOUTH AIRPORT COMMISSION**

The annual report of the Plymouth Airport Commission is submitted herewith.

The airport register and records indicate a substantial increase in activities for the past year despite the unusual inclement weather conditions during the year.

Another nine aircraft were flown to Plymouth for permanent storage increasing the total to 40 aircraft based at facility.

Negotiations with a private contractor have been completed to construct a ten stall storage hangar at the airport. The necessary land will be leased to contractors and construction will commence in March 1965. This will increase the popularity of the field as inside storage has been inadequate in the past.

The maintenance operation at the field has experienced an increase in activities resulting in the need of another full-time mechanic. They are now occupying the new storage building which was completed this winter thereby increasing airport rental income.

Approval of the application for the much-needed crosswind runway, is anticipated in 1965 by State and Federal aviation agencies and construction should commence in late 1965 or early 1966.

Many improvements to the building and premises have been accomplished resulting in grade of excellent on the recent State and Federal aeronautics inspection.

The Airport Commission is very pleased and enthused with progress made at the airport facility.

J. J. PETRELL, Jr.
Chairman

LIST OF JURORS

Prepared by the Selectmen of Plymouth, Massachusetts,
for 1964-1965

— A —

Adams, Henry C., River Street, Unemployed, Former
occupation, Bricklayer, D. & M. Construction Co.,
Needham, Mass.

Anderson, George G., West Pond, Office Clerk, Plymouth
Cordage Co., Plymouth.

Anderson, Lester F., 11 Overlook Terrace, Master Plumb-
er, Plymouth Cordage Co., Plymouth.

Ashton, Thomas H., 95 Warren Avenue, Retired, Former
occupation, Vice-President, Bemis Bros., Bag Co.,
Minneapolis, Minnesota.

Atwood, Carleton S., 15 Mayflower Street, Shoe Clerk,
D. W. Besse, Plymouth.

Town of Plymouth
Report of Advisory and Finance Committee
on the
Articles in the Town Warrant

March 28, 1964

This year, the Town of Plymouth is definitely faced with an increase in the tax rate. How much of an increase depends upon the vote of the Town Meeting Members. The purpose of this report is not to make excuses for the increase in the tax rate, but rather to show the causes.

New State legislation which allows property owners over seventy years of age an exemption of up to \$4,000 in the total value of their taxable property, plus the taxes lost on Urban Renewal property will result in an estimated minimum increase of \$3.00 and an estimated maximum increase of \$5.00 in the tax rate.

The budget items for General Government (departmental budgets) will cost approximately \$3,270,996.28, which with credits deducted will leave a balance of \$2,044,360.82 and represent \$48.68 in the tax rate. Certain articles in the Town Warrant have been approved and if voted by Town Meeting Members will cost \$1,127,664.98 and account for \$26.82 in the tax rate. Any articles in the Warrant not voted "Favorable Action" by the Advisory and Finance Committee but which are voted favorably by Town Meeting Members from the floor will increase the tax rate proportionately.

As in the past, the obligation and duty of this Committee are to advise the Town Meeting Members on all articles in the Town Warrant. If the Town Meeting Members follow the advice and recommendations of this Committee the increase in the tax rate will be kept at

a minimum consistent with the needs of the Town. If they do not accept the advice of this Committee the tax rate of the Town could well exceed \$82.40.

We, the members of the Advisory and Finance Committee, wish to express our deep appreciation to the Town Officers, Commissioners, Department Heads, and clerks who have been so cooperative in the preparation of the many budgets and the warrant articles.

SUMMARY OF COMMITTEE RECOMMENDATIONS

Article 7	\$3,270,996.28
Special Articles	1,142,347.85
State and County Assessments (Net)	235,389.87
Overlay Deficit, 1959	1,572.00
Overlay Deficit, 1960	17.90
Overlay Estimate for 1964	150,000.00
<hr/>	
Total Recommended Expenditures	\$4,800,323.90
Estimated Receipts	\$1,333,391.58
Dog Tax	2,325.77
Excess and Deficiency (Free Cash) Art. 15, 99, and 100	258,000.00
Street Parking Meter Receipts (Article 7)	11,405.00
Memorial Bldg. Parking Lot Receipts — Article 7	800.00
Sale of Cemetery Lots & Graves Article 36	2,000.00
Chapter 822 funds	10,000.00
Transfer of Bartlett Road Water Construction Balance — Article 64	11,375.75
<hr/>	

Total from Sources other than Tax Levy \$1,629,298.10

Net to be Raised from Real and Personal \$3,171,025.80

Based on the 1963 valuation of \$41,825,425, this total will require a tax rate of approximately \$75.50.

An increase of \$1,000,000 in the valuation would reduce this tax rate by approximately \$1.75.

Each \$42,000 added to or subtracted from the net total above would increase or decrease the tax rate approximately \$1.00.

REPORT OF THE BOARD OF RETIREMENT

To the Citizens of the Town of Plymouth:

The Board of Retirement presents herewith its twenty-eighth report covering the activities of the Contributory Retirement System for the year 1964.

Chapter 738 of the Acts of 1964 amends Chapter 32, Section 4(2) (b) with regard to creditable service for reserve police officers and call firefighters.

Chapter 486 of the Acts of 1964 is an act increasing the pensions of certain former employees, who, in most cases, have not been eligible for previous increases voted under other special acts. If accepted in 1965, it will increase the pensions of only four present pensioners, three of whom have never had an increase since they retired.

With the loss of three non-contributory pensioners during 1964, there were, as of December 31, 1964, fourteen non-contributory pensioners and one beneficiary receiving retirement allowances from the Town.

One Hundred and Tenth Annual Report of the Water Commissioners and Superintendent

The Board of Water Commissioners submits the 110th annual report covering the calendar year of 1964.

The Commissioners extend the sympathy of the Department to Mr. Dan Mulcahy and his family for the long continuing illness that Dan has been going through for the past year and we all express the hope that he will make a speedy recovery.

On May 3, 1964, Joseph Vecchi retired at the age of 65. Joe worked faithfully and with credit to the Department for 23 years and at his retirement he held the position of Construction Leader.

The total rainfall during the year amounted to 41.81 inches, which is roughly 4 inches less than the long time annual average of 46 inches. At the end of the year the elevation of Little South Pond was 104.6 feet compared to 105.6 feet for the previous year. This drop in elevation can be attributed to the reduced rainfall for the year causing a severe drought during the summer which seriously affected all parts of eastern Massachusetts and which made it necessary for our pumping to exceed all previous records for quantity of water supplied to the Town. The pumpage for the year amounted to 649,294,200 gallons which exceeds the previous high that occurred in 1963 by 24,641,800 gallons.

Revenue for the year from sale of water, connections to mains, services rendered, etc., amounted to \$166,434.36 which exceeds that of any previous year.

Work on the two bond-issue projects; namely (1) the extension of mains in Manomet southerly along the State Road, plus the construction of a one-million gallon

steel storage tank on Indian Hill; and (2) the extension of new mains along Samoset Street, Seven Hills Road and Summer Street, plus the construction of a one-half million gallon steel storage tank on Motorcycle Hill, moved along without delays and by the end of the year both jobs were substantially complete. The fact that these two major projects were undertaken and completed in so short a time-period is a credit to all who were connected with the work.

On the Samoset Street, Seven Hills Road appropriation there were sufficient funds remaining after all committed and foreseeable costs were allowed for to extend the 12-inch main an additional 7000 feet in a westerly direction along Route 44, beyond the Seven Hills Road intersection.

The principal reason for the large remaining balance of money which permitted this 7000-foot extension, was due to the very favorable prices offered to the Town by vendors when bids were solicited for approximately 30,000 feet of pipe as one package and for the furnishing and erecting of two steel storage tanks, covered by one contract.

Urgent requests for Town water have continued to come before the Commissioners from inhabitants of certain areas of Manomet now served by a private water company. The Commissioners are continuing to work with the Selectmen and Town Counsel to find some means acceptable to all concerned wherein the Town will be able to provide water for these inhabitants who have previously assigned easements to the private water company, giving it the sole right to provide water to said inhabitants.

A considerable amount of work was completed during the year to improve the water flow in the canal connecting Little South and Great South Ponds. The

entrance and exit to the canal was excavated to a new width and depth with stone rip-rap installed on the banks of the canal to prevent caving-in and gradual filling of the passage.

Appropriations Requested for 1965

Maintenance and Labor	\$90,879.66
Salaries	34,399.00
Regular Construction	2,500.00
Trench Pump & Hose	900.00

Special Articles — 1965

1. Lay water mains in Brook Road, Manomet \$14,000.00
2. Lay water mains in Carver Road 19,000.00
3. Lay water mains in Sandwich Road 19,500.00
4. Lay water mains in South Meadow Road 17,000.00
5. Purchase new ½-ton pickup with utility body and trade in 1958 ½-ton pickup 1,900.00
6. Purchase new ½-ton pickup and trade in 1961 ½-ton pickup 1,333.49

SUMMARY OF STATISTICS

(Published by request of the New England Water Works Association, Plymouth, Mass., Water Works)

Population, 14,450. (Summer Population, 15,250 according to Selectmen's estimate.)

Date of Construction, 1855.

By whom owned, Town.

Source of supply, Great and Little South Ponds, Manomet Well and Lout Pond Well.

Mode of supply, Pumping.

PUMPING

Builders of Pumping Machinery, Fairbanks-Morse, Deming, Warren and Morris Electric.

Pumpage for the year:

Lout Pond Pumping (electric)	463,933,000 gals.
Lout Pond Deep Well (electric)	113,201,200 gals.
Manomet Deep Well (electric)	72,160,000 gals.

Total Pumping	649,294,200 gals.
---------------	-------------------

(Note: New High and Super High Service (electric) 48,105,600 gals. RE-PUMPED).

Average static head: 94.0 ft.
(Lout Pond)

Average dynamic head: 103.0 ft.
(Lout Pond)

Number K.W.H. consumed:

Lout Pond Station	307,680
Manomet Station	68,720

Total K.W.H. Pumping	376,400
Number K.W.H. (RE-PUMPING)	34,820

Total K.W.H. Consumption	411,220
--------------------------	---------

STATISTICS OF CONSUMPTION OF WATER

Population, 14,450. (Summer population, 15,250 according to Selectmen's Estimate).

Estimated Population on pipe line, 12,500.

Estimated Population Supplied, 12,500.

Total consumption for the year, 649,294,200 gals.

Average daily consumption, 1,778,888 gals.

Gallons per day to each inhabitant, 142.

Gallons per day to each tap, 345.

STATISTICS RELATING TO DISTRIBUTION SYSTEM

Kind of Pipe, Cement-lined sheet iron, cement-lined cast iron, and asbestos-cement.

Sizes, from 2-inch to 30-inch.

Extended, 32,620 feet.

Discontinued, 11,400 feet.

Total now in use, 98 miles, 3,272 feet.

Cost to repair per mile, \$43.90

Number of leaks per mile, 0.32.

Small distribution pipe less than 4-inch, 4 miles, 530 feet.

Hydrants now in use, 615 public and 79 private.

Stop gates added 53. Discontinued, 15. Number now in use, 1,380.

SERVICES

Kind of pipe, Lead, Cement-lined galvanized, and Copper tubing.

Sizes, From Three-quarter inch to six-inch.

Total now in use, 15 miles, 3,493 feet.

Service taps added, 79. Discontinued, 32.

Total now in use, 5,152.

Average length of service, 20 feet.

Average cost per service, \$84.40.

Meters added, 90.

Number now in use, 4,211.

Percentage of services metered, 81.7%.

ANNUAL REPORT OF THE SCHOOL COMMITTEE AND THE SUPERINTENDENT OF SCHOOLS

To the Residents of the Town of Plymouth:

I herewith submit my fifth annual report in cooperation with the Plymouth School Committee. This report also includes that of the Elementary Supervisor, and summaries from other departments that are important in the operation of our school system.

This year witnessed a new form of educational experience for our community on the adult level. In cooperation with the Division of Employment Service, the Plymouth School Committee has embarked upon three programs for the community:

A Cook's course, a Licensed Practical Nurse Program, and a Clerk-Typist refresher course.

These M.D.T.A. programs are supported by the Federal Government and administered through the Local

School Committee. There is no expense to the local community for sponsoring these programs.

Personnel

Mr. Alton S. Cavicchi completed his two-year term as President of the Massachusetts Association School Committees. The community can be justly proud of Mr. Cavicchi's successful service on the state level.

Mrs. Hazel Carmichael was appointed to the position of remedial reading teacher for the primary grades. Mrs. Carmichael brings to this position successful experience as a classroom teacher, and has furthered her studies in the field of reading at the Boston University Reading Clinic.

Guidance is becoming more of an important part of the total school program each year. Current research has indicated methods whereby young children with potential problems may be identified early in their school years. The need for a school adjustment counselor has been felt and it is hoped within a reasonable period of time one may be appointed to our staff.

The testing program has indicated that our students are at, or above, the national norms for their grade levels and subjects. The Town can be proud of the emphasis of the schools, which is stressing the performance of each individual student to correspond with his native ability.

Curricula

The Math Committee completed its study with the result that the Modern Math program offered by Silver Burdett was accepted. We were able to begin this program in grades 1, 2, and 3 and the present plan is to extend the program through grades 4-8 as of September 1965.

In addition, special arrangements in programming have allowed for greater flexibility in arranging instructional groups for modern mathematics in grade eight.

The extension of the Joplin Plan in Reading was established within grade lines, at third-grade level. At seventh-grade level improved refinement of reading groups was accomplished. After much study and consideration by principals, our Reading Consultant and other staff members, it was decided to raise the standards of achievement in reading for promotion in grades 1, 2, and 3 effective September, 1965.

Continued Television participation in various subject matter areas has done much to enrich the curriculum. A noted improvement of student preparation in French at Grade 7 is credited to these TV programs, and to Madame Moores, our part-time French teacher at Grades 4-6.

In the field of Social Studies, a committee has been established to review, study, and evaluate our present Social Studies curriculum grades 1-12 and to make any recommendations and suggestions if needed.

A committee of principals reviewed field trips and set up a schedule of required and optional trips at each grade level. The committee to study time allotments and to make recommendations has completed its study. This report is in the process of review and changes will be made where necessary.

Our usual testing program was carried out with Metropolitan Achievement Tests being administered in grades 1-6 in May 1964.

Metropolitan Readiness Tests were administered to grades one in September 1964.

At seventh-grade level the S.R.A. Achievement Battery was administered to all students in grade 7.

A committee was appointed to review and study our testing program with the result that the following recommendations were made:

- a) S.R.A. Achievement tests be administered to all pupils in grades 2 through 8 as of October, 1964.
- b) California tests of Mental Maturity be given in grades 1, 3, 5, and 7 in December of 1964. This, of course, is in addition to the regular Ginn Testing programs in Grades 1 to 3. Individual testing by the School Psychologist and guidance personnel augments our regular testing program. Additional educational services offered by our Department include:
 - (1) the services of a Remedial Reading teacher grades 1-6.
 - (2) the work of a Speech Therapist within all grades and at pre-school level.
 - (3) continued services of a Psychologist from the Judge Stone Clinic.
 - (4) a summer school whose program is both remedial and enriching.
 - (5) Audubon courses in grades five.
 - (6) increased library facilities and improved use of them.
 - (7) an attempt to help and educate pupils who are emotionally disturbed.

Many of our faculty members have attended various educational conferences throughout the area. These conferences and seminars help broaden the scope of the individual's outlook pertaining to his particular field.

We have continued to cooperate with local colleges and universities in accepting intern teachers in our system. This gives the administration an opportunity of selecting individuals for our staff as well as building good public relations with various institutions.

On the recommendation of a study committee, new

permanent record cards for grades 1-8 were adopted in September.

Recommendations

The elementary principals respectfully recommend that:

1. The possibility of a single session school day be investigated for all elementary schools.
2. The Town consider the establishment of public kindergartens.
3. Class enrollment not to exceed twenty-five pupils at all grade levels.
4. Released time for teachers be considered for:
 - a. In-Service Training.
 - b. Parent-Teacher Conference.
 - c. Curriculum study and revisions.
 - d. Test correcting and recording.
5. A class for the emotionally disturbed child be established.
6. Another special class.

School Plant Improvements

The following improvements were made in the schools during 1964:

Pointing, waterproofing, brick restoration at Cold Spring, Manomet and Mt. Pleasant Schools.

Converted two sanitariums to Janitors' rooms.

New floor in Domestic Science room at Intermediate School.

Replaced lettering on front of Intermediate School.

New refractory in boilers at Cold Spring and Hedge Schools.

Painted corridors at Manomet School.

Outside doors rebuilt at Cold Spring School.

Two bubblers and two lavatories installed at Hedge School.

Rebuilt steps at Mt. Pleasant School.

Guidance rooms improved at Intermediate School.

**ANNUAL REPORT OF
ORAL HYGIENE-DENTAL CLINICS**

January 1964 — December 1964

I herewith submit my report of the dental work for the year 1964:

On January 22, 1964 the School Dental Clinic located at the Gov. Bradford Building was moved to the former Health Office in the Nathaniel Morton Intermediate School. The Bradford Building Clinic has served the pupils in the Cornish-Burton School District since 1919.

2,956 pupils were examined in Elementary, Plymouth-Carver High School in the fall, and 1,477 (50%) were found to have all needed correction made at this time. Mouth Safety Protectors were fitted to the Senior High Varsity Team.

This year, due to the increase in enrollment, we have used a new dental examination card for Senior High pupils, which is merely a notice to parents of the need for dental work.

215 pre-school examinations were given in May and 138 children had visited their family dentist. This examination is important because of the contact made with the parent.

Percentage of Dental Corrections — Follow-up

Pupils examined grades 1-6, fall, 1963	1,437
Pupils with all necessary corrections made ..	715
Results of these examinations as of June, 1964.	

Pupils with Dental Certificates

Cold Spring School	65%
Hedge School	60%
Manomet School	65%
Mt. Pleasant School	76%
Nathaniel Morton School	61%
Oak Street School	89%

On the whole, dental health is improving each year. However, it must be reinforced by the parents in order to bring about the best results.

Oral Hygiene — Dental Hygienist

The dental program stresses prevention by following up the results of frequent examinations, and by instruction in the classroom.

“Healthy Teeth — A Happier School Child”

The A, B, C's of good dental health are:

- A. Avoid too many sweets.
- B. Brush your teeth correctly after eating.
- C. See your dentist regularly.

319 classroom talks were given in grades 1-6.

1,059 pupils had a dental Prophylaxis (cleaning of teeth) in grades 1-6, with instruction.

National Children's Dental Health Week was observed in the schools. (February 2-8).

Dental Clinic

Clinic sessions (reparative work and examinations)	77
Treatments	317
Completed cases	61
Amounts received for clinical services rendered..	\$118.70
Amounts received for sale of toothbrushes	71.27
Total	<hr/> \$189.97

We wish to thank all the people with whom we work for the fine cooperation given us.

More and more communities are legislating favorably the fluoridation of municipal water systems, and we most enthusiastically recommend to the voters to consider this matter seriously, as a means of preventing dental decay in the teeth of the school children.

School Dentists

WILLIAM O. DYER, D.M.D.

FRANCIS C. ORTOLANI,
D.M.D., F.A.C.D.

Respectfully submitted,

JANE B. BRADFORD

Dental Hygienist

REPORT OF THE MUSIC SUPERVISOR

With the appointment of a full-time music teacher for the Nathaniel Morton Intermediate School, I have been able to devote most of my time to the work in grades 1-5. This has enabled me to give the teachers more help in corrective work with children who do not readily learn to sing in tune. This help has been greatly needed, and is already showing results.

There are violin classes in grades 4 and 5 in all the elementary schools. Twenty-six children are enrolled in these classes. Hopefully many of those in school violin classes will eventually study with a private teacher, where much faster progress can be made than in a group with a limited amount of time at its disposal. However, the group has some advantages over private instruction. Children enjoy the group participation, learn from each other, and experience pre-orchestral training. I also have three violin classes and the orchestra at the Nathaniel Morton Intermediate School. Altogether there

are 22 violin players in these groups, making a total of 48 boys and girls who are studying violin in school classes, as well as a number of children who are studying with private violin teachers. We hope that by June all of these, including the beginners, will have had at least some orchestral experience.

The newest venture in our music program was carried on during the year by a fourth-grade teacher. Through her encouragement, each child in her class bought a symphonette, a very inexpensive woodwind type of instrument. As part of the regular music program she taught the children to play simple songs in the key of C. The results were excellent, both from the standpoint of enthusiasm and music learning. In May the class played for the PTA. Their program included several solos, and duets as well as 3- and 4-part rounds played by the entire class. They also gave a seminar type demonstration to the other fourth-grade teachers of Plymouth. I hope that eventually all the children in grade 4 will be privileged to participate in this type of activity, for it has proved not only beneficial to the singing program, but also a great impetus to the study of instruments.

With increasing attention at the elementary level to rhythmic development and individual help for those children who find difficulty learning to sing in tune, we hope that each year brings us a little nearer to that goal set so long ago by the Music Educators National Conference, *"Music for every Child: Every Child for Music."*

Respectfully submitted,

GRACE M. MESERVE

Music Supervisor

ELEMENTARY PHYSICAL EDUCATION REPORT

This year's program of physical education in the elementary schools has, for the most part, followed the same format as last years. The main goal of the program is the development of a sound and healthy body.

By creating certain standards of achievement it is the hope that the children will be motivated in the learning and building of skills. This can only be accomplished by the children themselves, and their willingness to practice the skills taught to them during their leisure time. In this way, the children will become "doers" rather than "watchers."

Some of the changes instituted in our program are as follows:

1. Those passing the physical fitness and skills test will be awarded certificates from the Amateur Athletic Union.
2. There will be an expanded and more varied program of team sports and team games.
3. Square dancing, stunts and tumbling and self testing activities have been emphasized in the winter program.
4. This spring, track and field events will be taught. This will consist of sprints, shot put, running, broad jump and high jump.

Respectfully submitted,

HAROLD PINSTEIN
Physical Education Instructor

SCHOOL COMMITTEE REPORT

The first year of operation for the High School was indeed successful. This attainment was only possible through the combined efforts of the entire staff of the District as well as the endeavors of the student body. The comprehensive high has become a reality for the two Towns.

Several minor problems still remain with us. The terazzo flooring has had considerable attention and it is believed before too long this will be resolved. A credit is being sought from the General Contractor because of the problems encountered.

A draft problem has been under study by the heating engineers and recommendations for corrections are expected shortly.

The grounds around the school are being reviewed. This spring and summer should see the area revitalized. We have installed the bleachers and plan to use our football field in the fall.

The District received its first transportation reimbursement which was applied against the proposed budget for 1965. This reflected a considerable credit, thus reducing the operating appropriation to the two Towns accordingly.

The areas of curricula development and extra curricula activity will be reviewed in more detail in the Report of the School Principal.

This year Mrs. Mary Gomes of Carver was welcomed to the Committee. Mr. Franklin Wilbur, who served on the Interim Regional Committee and the Regional Committee, did not seek re-election. A word of appreciation to Mr. Wilbur is in order for his untiring efforts in serving his community as a Committee member.

Many new staff members were added in September. It is interesting to note that of the fourteen new teachers, eight were experienced. A reasonable turn-over in staff is good for a school. We believe we were most fortunate in being able to attract these fine additions to our staff.

The enrollment has increased over the projected figures. An approximate 2 per cent growth was recorded for September.

An examination of lower grade enrollments indicates that within a year or two an addition will be necessary in order to meet the expected entering classes of three hundred freshmen, beginning in 1968.

Many fine programs are in the process of being developed which will assist our entire student population. Included in the planning is how the Economic Opportunity Act of 1964 can be implemented into our school.

Again, you are reminded that this is your school. When problems or questions arise call the school and avail yourself of the opportunity to discuss them with the teachers, guidance counselors, or the administration.

The School Committee wishes to express their appreciation for the support received from the citizens of the Towns: and we shall endeavor to continue to improve our educational offerings to meet the individual needs of all our students.

**ANNUAL REPORT OF THE
PRINCIPAL OF THE PLYMOUTH-CARVER HIGH SCHOOL**

The objectives set at the beginning of the 1963-1964 school year were as follows:

1. To meld students from Plymouth and Carver into a unified student body.
2. To know the students as individuals.
3. To develop a well coordinated, highly effective staff.
4. To develop wholesome student-staff relationships.
5. To utilize the facilities of the new school efficiently and extensively.

Measured by these objectives, the entire staff and the students feel that 1964 was a rewarding year; for all of the goals were realized, and some, with marked success. By January the total school program—educational, social, cultural, and athletic was well under way; and classes and individuals had begun to distinguish themselves in areas of their particular interest or aptitude.

Grades followed an interesting pattern; 8 per cent of the students made the honor roll, 10 per cent received failing grades, and the overall distribution was as follows:

A	B	C	D	F
8%	31%	40%	18%	3%

As measured by standardized tests, the students of Plymouth-Carver High School represent a normal population pattern. Twenty-five students were inducted into the National Honor Society; three students were National Merit finalists, and six students received letters of commendation for their achievement on the National Merit Qualifying Test.

Approximately 500 students participated in the inter-

scholastic athletic program, and 400 students participated in the intramural program. Boys' tennis and golf were added as school sports; and for the first time in many years, track and field events took place on home fields.

The social and cultural program involved many students and a multitude of activities: a play, a variety show, an operetta were the highlights; and there were also proms, dances, and concerts as well as visits to the opera and to the museums of art and science and assorted field trips. Students participated in a radio series on youth perspectives, and lectures on modes, manners, and morals were offered the girls as well as health assemblies on cancer and the danger of smoking and drinking.

In addition, through the excellent cooperation of the community service clubs, the students were able to take several vocational trips sponsored by the Kiwanis, a Student Government Week was sponsored by the Rotary Club and a cultural program featuring Rubinoff, the violinist, was sponsored by the Lions. Plymouth-Carver High School is indeed grateful to these groups and to all the local organizations that assist students and education in this manner.

School activities were vigorously promoted by the students; hardly a week went by that did not offer enriching extra-curricular experiences. When the final bell rang in June, a great deal had been accomplished. Some of the major highlights were the successes of the athletic teams in football, basketball, and golf; the great victory, of course, being the basketball team's winning the Class C title of the Eastern Massachusetts Schoolboy Tournament. In addition, there were other important achievements: The school newspaper *The Clarion* and the literary magazine *The Lit* were initiated, and *The Pilgrim*, the school's award-winning yearbook, was again successfully published; new organizations were formed and the

altruism of the students was clearly demonstrated by *Operation Africa*, a project to send Edward Karanja, a foreign student from Kenya, home to see his family whom he had not seen for over two years. Indeed, the first class to graduate from Plymouth-Carver High School left a legacy of outstanding achievement for succeeding classes to equal or to follow.

None of these activities could have been so successful without the inspiring leadership and dedication of the teaching staff, which more than fulfilled its responsibilities to the students, the school, the community, and to one another. The teachers deserve the highest praise for their efforts.

As in all human enterprises, there were problems and failures, as well as successes. New schools present many new problems, and Plymouth-Carver High School was no exception. A freshman class was added, and the curriculum previously oriented to the three-year high school concept required extensive revision; the teaching staff was expanded, and we faced a new way of life in our modern comprehensive high school. These changes offered many challenges, for new programs do not come into being without adjustments and growing pains, nor does experimentation take place without frustration and anxiety. However, even these experiences offered valuable learning opportunities.

One of our prime educational concerns, the drop-out rate remains fixed at 3 per cent; and while we feel some sense of achievement in having this low statistic, we cannot be complacent. We shall not be satisfied until the figure is lower or there are no drop-outs at all.

During the year there was a 20 per cent turnover in staff: Some teachers left to advance themselves, and others were not re-hired. Even though turnover places a

burden on the school, a certain amount is desirable; a school, however, must be continually alert to reasons for the turnover. If highly competent teachers are leaving regularly, school policies, salaries, and administration must be reassessed.

The principal objectives for the students during 1964-1965 included those of the preceding year and added the goal of developing greater school spirit. When the school door opened in September, pupil enrollment had increased to 1,104 students, and the faculty had added sixteen new teachers. The beginning of school, however, was much smoother than that of the previous year because only one class had to be oriented to the new building. What had taken four months to accomplish in the preceding year was accomplished in the first month of the 1964 school year. The principal objective set for the staff for 1964-1965 is the self-evaluation program, which consists of an investigation of the curriculum to consider its strengths, its weaknesses, and its direction—as well as to investigate the effectiveness of the implementation of the stated philosophy and objectives of Plymouth - Carver High School. This evaluation is no small undertaking, and it will require a minimum of fifteen months to accomplish. It is not an easy task or a pleasant task, and its success will depend upon the cooperation of the community, the students, and the teachers working toward the common goal of quality education for Plymouth-Carver High School.

Respectfully submitted,

JULIAN DEMEO, JR.
Principal

REPORT OF DIRECTOR OF GUIDANCE

After the start of the academic year 1964-1965, the Guidance Department welcomed one new member to Plymouth-Carver High School, Mr. Daniel Alvino filled the vacancy left by Mr. Joseph Jayko who resigned to attend an Institute for Advanced Counseling and Guidance at Boston University.

As has been our practice in the past, the counselors have continued their individual and group conferences with students, parents, teachers and representatives of colleges, referral agencies, etc. Mention should be made of the fact that the counselors confer with graduates as well as the aforementioned: more than fifty alumni sought our help in school and job placement last year.

Thanks to the continued support of the Kiwanis Club of Plymouth, we have been able to continue our visitations with groups of non-college-bound students. Last year's trips took our selected students to two different hairdressing schools, three technical schools (Wentworth Institute, Coyne Electric, and North Bennet Industrial School), the Burbank Hospital School of Nursing, and to Boston; at the New England Mutual Life Insurance Company and at the Jordan Marsh Company this group learned of opportunities in sales, clerical and office work, data processing and automation in particular.

In testing, we have added and revised tests to update the program at all levels, elementary, junior high, and senior high schools. In May, 1964 we participated in an Evaluation and Adjustment Series Research Program wherein we administered a mental ability test and an American History test to 300 juniors for the purpose of helping to standardize the latter test. With the addition of the School and College Ability Test (SCAT) we provided our sophomores with a long-range prediction of

performance on the Scholastic Aptitude Test (SAT) of the College Entrance Board Examinations.

An innovation last year was the publication of *The Guidance News Letter*, edited first by Mr. Jayko, and currently by Mr. Alvino. Through this medium, students and their parents have brought to their attention timely information about scholarships, post-secondary schools, career information, trends in employment, etc.

In the fall of 1964, the Guidance Department arranged two programs in the evening for students and their parents. Built on the theme, "After High School, What?" Part I encompassed "Post Secondary Schools and Colleges" with a panel of representatives from a liberal arts college (Harvard), a business college (Burdett), a junior college (Cape Cod Community College), a university (Northeastern), a state college (Bridgewater), and a technical school (Wentworth). The panel members gave descriptions of their respective schools' offerings, requirements, and then answered questions from the audience. Part II, "The World of Work," presented the following month, consisted of an introductory talk by a keynote speaker, after which students and parents, directed to various classrooms, heard representatives of the following fields and careers: automation and data processing, office work, beauty culture, engineering, auto mechanics, social work, forestry, building trades, nursing, airline stewardess and commercial art.

The percentage of our graduates planning post-secondary education continues to increase. Below are the statistics for the class of 1964:

FINAL PLANS, JUNE, 1964

Number in class	212
Number to graduate, June, 1964	209
Number of certificates, June, 1964	1
Number to receive diplomas in August, 1964 if approved course is completed	3*
Number of non-graduates	0

*(The certificate student is one of these)

Annual Town Meeting, March 27, 1965

The Meeting was called to order by the Moderator, Reubin M. Winokur at 2:10 o'clock P.M., being held in the Auditorium of the Plymouth-Carver Regional District School for the first time. Singing of the National Anthem and a salute to the flag was followed by an introduction by Dr. Samuel K. Stewart, Chairman of the Regional School Committee.

The invocation was given by Rabbi Edward Ellenbogen.

The number of Town Meeting Members present March 27th was 170, as reported by records of the checkers, Robert Marvelli and Arsene Strassel, 2nd. The Moderator declared a quorum present.

The Town Meeting Members were sworn to the faithful performance of their duties by the Town Clerk, Andrew J. Collas.

ARTICLE 2. To see if the Town will vote to authorize the broadcasting of the 1965 Town Meeting and appropriate \$400 for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the meeting so broadcast.

Broadcast Town Meeting — Approved.

Voted: That the Town authorize the broadcasting of the 1965 Town Meeting and raise and appropriate the sum of \$400, for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the Meeting so broadcast.

ARTICLE 3. To hear reports of the several boards of officers and committees of the Town and act thereon.

Voted: That the reports of the several boards of officers and committees of the Town be placed on file.

Manomet Elementary School Building Committee
Committee to Study the Feasibility of Construct-
ing a Fire Station in Cedarville
Committee to Up-Date By-Laws
Plymouth Harbor Committee

ARTICLE 4. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1966 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Temporary borrowing — Approved.

Voted: (Unanimously) That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1966, and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

ARTICLE 5. To see if the Town will vote to amend the Wage and Salary Classification By-Laws.

Wage and Salary By-law amendments — Approved.

Classification and Compensation Plans and Personnel By-Laws as shown on Pages 52 through 77 inclusive, of the Advisory and Finance Report.

Mr. Freeman moved that the Town amend the Wage and Salary Classification By-Law by deleting the present By-Law and substituting in place thereof the Classification and Compensation Plans and Personnel By-Law as shown on Pages 54 through 77 inclusive, of the Advisory and Finance Committee Report, retroactive to January 1, 1965 except that the deletions with respect to the Fire Captain performing

duties of Master Mechanic shall not be effective until April 1, 1965.

Dr. Hyman Duby moved to amend Article 5 by inserting after Schedule B-1 of the Personnel Board Wage and Salary Classification By-Law, Schedule B-1A as follows:

POLICE DEPARTMENT SALARY SCHEDULE B-1A					
	Minimum	II	III	IV	Maximum
PATROLMEN					
PD-1	\$5,200	\$5,400	\$5,600	\$5,800	\$6,000
SERGEANTS					
PD-3	6,123	6,340	6,566	6,793	7,019
CHIEF					
PD-5	7,256	7,524	7,592	8,070	8,348

The motion to amend was lost.

The original motion was put before the Meeting and was carried.

Monday, March 29, 1965. Dr. Hyman Duby moved that the Town reconsider Article 5. Voting by a show of hands, 100 in the affirmative, 48 in the negative, it was so voted.

Dr. Duby moved that the Town vote by ballot on Article 5. 79 voting in the affirmative, 69 in the negative, not being a two-thirds vote the motion was lost.

Mr. Armstrong moved that Dr. Duby's motion be amended at next Meeting, and the motion was carried.

Tuesday, March 30, 1965. Dr. Duby moved to amend Schedule A of the Personnel Board By-Law under Public Safety Group; Patrolman, delete P-1 and in place thereof, insert PD-1, Police Sergeant, delete P-3 and insert PD-3, and under Supervisory Group, Chief of Police, delete P-5 and insert PD-5. Amendment lost.

Mr. DeCost moved to amend the amendment of Dr. Duby's Schedule B-1A by substituting the following:

SCHEDULE B-1
ANNUAL SALARY SCHEDULE

Compensation Grade	Minimum	II	III	IV	Maximum
P-1	5,200	5,400	5,600	5,800	6,000
P-2	5,649	5,845	6,051	6,257	6,463
P-3	6,123	6,340	6,566	6,793	7,019
P-4	6,381	6,607	6,844	7,081	7,318
P-5	7,256	7,524	7,592	8,070	8,348

Amendment lost.

Mr. Whipple moved to amend Section 6 (a) of the Classification and Compensation Plan and Personnel By-Law by inserting "at least four months prior to the next regular town meeting and two weeks before a special town meeting."

Mr. George Randall moved to amend the Classification and Compensation Plan and Personnel Board Section 3 (a) by the following: two employees, who do not serve the Town in an elective capacity, to be appointed by the Board of Selectmen; one citizen of the Town, who does not serve the Town in either an appointive or elective capacity."

Both amendments were withdrawn before being put to a vote.

Mr. Freeman's original motion was put before the Meeting and was carried.

ARTICLE 6. To see what action the Town will take with regard to fixing the salaries of elected Town officers.

The Committee recommends that the salaries of elected town officers be set as of January 1, 1965 as follows:

Moderator	\$100.00
Chairman of Selectmen	1,500.00
Other Selectmen (each)	750.00
Chairman of Assessors	6,472.00
Other Assessors (each)	5,370.00
Town Clerk	3,063.00
Town Treasurer	3,063.00
Tree Warden	3,065.00
Collector of Taxes	5,550.00

Voted: That the salaries of Elected Town Officers be set, as of January 1, 1965, as follows:

Moderator	\$100.00
Chairman of Selectmen	1,500.00
Other Selectmen (each)	750.00
Chairman of Assessors	6,472.00
Other Assessors (each)	5,370.00
Town Treasurer	3,063.00
Town Clerk	3,063.00
Tree Warden	3,065.00
Collector of Taxes	5,555.00

ARTICLE 7. To provide for a reserve fund and to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the Town, including debt and interest, for the ensuing year.

†Rec. at Town Meeting.

Mr. Robert Bowler moved that all totals be read that were recommended by departments, but the motion was lost.

Voted: That the Town raise and appropriate the sum of \$4,114,915.09 to provide for a Reserve Fund and to defray the expenses of the Town and for other purposes as listed in the printed recommendations of the Advisory and Finance Committee of which amount \$6,015.00 shall be from Street Parking Meter Receipts: \$5,000.00 from Main Street Extension Parking Lot Meter Receipts; \$50.00 from Middle Street Parking Lot Receipts: \$700.00 from Memorial Building Park-

ing Lot Receipts; \$15,000 from Reserve Overlay; and the balance shall be from the tax levy of the current year.

TOTAL ARTICLE 7	\$4,114,915.09

ARTICLE 8. To take such action as the Town shall see fit in aid of the Plymouth Public Library, including the Loring Branch Library.

Plymouth Public Library — Approved \$63,231.00 less Library Aid and Dog Tax, \$6,191.31.

Voted: That the Town raise and appropriate the sum of \$63,231, including the Dog Tax of \$2,580.06 and the State Library Aid of \$3,611.25, in aid of the Plymouth Public Library, including the Loring Branch Library, of which appropriation \$47,785, shall be for salaries and \$15,446, for other expenses.

ARTICLE 9. To see what amount the Town will vote to raise and appropriate in aid of the Manomet Public Library.

Manomet Library — Approved \$2,741.

Voted: That the Town raise and appropriate the sum of \$2,777, in aid of the Manomet Public Library, of which appropriation \$902, shall be for salaries and \$1,875, for other expenses.

ARTICLE 10. To see if the Town will vote to raise and appropriate \$8,000, for nursing services by the Plymouth

Community Nurse Association Inc.; said appropriation to be expended under the direction of the Board of Selectmen.

Community Nurse Association — Approved.

Voted: That the Town raise and appropriate the sum of \$8,000, for nursing services by the Plymouth Community Nurse Association Inc.; said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 11. To see what amount the Town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a director in accordance with Chapter 319 of the Acts of 1957.

County Aid to Agriculture — Approved \$150.

Voted: That the Town raise and appropriate the sum of \$150, for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a Director for the term of one year.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum not exceeding \$20,000 for advertising the advantages of the Town and for providing amusements or entertainment of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

Municipal Advertising — Approved as amended.

Voted: That the Town raise and appropriate the sum of \$20,000, for advertising the advantages of the Town, including necessary expenses incurred outside the Commonwealth, but not to be used for providing amusements or entertainments of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 13. To see what amount the Town will vote to raise and appropriate to meet the payment of certain bills contracted prior to January 1, 1965, or take any action relative thereto.

Prior year's unpaid bills — Approved \$147.52.

Voted: (Unanimously) That the Town raise and appropriate the sum of \$147.52 to meet the payment of certain bills contracted prior to January 1, 1965.

Police Department	\$70.00
Fire Department	69.52
Public Assistance	8.00

ARTICLE 14. To see if the Town will vote to raise and appropriate \$2500, for Christmas lighting; said appropriation to be spent under the direction of the Board of Selectmen.

Christmas Lighting — Approved in the amount of \$2,250.

Voted: That the Town raise and appropriate the sum of \$2,250, for Christmas Lighting, said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 15. To see if the Town will vote to appropriate a sum of money for the Town's share of the cost of the federal project for improvement of Plymouth Harbor, including dredging and breakwater construction, and to determine whether the same shall be raised by taxation, by transfer from available funds, including the Stabilization Fund, by borrowing or by any combination of these methods; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for damages incurred hereunder, or take any other action relative thereto.

Plymouth Harbor Improvement — Approved. Town's share \$232,500.

Voted: (unanimously) That the Town be authorized to assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws in connection with the Federal project for improvement of Plymouth Harbor, including dredging and breakwater construction, and that the sum of \$232,500, be appropriated as the Town's share of the cost of such project and shall be paid over to the State Department of Public Works when required, and that to raise this amount the sum of \$107,500, be appropriated from available funds (Free Cash) and the Treasurer with the approval of the Selectmen be authorized to issue \$125,000,

bonds or notes of the Town under G.L. c.44 s.7 (17) as amended, for a term of five years.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$2,000, to be spent in conjunction with sums to be provided by the State or County or both, to be added to the appropriation already made, for the construction of a stone revetment and mat at Ellisville (Black Pond Area): the Town to assume liability as provided by Section 29, Chapter 91, of the General Laws, as amended, for all damages incurred hereunder.

Waterfront protection at Ellisville — Approved.

Voted: That the Town raise and appropriate the sum of \$1,000.00 to be spent in conjunction with sums to be provided by the State or County or both, to be added to the appropriation already made, for the construction of a stone revetment and mat at Ellisville (Black Pond Area); the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages incurred hereunder.

ARTICLE 17. To see if the Town will vote to raise and appropriate \$3,000, from available funds to be spent in conjunction with sums to be provided by the State or County, or both; to be added to the appropriation already made for the reconstruction of the sea wall in front of the bath house at Plymouth Beach; the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder.

Waterfront protection at Plymouth Beach — Approved.

Voted: That the Town raise and appropriate the sum of \$3,000, to be spent in conjunction with sums to be provided by the State or County or both; to be added to the appropriation already made for the reconstruction of the sea wall in front of the bath house at Plymouth Beach; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages incurred hereunder.

ARTICLE 18. To see if the Town will vote to rescind the action taken at the March 28, 1962 town meeting, article 66. and authorize the return of the abutters share of money.

**Rescinding of Waterfront protection, vote of 1962 —
Approved. Return to abutter \$2,031.25 and Return to Town,
E&D, \$2,031.25**

Voted: That the Town rescind the action taken at the March 28, 1962 Town Meeting under Article 66 and authorize the return of the abutter's share of money in the amount of \$2,031.25; and close out the Town's share in the amount of \$2,031.25 to Excess & Deficiency.

ARTICLE 19. To see if the Town will assume liability in the manner provided by Section 29, Chapter 91 of the General Laws as amended, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

**Liability for Damages, Dept. Public Works Project —
Approved.**

Voted: That the Town assume liability in the manner provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along a public beach in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

ARTICLE 20. To see if the Town will vote to raise and appropriate a sum of money to be added to the amount al-

ready appropriated for repairs to the sea wall on Water Street.

**Sea Wall at Water Street (additional funds) —
Approved conditionally.**

Voted: That the Town raise and appropriate the sum of \$5,000, to be added to the amount already appropriated under Article 28 of the 1964 Annual Town Meeting for repairs to the sea wall on Water Street.

ARTICLE 21. To see if the Town will vote to raise and appropriate \$4,600, for the purchase of a boat for the use of the Harbor Master and dispose of the present boat and motors now in use; said appropriation to be expended under the direction of the Selectmen.

Harbor Master boat replacement — Approved.

Voted: That the Town raise and appropriate the sum of \$4,600, for the purchase of a new boat for the Harbor Master, and to dispose of the boat now in use; said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the Treasury, a sum of money for Chapter 90 Highway Construction and/or Chapter 90 Maintenance, or take any action relative thereto.

Chapter 90 — Approved \$90,000. — Town's Share \$23,000.

Purpose	State Share	County Share	Town Share	TOTAL
Long Pond Road	\$22,000	\$11,000	\$11,000	\$44,000
Carver Road	20,000	10,000	10,000	40,000
Chapter 90				
Maintenance	2,000	2,000	2,000	6,000
	<hr/>	<hr/>	<hr/>	<hr/>
	\$44,000	\$23,000	\$23,000	\$90,000

Voted: That the Town raise and appropriate the sum of \$90,000, for Chapter 90 maintenance and construction, of which \$23,000, shall be from the tax levy of the current year to meet the Town's share; and \$67,000, from available funds as the State and County shares.

Purpose	State Share	County Share	Town Share	Total
Long Pond Road	\$22,000	\$11,000	\$11,000	\$44,000
Carver Road (Rte. 44)	20,000	10,000	10,000	40,000
Chapter 90 Maint.	2,000	2,000	2,000	6,000
	\$44,000	\$23,000	\$23,000	\$90,000

ARTICLE 23. To see what amount the Town will vote to raise and appropriate to pay land damages in connection with County layouts of Beaver Dam Road, Long Pond Road and Carver Road.

Land Damages, County layouts — Approved in the amount of \$1,702.80

Voted: (Unanimously) That the Town raise and appropriate the sum of \$1,702.80 to pay land damages in connection with County layouts of Beaver Dam Road, Long Pond Road and Carver Road.

ARTICLE 24. To see if the Town will vote to raise and appropriate \$4,600, for the purchase of one 1965 dump truck for the Highway Department and dispose of the 1956 International Dump truck now in use.

Highway Dept. dump truck replacement — Approved.

Voted: That the Town raise and appropriate the sum of \$4,600, for the purchase of one 1965 dump truck for the Highway Department and to dispose of the 1956 International dump truck now in use.

ARTICLE 25. To see if the Town will vote to raise and appropriate \$4,500, for the purchase of one 1965 dump truck with 4-yard body for the Highway Department and dispose of the 1957 Ford dump truck now in use.

Highway Dept. dump truck replacement — Disapproved.

To see if the Town will vote to raise and appropriate \$4,500, for the purchase of one 1965 dump truck with 4-yard body for the Highway Department and dispose of the 1957 Ford dump truck now in use.

No motion made under this Article.

ARTICLE 26. To see if the Town will vote to raise and appropriate \$3,260, for the purchase of one catch basin cleaning unit for the Highway Department.

Highway Dept. catch basin cleaning unit — Approved.

Voted: That the Town raise and appropriate the sum of \$3,260, for the purchase of one catch basin cleaning unit for the Highway Department.

ARTICLE 27. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Treasury, a sum of money for the permanent construction of Cliff Street including a sidewalk and a portion of Federal Furnace Road, or take any action relative thereto.

**Highway Construction, Chapter 822, Acts of 1963 — \$9848 —
all of which State will reimburse the Town.**

Voted: That the Town appropriate the sum of \$9,848; of which \$6,848, shall be for the permanent construction of Cliff Street including a sidewalk and \$3,000, shall be for construction of a portion of Federal Furnace Road, as approved by the Selectmen and the State Department of Public Works; and to meet said appropriation the sum of \$9,848, be transferred from the proceeds received from the State under the provisions of Chapter 822 of the Acts of 1963.

Articles 28, 29, 30, 31 and 33 to be taken up at the next adjourned meeting.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$741,368.96 as the Town's share of the annual maintenance and operating budget for the Plymouth-Carver Regional School District consisting of the capital costs assessment of \$134,131.90 and the operating costs assessment of \$607,237.06 which is in accordance with the provisions of Section 16B of Chapter 71 of the General Laws. Said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver.

**Plymouth-Carver Regional School Assessment —
Approved under Article 7.**

To see if the Town will vote to raise and appropriate the sum of \$741,368.96 as the Town's share of the annual maintenance and operating budget for the Plymouth-Carver Regional School District consisting of the capital costs assessment of \$134,131.90 and the operating costs assessment of \$607,237.06 which is in accordance with the provisions of Section 16B of Chapter 71 of the General Laws. Said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver.

No motion made under this Article.

ARTICLE 34. To see if the Town will vote to authorize the Water Commissioners to lay a ten-inch (10") water main in Sandwich Road beginning at the intersection of Sandwich Road and Clifford Road known as the Four Corners, thence running in an easterly and southerly direction for a distance of 3,100 feet approximately and set six (6) fire hydrants and make an appropriation of \$19,500, therefor.

Sandwich Road water construction — Disapproved.

Mr. Spencer Brewster moved that the Town authorize the Water Commissioners to lay a ten-inch (10") water main in Sandwich Road beginning at the intersection of Sandwich Road and Clifford Road, known as Four Corners, thence running southeasterly for a distance of approximately 3,100 feet, including six fire hydrants and appurtenances and make an appropriation of \$19,500, therefor. \$3,000 to be contributed by the abutters. Taken by a show of hands, 60 in the affirmative and 67 in the negative, the motion to amend was lost.

At 6:00 o'clock P.M. Mr. Philip Tinti moved to adjourn until 7:30 o'clock P.M., Monday, March 29, 1965, and it was so voted.

Adjourned Town Meeting, March 29, 1965

The meeting was called to order by the Moderator at 7:30 o'clock P.M. The number of Town Meeting Members present was 172 as per records of checkers, Robert Marvelli and Arsene Strassel, 2nd; the Moderator declared a quorum present.

Report of the Committee appointed by the Moderator in 1962 to look into the feasibility of establishing a playground in the Cedarville area, Article 36, was presented. Mr. Peter F. Costello, Chairman of this Committee, moved that the Cedarville Playground Committee be extended until the next Annual Town Meeting, and it was so voted.

Mr. Herbert Parkhurst moved that there be no time limit on speakers, but the motion was lost.

Mr. Peter Billey moved to reconsider Article 34 and it was so voted.

Article 34 continued

Mr. Billey moved that the Town authorize the Water Commissioners to lay a ten-inch (10") water main in Sandwich Road beginning at the intersection of Sandwich Road and Clifford Road known as the Four Corners, thence running southeasterly for a distance of approximately 3,100 feet including fire hydrants and appurtenances and make an appropriation of \$19,500 therefor and to meet this appropriation, by appropriating \$9,500 from Free Cash in the Town Treasury, and to authorize the Town Treasurer with the approval of the Selectmen, to borrow \$10,000 in accordance with the provisions of Chapter 44 of the General Laws, as amended.

Voting by a show of hands, 83 in the affirmative, 59 in the negative, not being a two-thirds vote, the motion was lost.

ARTICLE 28. To see if the Town will vote to accept Section 6H of Chapter 40 of the General Laws, an Act provid-

ing that a Town may make repairs on private ways which have been open to the public use for six years or more.

Acceptance of Chapter 40, Section 6H — Approved.

Mr. Freeman moved that a study committee of five (5) persons be appointed; two (2) of whom shall be appointed by and from the Board of Selectmen; two (2) by and from the Advisory and Finance Committee, and one (1) by and from the Planning Board; said committee to study the advisability of the Town's accepting permissive legislation Sections 6E through 6I of Chapter 40 of the General Laws and report its findings to the Board of Selectmen, the Advisory and Finance Committee and the Planning Board, not later than November 1, 1965.

Mr. Thomas Doherty moved that the Town vote to accept Section 6H of Chapter 40 of the General Laws, an Act providing that a Town may make repairs on private ways which have been open to the public use for six years or more, but the motion was lost.

The original motion was put before the Meeting and carried.

ARTICLE 29. To see if the Town will accept Section 6I of Chapter 40 of the General Laws, an Act providing that a Town may construct, reconstruct, resurface and repair any private way which has been used by the public for fifty years or more.

Acceptance of Chapter 40, Section 6I — Approved.

Mr. Freeman moved that a study committee of five (5) persons be appointed; two (2) of whom shall be appointed by and from the Board of Selectmen; two (2) by and from the Advisory and Finance Committee, and one (1) by and from the Planning Board; said committee to study the advisability of the Town's accepting permissive legislation Sections 6E through 6I of Chapter 40 of the General Laws and report its findings to the Board of Selectmen, the Advisory and Finance Committee and the Planning Board, not later than November 1, 1965.

Mr. Chapman moved to amend Mr. Freeman's motion by the following; That the Town accept Section 6I of Chapter 40 of the General Laws, an Act providing that a Town may construct, reconstruct, resurface and repair any private way which has been used by the public for fifty years or more. It was so voted.

ARTICLE 30. To see if the Town will vote to raise and appropriate \$3,166, for improvements to Black Cat Road.

Improvements to Black Cat Road — Approved.

Voted: That the Town raise and appropriate the sum of \$3,166 for improvements to Black Cat Road.

ARTICLE 31. To see if the Town will vote to raise and appropriate \$2,151, for improvements to Lake Drive.

Improvements to Lake Drive — Approved.

To see if the Town will vote to raise and appropriate \$2,151, for improvements to Lake Drive.

Town Meeting Members not accepting Article 28, automatically takes a no action on this Article.

Mr. Thomas Doherty moved to reconsider Article 28, but the motion was lost.

ARTICLE 33. To see if the Town will vote to create a special unpaid committee to be known as the Regional Vocational School District Planning Committee to consist of three members, including one member of the School Committee, all to be appointed by the Moderator which committee may join with a comparable committee or committees from one or more neighboring towns for the purpose of studying the advisability of establishing a Regional Vocational School District and make recommendations relative thereto, said committee to report not later than the next annual town meeting.

**Regional Vocational School District Planning Committee —
Recommendation to be made at Town Meeting.**

Voted: That the Town authorize the Moderator to appoint a committee of five persons, including one member of the Plymouth School Committee, to study the advisability

of establishing a regional or local vocational school this committee to meet with similar committees from one or more neighboring towns, the committee to include in its report, which is to be filed with the Town Clerk on or before December 1, 1965, estimates for constructing, maintaining and operating such a school, both on a regional and on a local basis.

ARTICLE 35. To see if the Town will vote to authorize the Water Commissioners to lay an eight-inch (8") water main in Brook Road, Manomet, beginning at the State Highway, Route 3A and running along Brook Road in a north-westerly direction for a distance of 1,800 feet approximately, to land of Kenneth Peck, and make an appropriation of \$14,000, therefor.

Brook Road water construction — Approved.

Mr. Freeman moved that no action be taken on Article 35.

Mr. Peter Billey moved that the Town authorize the Water Commissioners to lay an eight-inch (8") water main in Brook Road, Manomet, beginning at the State Highway, Route 3A, and running along Brook Road in a northerly and westerly direction for a distance of 1,800 feet approximately to land of Kenneth Peck and make an appropriation of \$14,000 therefor and to provide this money by appropriating \$4,000 from Free Cash in the Town Treasury and to authorize the Town Treasurer with the approval of the Selectmen, to borrow \$10,000 in accordance with the provisions of Chapter 44 of the General Laws, as amended. It was so voted, unanimously.

ARTICLE 36. To see if the Town will vote to authorize the Water Commissioners to lay a twelve-inch (12") water main in South Meadow Road beginning at the intersection of Federal Furnace Road and Seven Hills Road, thence running in a southerly direction for a distance of 2,000 feet approximately, and make an appropriation of \$17,000, therefor.

South Meadow Road water construction — Disapproved.

Mr. Peter Billey moved that the Town authorize the Water Commissioners to lay a twelve inch (12") water main in South Meadow Road, beginning at the intersection of Federal Furnace Road and Seven Hills Road, thence in a southerly direction for approximately 2,000 feet and make an appropriation of \$17,000 therefor, and to meet this appropriation, by appropriating \$7,000 from Free Cash in the Town Treasury and to authorize the Town Treasurer, with the approval of the Selectmen, to borrow \$10,000 in accordance with the provisions of Chapter 44 of the General Laws, as amended.

Voting by a show of hands, 89 in the affirmative, 43 in the negative, being a two-thirds vote, the motion was carried.

ARTICLE 37. To see if the Town will vote to authorize the Water Commissioners to lay an eight-inch (8") water main in Carver Road from Federal Furnace Road to Route 44 for a distance of 3,000 feet approximately and make an appropriation of \$19,000. therefor.

Carver Road water construction — Disapproved.

Mr. Peter Billey moved that the Town authorize the Water Commissioners to lay an eight-inch (8") water main in Carver Road, beginning at the intersection of Carver Road and Federal Furnace Road, thence westerly to Route 44 for a distance of approximately 3,000 feet, and make an appropriation of \$19,000 therefor, and to meet this appropriation by appropriating from Free Cash in the Town Treasury \$9,000 and to authorize the Town Treasurer, with the approval of the Selectmen, to borrow \$10,000 in accordance with the provisions of Chapter 44 of the General Laws, as amended.

Voting by a show of hands, 92 in the affirmative, 31 in the negative, being a two-thirds vote, the motion was carried.

ARTICLE 38. To see if the Town will vote to authorize the Water Commissioners to purchase a half-ton pick up

truck and dispose of the 1958 half-ton truck now in service and make an appropriation therefor.

Water Dept. 1/2-ton Pick-up truck replacement —
Approved, \$1,900.

Voted: That the Town raise and appropriate the sum of \$1,900, for the purchase of one half-ton pick-up truck with a utility body for the Water Department, and dispose of the 1958 International half-ton pick-up truck now in use; said appropriation to be expended under the direction of the Water Commissioners.

ARTICLE 39. To see if the Town will vote to authorize the Water Commissioners to purchase a half-ton pick up truck and dispose of the 1961 half-ton pick up truck now in service and make an appropriation therefor.

Water Dept. 1/2-ton Pick-up truck replacement —
Approved, \$1,333.49.

Voted: That the Town raise and appropriate the sum of \$1,333.49 for the purchase of one half-ton pick-up truck for the Water Department, and dispose of the 1961 Ford half-ton pick-up truck now in use; said appropriation to be expended under the direction of the Water Commissioners.

At 11:28 o'clock P.M., Mr. John Fillebrown moved to adjourn until 7:30 o'clock P.M. Tuesday, March 30, 1965, and it was so voted.

Adjourned Town Meeting, March 30, 1965

The Meeting was called to order by the Moderator at 7:30 o'clock P.M. The number of Town Meeting Members present was 164, as per records of checkers, Robert Marvelli and Arsene Strassel, 2nd. The Moderator declared a quorum present.

ARTICLE 40. For water service for Manomet Beach Boulevard by the Town of Plymouth. With town water mains having been recently installed on the main road passing this

development, we feel this service should be made available to this area.

By petition: Lucien J. Rheaume, et al

**Manomet Beach Boulevard water construction —
Disapproved.**

Mr. Benjamin Brewster moved that the Town direct the Moderator to appoint a committee of five consisting of one member from the Water Commission, one member from the legal profession, one member from the Accounting profession and two members from the area served by the Aqua Corporation to investigate the service provided by said corporation and to determine what action must be taken to permit the Town to furnish the inhabitants of the Colony Beach area and Manomet Beach Shores area with Town Water and to report their findings to the Town at the next annual Town Meeting. The motion was carried.

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip 4 cars for the Police Department, and trade in three 1964 and one 1963 Ford cruiser ambulances.

Replace 4 Police cars — Approved \$7,063.60.

Voted: That the Town raise and appropriate the sum of \$7,063.60 to purchase and equip four (4) automobiles for the Police Department and trade in three (3) 1964 and one (1) 1963 Ford cruiser ambulances now in use; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 42. To see if the Town will vote to raise and appropriate \$6,000, to purchase a new engine for Ladder No. 2 of the Fire Department.

New engine for Ladder #2 truck, Fire Dept. — Approved.

Voted: That the Town raise and appropriate the sum of \$6,000, for the purchase of a new engine for Ladder No. 2 of the Fire Department; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 43. To see if the Town will vote to raise and appropriate \$1,225, to purchase and equip a boat, trailer and

motor for the Fire Department and trade in one Johnson motor.

Fire boat, trailer and motor replacement — Approved.

Voted: That the Town raise and appropriate the sum of \$1,225, to purchase and equip a boat, trailer and motor for the Fire Department and trade in one Johnson motor now in use; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 44. To see if the Town will vote to accept Section 57D of Chapter 48 of the General Laws, "An Act Providing Fire Fighters in Certain Cities and Towns an Additional Day's Pay or Day Off When They are Required to Work on Certain Legal Holidays."

Acceptance Chapter 48, Section 57D — Approved.

Voted: That the Town accept Section 57D of Chapter 48 of the General Laws, "An Act Providing Fire Fighters in Certain Cities and Towns an Additional Day's Pay or Day Off When They are Required to Work on Certain Legal Holidays."

ARTICLE 45. To see if the Town will accept the following act: Chapter 520 of the Acts of 1962, An Act Establishing a Minimum Annual Compensation for the Firefighters in Certain Cities and Towns.

By petition: Lawrence W. Sawyer, et al

Acceptance Chapter 520, Acts of 1962 — Disapproved.

No action taken on Article 45.

ARTICLE 46. To see if the Town will vote to amend the Plumbing By-Laws on any or all of the items presently filed in the Office of the Commissioners of Public Safety.

Amend Plumbing Bylaws — Approved.

To see what action the Town will take to Amend the Plumbing By-Laws on any or all of the following items:

Item 1

By striking out the wording under Article 4d and inserting the following in place thereof: A plumber's license shall not be required to obtain a permit for the installation of, or to construct cesspools or septic tanks.

The minimum distance between a water supply well and a septic tank, cesspool, or other disposal area shall be fifty feet. The distance shall be increased when required by the Administrative Authority, when conditions warrant, for the protection of potable water supply.

Item 2

By striking out the last two sentences under Article 5a and inserting the following: Cast iron pipe shall be Extra Heavy and in establishments where fixtures receive corrosive liquids, the waste and vent pipes, traps, and fittings serving these fixtures, shall be of approved acid resisting materials made for the purpose. So-called acid resisting hub and spigot cast-metal pipe, having the same dimensions as extra heavy cast iron hub and spigot pipe, shall be used for such purposes. Vent pipes shall be of a like material to a point not less than 5 feet above the highest fixture, and galvanized iron pipe shall not be used in any part of the vent system for said fixtures.

The building (house) sewer* shall be of Extra Heavy or Service Weight Cast Iron Pipe with lead joints unless otherwise permitted by the Superintendent of Sewers and the Plumbing Inspectors.

By striking out the last item in the pipe size schedule under Article 5i which reads "Soil pipe 4" and insert the following: "Soil Pipe, other than certain vertical stacks, 4".

To strike out the wording under Article 5L and insert the following in place thereof:

All branches of soil or waste pipe of twenty feet or more in length (except permissible 3" stacks) shall be continued at full size through the roof, or connected with the main soil pipe at a point above the highest fixture in the building.

By striking out the first five items in unit value and trap size schedule under Article 5n and insert the following:

	Trap Size	Unit Value
Bathroom group (1 water closet, 1 lavatory, 1 bath tub)		9
Lavatory	1½	1
Shower Stall	1½	2
Water Closet		6

To remove items of lines 4 and 5 from Fixture Unit for pipe size schedule under Article 5n and insert in place thereof the following: 3 inch under the heading Pipe Size, the figure 21 under the heading Drains, and the figure 27 under the heading Stacks.

To remove the wording under Article 5n Maximum Number of Fixture Unit for pipe size shedule which reads "Water closets require a 4" soil pipe" and insert the following in place thereof:

A 3" soil or waste stack** shall be sufficient for not more than two bathtubs, 2 water closets, 2 lavatories, and 2 sinks and tray combinations, provided that all fixtures are vented except those entering the soil or waste stack at the highest point on said pipe, that said stack shall connect into not less than a 4" soil or waste pipe, and increased to 4" before passing through the roof. Water closet requires a 3" minimum pipe size. Any combination of fixtures contained in the unit schedule not exceeding 22 units may be used on a 3" soil or waste stack.

Definitions:

*Page 1 — Building (House) Sewer is the extension from the Building Drain to the Street Sewer or other place of disposal.

**Page 2 — Stack is a general term for the vertical main of a system of soil, waste, or vent piping.

Item 3

To amend by adding to the last sentence under Article 11a "or other method of ventilation described in Article 11b."

To amend by striking out the first sentence and the first word of the second sentence under Article 11b.

Item 4

To amend Article 12a by inserting after the last sentence the following: Copper piping for general plumbing purposes shall be Type K or L, with underground piping Type K, and installed so that identification markings by the manufacturer can be readily observed at time of inspection.

Plastic piping shall be rated and marked by the manufacturer for a minimum of 100 lb. working pressure, bearing the manufacturer's name or registered trade mark, the Seal of Approval of the National Sanitation Foundation Testing Laboratory (NSF), or other approved testing laboratories acceptable to the Public Safety Commission. Plastic pipe carrying water under pressure from a cold water supply tank or public water supply shall not be used inside the building, but shall terminate at a point not less than 10' from the foundation line, unless deviation is allowed by the Plumbing Inspector (when conditions permit). Plastic fittings shall also bear the pertinent information required for piping and shall be subject to the approval of the Plumbing Inspector, or if a public water supply may be approved by the Water Department. Only water should be used to lubricate the pipe and fittings which are to be joined. The use of pipe dope, oil, detergents, or other chemicals is prohibited.

Plastic piping shall be snaked in the bottom of the trench to allow for expansion and contraction of 1" per 100' of pipe for each 10°F change in Temperature.

Item 5

To strike out Articles 17c, d, and e and insert the following under Article 17c "gas water heater installations in addition to compliance with these By-Laws shall also conform to Massachusetts Code for Installation of Gas Appliances and Gas Piping established under Acts and Resolves of 1960 Chapter 737, as amended."

Item 6

To delete wording under paragraph Administration (c) and insert the following: c. The invalidity of any section or provision of this by-law, including amendments thereto shall not invalidate any other section, amendment or provision thereof.

Voted: That the Town amend the Plumbing By-Laws by adopting the items shown in the printed report of the Advisory and Finance Committee on Pages 38 to 41, inclusive. Per attached from report.

To see what action the Town will take to Amend the Plumbing By-Laws on any or all of the following items:

Item 1.

By striking out the wording under Article 4d and inserting the following in place thereof: A plumber's license shall not be required to obtain a permit for the installation of, or to construct cesspools or septic tanks.

The minimum distance between a water supply well and a septic tank, cesspool, or other disposal area shall be fifty feet. The distance shall be increased when required by the Administrative Authority, when conditions warrant, for the protection of potable water supply.

Item 2.

By striking out the last two sentences under Article 5a and inserting the following: Cast iron pipe shall be Extra Heavy and in establishments where fixtures receive corrosive liquids, the waste and vent pipes, traps, and fittings serving these fixtures, shall be of approved acid resisting materials made for the purpose. So-called acid resisting hub and spigot cast-metal pipe, having the same dimensions as extra heavy cast iron hub and spigot pipe, shall be used for

such purposes. Vent pipes shall be of a like material to a point not less than 5 feet above the highest fixture, and galvanized iron pipe shall not be used in any part of the vent system for said fixtures.

The building (house) sewer* shall be of Extra Heavy or Service Weight Cast Iron Pipe with lead joints unless otherwise permitted by the Superintendent of Sewers and the Plumbing Inspectors.

By striking out the last item in the pipe size schedule under Article 5i which reads "Soil pipe 4" "and insert the following "soil Pipe, other than certain vertical stacks, 4"."

To strike out the wording under Article 5L and insert the following in place thereof:

All branches of soil or waste pipe of twenty feet or more in length (except permissible 3" stacks) shall be continued at full size through the roof, or connected with the main soil pipe at a point above the highest fixture in the building.

By striking out the first five items in unit value and trap size schedule under Article 5n and insert the following:

	Trap Size	Unit Value
Bathroom group (1 water closet, 1 lavatory, 1 bath tub)		9
Lavatory	1½	1
Shower Stall	1½	2
Water Closet		6

To remove items of lines 4 and 5 from Fixture Unit for pipe size schedule under Article 5n and insert in place thereof the following: 3-inch under the heading Pipe Size, the figure 21 under the heading Drains, and the figure 27 under the heading Stacks.

To remove the wording under Article 5n Maximum Number of Fixture Unit for pipe size schedule which reads "Water closets require a 4" soil pipe" and insert the following in place thereof:

A 3" soil or waste stack** shall be sufficient for not more than two bathtubs, 2 water closets, 2 lavatories, and 2 sinks and tray combinations, provided that all fixtures are vented except those entering the soil or waste stack at the highest point on said pipe, that said stack shall connect into not less than a 4" soil or waste pipe, and increased to 4" before passing through the roof. Water closet requires a 3" minimum pipe size. Any combination of fixtures contained in the unit schedule not exceeding 22 units may be used on a 3" soil or waste stack.

Definitions:

*Page 1 — Building (House) Sewer is the extension from the Building Drain to the Street Sewer or other place of disposal.

**Page 2 — Stack is a general term for the vertical main of a system of soil, waste, or vent piping.

Item 3.

To amend by adding to the last sentence under Article 11a "or other method of ventilation described in Article 11b."

To amend by striking out the first sentence and the first word of the second sentence under Article 11b.

Item 4.

To amend Article 12a by inserting after the last sentence the following: Copper piping for general plumbing purposes shall be Type K or L, with underground piping Type K, and installed so that identification markings by the manufacturer can be readily observed at time of inspection.

Plastic piping shall be rated and marked by the manufacturer for a minimum of 100-pound working pressure, bearing the manufacturer's name or registered trade mark, the Seal of Approval of the National Sanitation Foundation Testing Laboratory (NSF), or other approved testing laboratories acceptable to the Public Safety Commission. Plastic pipe carrying water under pressure from a cold water supply tank or public water supply shall not be used inside the

building, but shall terminate at a point not less than 10" from the foundation line, unless deviation is allowed by the Plumbing Inspector (when conditions permit). Plastic fittings shall also bear the pertinent information required for piping and shall be subject to the approval of the Plumbing Inspector, or if a public water supply may be approved by the Water Department. Only water should be used to lubricate the pipe and fittings which are to be joined. The use of pipe dope, oil, detergents, or other chemicals is prohibited.

Plastic piping shall be snaked in the bottom of the trench to allow for expansion and contraction of 1" per 100' of pipe for each 10° F change in Temperature.

Item 5.

To strike out Articles 17c, d, and e and insert the following under Article 17c "gas water heater installations in addition to compliance with these By-Laws shall also conform to Massachusetts Code for Installation of Gas Appliances and Gas Piping established under Acts and Resolves of 1960 Chapter 737, as amended.

Item 6.

To delete wording under paragraph Administration (c) and insert the following: c. The invalidity of any section or provision of this by-law, including amendments thereto shall not invalidate any other section, amendment or provision thereof.

Mr. William Armstrong moved to amend Article 46 by the following and it was so voted:

Item 1. First paragraph; after the words cesspools or septic tanks, add the words, "or the installation of drain piping" to same.

Item 2. First paragraph; after the words "cast iron pipe shall be" add the words "Service Weight or Extra Heavy."

Item 2. Second paragraph; change to read,

“The building (house) sewer shall be Service Weight or Extra Heavy Cast Iron Pipe or Asbestos Cement Building Sewer Pipe conforming to Federal Specifications SS-P-33 L.B.

Item 2. Fifth paragraph; after the words “(except permissible 3” stacks)” delete the words “shall be continued at full size through the roof.”

Item 4. First paragraph; after the last sentence add the following: “Where used for drainage, waste and vent purposes, Type D. W. V. weight may be used.

Item 2. Last paragraph; delete the words, “and increased to 4” before passing through the roof.

ARTICLE 47. To see if the Town will vote to raise and appropriate \$4,079, for the purchase of one 1965 truck for the Moth Department and dispose of the 1953 Chevrolet truck now in use.

Tree (Moth) Dept. truck replacement — Disapproved.

No action taken on Article 47.

ARTICLE 48. To see if the Town will vote to raise and appropriate \$14,335, for the purchase of an addressograph printer and graphotype for the use of the departments of the Town Clerk-Treasurer; Board of Public Welfare and the Assessors; said machine to be under the jurisdiction of the Assessors' Department.

**Addressograph printer and graphotype replacement —
Approved, \$10,903.70.**

Voted: That the Town raise and appropriate the sum of \$10,853.70 for the purchase of one new addressograph printer and graphotype complete with supply items for the use of the departments of Town-Clerk-Treasurer, Assessors, and Welfare; the cost to be shared by the departments as follows: Assessors, \$7,449.69; Treasurer, \$1,729.00; and Welfare, \$1,675.01, which last amount will be reimbursed in part by

State and Federal contributions totaling \$1,122.26; said machine to be under the jurisdiction of the Assessors' Department; and to trade in one 23-year old machine now in use.

ARTICLE 49. To see if the Town will vote to appropriate from the Sale of Cemetery Lots and Graves Fund \$3,000, to be expended by the Board of Cemetery Commissioners for the embellishment and improvement of the cemeteries.

Cemetery Improvements — Approved.

Voted: That the Town appropriate from the Sale of Cemetery Lots and Graves Fund, the sum of \$3,000, for the embellishment and improvement of the cemeteries; said appropriation to be expended under the direction of the Cemetery Commissioners.

ARTICLE 50. To see if the Town will vote to accept twenty-two cemetery perpetual care funds amounting to \$7,125, received and deposited in the Plymouth Federal Savings and Loan Association, and eighteen cemetery perpetual care funds amounting to \$4,850, received and deposited in the Plymouth Savings Bank, all deposited in the year 1964 in accordance with the usual votes of the Cemetery Commissioners and Selectmen and listed as "New Funds" in the town report.

Acceptance of cemetery perpetual care funds — Approved.

Voted: That the Town accept twenty-two cemetery perpetual care funds amounting to \$7,125, received and deposited in the Plymouth Federal Savings and Loan Association, and eighteen cemetery perpetual care funds amounting to \$4,850, received and deposited in the Plymouth Savings Bank, all deposited in the year 1964 in accordance with the usual votes of the Cemetery Commissioners and Selectmen and listed as "New Funds" in the Town report.

ARTICLE 51. To see if the Town will vote to raise and appropriate a sum of money for land and structural improvements at Avery Memorial Field, (Nook Farm Field) for the purpose of establishing a baseball field of the Little

League type, or take any other action relative thereto, said appropriation to be expended under the direction of the Park Department.

**Improvements at Avery Memorial Field for Little League —
Approved, \$4,115.**

Voted: That the Town raise and appropriate the sum of \$4,115, for land and structural improvements at Avery Memorial Field (Nook Farm Field) for the purpose of establishing a baseball field of the Little League type; said appropriation to be expended under the direction of the Park Department.

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing a public sanitary at the Avery Memorial Field (Nook Farm Field) said appropriation to be expended under the direction of the Park Department.

**Construction public sanitary at Avery Memorial Field —
Approved. Amount \$4,000.**

Voted: That the Town raise and appropriate the sum of \$4,000, for the purpose of constructing a public sanitary at the Avery Memorial Field (Nook Farm Field); said appropriation to be expended under the direction of the Park Department.

ARTICLE 53. To see if the Town will vote to raise and appropriate or transfer from available funds in the town treasury a sum of money for making improvements to the town-owned land and building at the Brook Road playground, so-called in Manomet, or take any other action relative thereto; said appropriation to be expended under the direction of the Park Department.

**Improvements to land and building Brook Road playground
Disapproved.**

Voted: That the Town authorize the Moderator to appoint a committee of five (5) members; one from the Advisory and Finance Committee, one from the Planning Board,

one from the Park Department and two citizens of the Town, to consider what should be done with the Town-owned land and building at the Brook Road playground, so-called in Manomet, and to report at the next Town Meeting, either special or annual.

ARTICLE 54. To see if the Town will vote to raise and appropriate \$6,500, for an independent survey as to existence and extent of pollution in Plymouth Harbor, to be expended under the direction of the Board of Selectmen.

Plymouth Harbor pollution survey — Recommendation to be made at Town Meeting.

No action taken on Article 54.

ARTICLE 55. To see what action the Town will vote to take on the recommendations of the Plymouth Sewage Disposal Planning Committee and make an appropriation therefor.

Plymouth Sewage Disposal Planning Committee — Recommendation to be made at Town Meeting.

Voted: That the report of this committee be filed with the Town Clerk.

ARTICLE 56. To see if the Town of Plymouth will vote to raise and appropriate the sum of \$32,000, for the purpose of commencing construction of Supporting Facilities as agreed between the Town of Plymouth and the Plymouth Redevelopment Authority under contract dated October 17, 1962.

Plymouth Redevelopment Authority — Approved.

Voted: That the Town appropriate from available funds (Free Cash) the sum of \$32,000, for the purpose of constructing certain supporting facilities as agreed between the Town of Plymouth and the Plymouth Redevelopment Authority under contract dated October 17, 1962 and as shown on Page 5 and paragraph 5 on Page 6.

ARTICLE 57. To see if the Town will vote to appoint a committee of five by May 1, 1965 to be known as The Mun-

icipal Garage Planning Committee, to present at the next town meeting a proposed site location and plans for a municipal garage; and that the Town vote to raise and appropriate \$5,000, to defray the cost of site investigation and preliminary plans for a municipal garage.

Municipal Garage Planning Committee — Approved.

Voted: That the Town authorize the Moderator to appoint a committee of five by May 1, 1965 to be known as the Municipal Garage Planning Committee, to present at the next special or annual Town Meeting a proposed site location and plans for a municipal garage; and that the Town raise and appropriate the sum of \$5,000, to defray the cost of site investigation and preliminary plans for a municipal garage.

Mr. Freeman moved to take Article 59 first and the motion was carried.

ARTICLE 59. To see what action the Town will take on the report of the Special Committee appointed under Article 39 of the Annual Town Meeting of 1963 and continued as "The Construction Committee" under Article 77 of the Annual Town Meeting of 1964 relative to the construction of a Fire Station in Cedarville, and to see what amount the Town will vote to raise and appropriate from the tax levy and/or available funds for the construction and equipping of the Cedarville Fire Station.

**Cedarville Fire Station Construction Committee — Approved.
Amount \$60,300.**

Voted: That the Town appropriate the sum of \$75,000, from available funds (Free Cash) to be expended by the Cedarville Fire Station Construction Committee for the purpose of constructing and equipping the Cedarville Fire Station on the parcel of land described in the preceding motion; on Article 58.

ARTICLE 58. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by

purchase, a parcel of land in the Cedarville section of Precinct 5, to be used for a construction site for a fire station building, or take any action relative thereto.

Purchase land for Cedarville Fire Station — Approved,
\$2,000.

Voted: (Unanimously) That the Town raise and appropriate the sum of \$2,100, for the purpose of acquiring by purchase a certain parcel of land on Hedge's Pond Road in that part of Plymouth called Cedarville bounded and described as follows: Beginning at an iron pipe on the westerly side of Hedge's Pond Road; thence N 61° 30'W, 165 feet, by land, now or formerly of George W. Nightingale, to an iron pipe; thence S 28° 30'W, 124 feet, by land of said Nightingale to a point; thence running southeasterly by land of Calzolari 205 feet, more or less, to said Hedge's Pond Road, thence by said road northeasterly 130 feet to the point of beginning; containing 22,940 square feet, more or less; of which \$2,000, shall be for the purchase of this parcel of land and \$100, shall be for expenses of acquiring titles and adjusting the taxes for the year 1965.

ARTICLE 60. To see if the Town will vote to continue the Committee to study, survey and recommend as to the need for construction and location of new facilities to house the Police and Fire Departments as authorized under Article 75 of the 1964 town meeting; and to appropriate the sum of \$5,000, for plans, specifications, and to survey proposed sites; said committee to report back to the Town at the next special or annual town meeting.

Police and Fire Station Committee — Recommendation to
be made at Town Meeting.

Mr. Freeman moved that the Town continue the Committee to Study, Survey and Recommend as to the need for construction and location of new facilities to house the Police and Fire Departments as authorized under Article 75 of the 1964 Town Meeting; and to raise and appropriate the sum of \$5,000, for preliminary plans, specifications and to

survey proposed sites; said committee to report back to the Town at the next special or Annual Town Meeting.

Mr. Leland moved to amend by striking out "Police," but the amendment was lost.

Mr. Whipple moved to amend by striking out "\$5,000," but the amendment was lost.

The original motion was put before the meeting and voted.

Mr. Armstrong moved to adjourn until Monday, April 5, 1965 at 7:30 o'clock P.M., but the motion was lost.

At 11:05 o'clock P.M. Mr. Fillebrown moved to adjourn until 7:30 o'clock P.M. Wednesday, March 31, 1965, and it was so voted.

Adjourned Town Meeting, March 31, 1965

The meeting was called to order by the Moderator at 7:35 o'clock P.M. The number of Town Meeting Members present was 149 as per records of checkers Robert Marvelli and Arsene Strassel, 2nd; the Moderator declared a quorum present.

ARTICLE 61. To see what action the Town will take for the disposal of the Cornish and Burton Schools and make an appropriation therefor or take any action relative thereto.

Disposal of Cornish and Burton Schools -- Recommendation to be made at Town Meeting.

Voted: That the Town raise and appropriate the sum of \$3,685 for the purpose of razing (according to specifications provided by the Board of Selectmen) the two buildings known as the Cornish and Burton Schools. Said appropriation to be expended by the Board of Selectmen.

Mr. Freeman moved that the Cornish-Burton School Study Committee appointed by the Moderator under Arti-

cles 71 and 72 of the March 1964 Annual Town Meeting be allowed to continue its existence until the 1966 Annual Town Meeting and it was so voted.

Mr. Alfred Almeida, Chairman, presented his report.

The Moderator read the report of the Committee to Study Advisability of Fluoridation of Water Supply in the Town of Plymouth; Article 68 of the 1964 Annual Town Meeting.

ARTICLE 62. To see if the Town will vote to raise and appropriate a sum of money to purchase and erect a memorial in honor of all veterans who have or will have served in any war. Said appropriation to be expended under the direction of the Board of Selectmen.

Veterans' Memorial — Disapproved.

No action taken on Article 62.

ARTICLE 63. To see if the Town will accept and allow as a town way Kings Pond Plain Road from Federal Furnace Road northeasterly about 1,700 feet, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

New street acceptance — Kings Pond Plain Road — Approved. Planning Board approves street lay-out and recommends acceptance. Selectmen approve.

Voted: (Unanimously) That the Town accept and allow as a Town way, King's Pond Plain Road from Federal Furnace Road northeasterly about 1,700 feet, as laid out by the Selectmen and reported to the Town, and raise and appropriate the sum of \$100, for expenses of acquiring titles.

ARTICLE 64. To see if the Town will accept and allow as a town way King Avenue from Kings Pond Plain Road northeasterly and southeasterly about 800 feet to Lake Shore Avenue, including as part of the layout a reserved beach area about 60 feet by 100 feet leading from King Avenue to the shore of the pond, as laid out by the Selectmen and

reported to the Town, and make an appropriation for expenses of acquiring titles.

New street acceptance — King Avenue — Approved. Planning Board approves street lay-out and recommends acceptance. Selectmen approve.

Voted: (Unanimously) That the Town accept and allow as a Town way, King Avenue from King's Pond Plain Road northeasterly and southeasterly about 800 feet to Lake Shore Avenue, including as part of the layout a reserved beach area about 60 feet by 100 feet leading from King Avenue to the shore of the pond, as laid out by the Selectmen and reported to the Town and as shown on a Plan entitled "Town of Plymouth, Proposed Layout of King's Pond Plain Road and King Avenue, Scale 1"—40', January 13, 1965, Edward Chase, Engineer," and raise and appropriate the sum of \$375, for expenses of acquiring titles.

ARTICLE 65. To see if the Town will accept and allow as a town way Lake Shore Avenue from King Avenue northeasterly about 700 feet to Stevens Street as laid out by the Selectmen and reported to the town, provided a drainage easement is secured, and make an appropriation for expenses of acquiring titles.

New street acceptance — Lake Shore Avenue — Disapproved. Planning Board disapproves, the street lay-out only conforms to regulations. Selectmen approve.

No action taken on Article 65.

ARTICLE 66. To see if the Town Will accept and allow as a town way Esta Road from Carver Road, (Route 44) northerly about 850 feet as laid out by the Selectmen and reported to the town, provided a drainage easement is secured, and make an appropriation for expenses of acquiring titles.

New street acceptance — Esta Road — Approved. Planning Board approves street lay-out and recommends acceptance. Selectmen approve.

Voted: (Unanimously) That the Town accept and allow as a Town way Esta Road from Carver Road (Route 44)

northerly about 850 feet as laid out by the Selectmen and reported to the Town, provided a drainage easement is secured, and raise and appropriate the sum of \$200, for expenses of acquiring titles.

ARTICLE 67. To see if the Town will accept and allow as a town way Goddard Court from Standish Avenue southwesterly about 350 feet as laid out by the Selectmen and reported to the town and make an appropriation for expenses of acquiring titles.

New street acceptance — Goddard Court — Disapproved.

Planning Board disapproves. Selectmen disapprove.

No action taken on Article 67.

ARTICLE 68. To see if the Town will accept and allow as a town way Hedge Road from the railroad northeasterly about 200 feet to Brick Kiln Road as laid out by the Selectmen and reported to the town, and make an appropriation for expenses of acquiring titles.

New street acceptance — Hedge Road — Disapproved. Plan-

ning Board approves, street lay-out conforms to regulations.

Selectmen approve.

Mr. Theodore Jesse moved that the Town accept and allow as a Town way, Hedge Road from the railroad northeasterly about 200 feet to Brick Kiln Road as laid out by the Selectmen and reported to the Town, and make an appropriation of \$100 for expenses of acquiring titles, and it was so voted, unanimously.

ARTICLE 69. To see if the Town will accept and allow as a town way Brick Kiln Road from Hedge Road northeasterly about 500 feet to Plymouth Harbor, including as part of the layout a lot of land 50 feet by 120 feet leading directly to mean high water; as laid out by the Selectmen and reported to the Town; and make an appropriation for the purchase or acquiring of land, and expenses of acquiring titles.

New street acceptance — Brick Kiln Road — Disapproved.

Planning Board approves with certain provisions; street

lay-out conforms to regulations. Selectmen approve with provision.

Mr. Theodore Jesse moved that the Town accept and allow as a Town way Brick Kiln Road from Hedge Road northeasterly for about 300 feet to High Cliff Road as laid out by the Selectmen and reported to the Town, and make an appropriation of \$100 for expenses of acquiring titles, but the motion was lost, unanimously.

ARTICLE 70. To see if the Town will accept and allow as a town way Cary Road from White Horse Road southeasterly about 600 feet as laid out by the Selectmen and reported to the Town, provided a drainage easement is secured and make an appropriation for expenses of acquiring titles.

Cary Road street acceptance — Approved. The street lay-out conforms to regulations; Planning Board recommends acceptance. Selectmen approve.

Voted: (Unanimously) That the Town accept and allow as a Town way, Cary Road from White Horse Road southeasterly about 600 feet as laid out by the Selectmen and reported to the Town, provided a drainage easement is secured and raise and appropriate the sum of \$100 for expenses of acquiring titles.

ARTICLE 71. To see if the Town will accept and allow as a town way Melix Avenue from the State Highway westerly about 700 feet to Plymouth Street as laid out by the Selectmen and reported to the town, provided drainage easements are secured, and make an appropriation for expenses of acquiring titles.

New Street acceptance — Melix Avenue — Disapproved. Planning Board disapproves.

Mr. Edward Robichaud moved that the Town accept and allow as a Town way, Melix Avenue, Manomet, westerly about 700 feet as laid out by the Selectmen and reported to the Town and raise and appropriate the sum of \$200 for expenses of acquiring titles.

Voting by a show of hands, 72 in the affirmative, 54 in the negative, not being a two-thirds vote, the motion was lost.

ARTICLE 72. To see if the Town will accept and allow as a town way Plymouth Street from Cape Cod Avenue northerly about 200 feet to Melix Avenue as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

**New Street acceptance — Plymouth Street — Disapproved.
Planning Board disapproves.**

No action taken on Article 72.

ARTICLE 73. To see if the Town will vote to authorize the Selectmen to abandon a portion of a drainage easement on the northwesterly side of Emerson Road as laid out and accepted by the Town on March 26, 1949; said portion of drainage easement measuring 10 feet by 50 feet and lying on Lot 197 of Land Court Plan No. 5279I, Sheet 2.

Emerson Road Drainage Easement abandonment — Approved. Planning Board approves. Selectmen approve.

Voted: (Unanimously) That the Town authorize the Selectmen to abandon a portion of a drainage easement on the northwesterly side of Emerson Road as laid out and accepted by the Town on March 26, 1949; said portion of drainage easement measuring 10 feet by 50 feet and lying on Lot 197 of Land Court Plan No. 5279I, Sheet 2.

ARTICLE 74. To see if the Town will vote to authorize the Board of Selectmen to accept for highway purposes a drainage easement 10 feet wide running northwesterly and northeasterly from Emerson Road to Cochituate Road.

Drainage Easement Emerson Road to Cochituate Road — Approved. Planning Board approves. Selectmen approve.

Voted: (Unanimously) That the Town authorize the Board of Selectmen to accept for highway purposes a drainage easement 10 feet wide running northwesterly and northeasterly from Emerson Road to Cochituate Road as shown

on a Plan entitled "Town of Plymouth, Proposed Drainage Easement and Abandonment of Half of 1949 Drainage Easement, Scale 1"—40', January 20, 1965, Edward Chase, Town Engineer."

ARTICLE 75. To see if the Town will vote to authorize the Selectmen to abandon as a town way, a portion of Westerly Road as laid out and accepted by the Town on March 24, 1928; said portion of Westerly Road being about 150 feet long and lying adjacent to and northwesterly of another portion of Westerly Road which was abandoned by the Town on March 29, 1962; and make an appropriation for the expenses therefor.

Abandonment of a portion of Westerly Road — Approved.

Planning Board approves. Selectmen disapprove.

Voted: (Unanimously) That the Town authorize the Selectmen to abandon as a Town way, a portion of Westerly Road as laid out and accepted by the Town on March 24, 1928; said portion of Westerly Road being about 150 feet long and lying adjacent to and northwesterly of another portion of Westerly Road which was abandoned by the Town on March 29, 1962, and as shown on a Plan entitled "Town of Plymouth, Proposed Abandonment of a Portion of Westerly Road, Scale 1"—40', January 27, 1965, Edward Chase, Town Engineer."

ARTICLE 76. To see if the Town will convey a deed of that portion of town-owned land described on the Assessors' maps as "a portion of Westerly road" to Arthur C. Caranci, said portion being adjacent to the land of said Arthur C. Caranci and appearing on the Assessors' map on Plat 30.

By petition: Arthur C. Caranci, et al

Sale of Abandoned Portion of Westerly Road — Disapproved. Planning Board disapproves.

No action taken on Article 76.

ARTICLE 77. To see if the Town will vote to authorize the Selectmen to sell or convey that portion of Westerly Road abandoned in 1965 under Article 75, containing approxi-

mately 5,511 square feet as shown on Plat 30 of the Assessors' Plans, or take any action relative thereto.

Sale of Abandoned Portion of Westerly Road — Sale approved. Planning Board approves.

Voted: (Unanimously) That the Town authorize the Selectmen to sell, for not less than \$100, that portion of Westerly Road abandoned in 1965 under Article 75 of the Annual Town Meeting, containing approximately 5,511 square feet as shown on Plat 30 of the Assessors' Plans subject to an easement for the Town water main located therein, if any.

ARTICLE 78. To see if the Town will vote to sell to William A. Dearn and Ernest A. McGrath the land presently leased to them on the Town Wharf Lot, being Lot 17-A and a 50-foot right of way from Water Street Extension to said lot.

By petition: William A. Dearn, et al

Sale of Town Wharf Land — Recommendation to be made at Town Meeting. Planning Board disapproves.

Mr. William Dearn moved that the Town sell and the Selectmen be authorized to convey to William A. Dearn and Ernest A. McGrath, co-partners, that portion of Lot 17-A on a plan entitled "Land at Town Wharf," Plymouth, Mass., Scale 1"—40 feet, dated September 1, 1962, Edward Chase, Engineer," presently leased to them, which lies southwesterly of a line which is parallel to and 40' distant southwesterly from the northeasterly line of said Lot 17-A together with a right of way, in common with others, entitled thereto from said lot over the 50-foot way as shown on said plan leading from said premises southwesterly to Water Street; at a price to be determined by the Selectmen but not less than \$7,500.00.

Voting by a show of hands, 52 in the affirmative, 80 in the negative, the motion was lost.

ARTICLE 79. To see if the Town will vote to authorize the Selectmen to sell to John D. Shea Lot No. 44, Plat No. 17 as shown on the Assessors' Plan, known as the Low Service

Reservoir located at Sever Street, at a minimum price of \$2,000, the maximum to be set by the Board of Selectmen.

By petition: Dorothy R. Souza, et al

Sale of Sever St. Reservoir Land — Disapproved. Planning Board disapproves.

No action taken on Article 79.

ARTICLE 80. To see if the Town will vote to approve the construction of a new housing project by the Plymouth Housing Authority namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and Acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-2.

Housing Project for Elderly Persons — Recommendation to be made at Town Meeting.

Voted: That the Town approve the construction of a new housing project by the Plymouth Housing Authority namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and Acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-2, and consisting of not more than seventy five units.

ARTICLE 81. To see if the Town will vote to raise and appropriate a sum of money for the re-location of the sewer on Stafford Street; said appropriation to be provided by money in the Town Treasury received from Howard A. Flynn for this purpose.

Relocation of Stafford St. Sewer — Approved.

Voted: That the Town appropriate the sum of \$2,000, for the relocation of the sewer on Stafford Street; said appropriation to be provided by money in the Town Treasury at the time of Town Meeting from Howard R. Flynn for this purpose.

ARTICLE 82. To see if the Town will vote to amend the Town of Plymouth, Massachusetts Zoning Map No. 1

dated January 16, 1961, revised to July 9, 1964, by changing from unzoned land to R-10 Residential District an area on the southeasterly side of Obery Street, bounded northeasterly and southeasterly by the Plymouth County Farm, southwesterly by the State Highway By-Pass (Route 3) and northwesterly by Obery Street, and being Lot 45 of Assessors' Map No. 26.

Zoning Map Amendment — Approved. Planning Board approves.

Voted: (Unanimously) That the Town amend the Town of Plymouth, Massachusetts Zoning Map No. 1 dated January 16, 1961, revised to July 9, 1964, by changing from unzoned land to R-10 Residential District an area on the southeasterly side of Obery Stret, bounded northeasterly and southeasterly by the Plymouth County Farm, southwesterly by the State Highway By-Pass (Route 3) and northwesterly by Obery Street, and being Lot 45 of Assessors' Plat No. 26.

ARTICLE 83. To see if the Town will vote to amend the Town of Plymouth, Massachusetts Zoning Maps Nos. 1 and 2 dated January 16, 1961, revised to July 9, 1964, by changing from Industrial District to R-10 Residential District an area containing approximately 118 acres situated on the west-erly side of the State Highway By-Pass (Route 3) and just north of Samoset Street (Route 44) bounded southeasterly by existing Commercial District; southerly by existing R-10 Residential District; northwesterly by the line between lots Nos. 23 and 24 of Assessors' Map No. 102; northeasterly by the line between Lot No. 23 of Map No. 102 and Lots 33, 34, 35 and 40 of Map No. 101; northwesterly again by the line between Lots Nos. 32 and 33 of Map No. 101 and northeast-erly again by the State Highway By-Pass (Route 3).

**Zoning Map Amendment — Approved conditionally. Plan-
ing Board approves conditionally.**

Mr. Freeman moved that the Town amend the Town of Plymouth, Massachusetts Zoning Maps Nos. 1 and 2 dated January 16, 1961, revised to July 9, 1964, by changing from

Industrial District to R-10 Residential District an area containing approximately 118 acres situated on the westerly side of the State Highway By-Pass (Route 3) and just north of Samoset Street (Route 44) bounded southeasterly by existing Commercial District; southerly by existing R-10 Residential District; northwesterly by the line between lots Nos. 23 and 24 of Assessors' Map No. 102; northeasterly by the line between Lot No. 23 of Map No. 102 and Lots 33, 34, 35 and 40 of Map No. 101; northwesterly again by the line between Lots Nos. 32 and 33 of Map No. 101 and northeasterly again by the State Highway By-Pass (Route 3); voting by a show of hands, 60 in the affirmative, 60 in the negative the motion to amend was lost.

At 11:15 o'clock P.M. Mr. Fillebrown moved to adjourn until 7:30 o'clock P.M. Thursday, April 1, 1965, and it was so voted.

Adjourned Town Meeting, April 1, 1965

The Meeting was called to order by the Moderator at 7:45 o'clock P.M. The number of Town Meeting Members present was 136 as per records of checkers Robert Marvelli and Arsene Strassel, 2nd. The Moderator declared a quorum present.

ARTICLE 84. To see if the Town will vote to amend the Zoning Map so as to change from R-15 to Commercial the land enclosed within the following boundaries: beginning at the intersection of Nick's Rock Road and Ocean View Avenue; thence by Ocean View Avenue to Liberty Street; thence by Liberty Street to Westerly Route; thence by Westerly Route to Oak Ridge Road; thence by Oak Ridge Road to the State Highway No. 3, as laid out in 1948; thence by the State Highway to the northeasterly ramp at Cherry Street as laid out in 1958; thence by the ramp to Nick's Rock Road; and thence by Nick's Rock Road to the point of beginning.

By petition: Thomas F. Quinn, et al

Zoning Map Amendment — Disapproved. Planning Board disapproves.

Mr. Robert Benea moved that the Town change from Residential 15 Zone to Commercial Zone the following described area:

Beginning at a point on the northwesterly side of Liberty Street, 300 feet southwest from the intersection of Liberty Street and Ocean View Avenue; thence in a southwesterly direction a depth of 300 feet along the northwesterly side of Liberty Street to Route 3. Also that section of land which is bounded on the northeast by Westerly Route, on the southeast by Oak Ridge Road, on the southwest by Route 3, and on the northwest by Liberty Street.

Voting by a show of hands, 37 in the affirmative, 75 in the negative, the motion to amend was lost.

Article 85. To see if the Town will vote to change from R-15 to R-10 zones to Neighborhood Business Zone, an area beginning at the property line between land of Dorothy Mcpeck and land of Eugene and Nancy Rapoza and extending south westward along Federal Furnace Road to the northwest side of South Meadow Road between Lot 14 and Lot N 1-5 South Meadow Road, a depth of four hundred feet from Federal Furnace Road; or any portion of said tract.

By petition: Evelyn G. Dearn, et al

Zoning Map Amendment — Disapproved. Planning Board disapproves.

No action taken under Article 85.

ARTICLE 86. To see if the Town will vote to raise and appropriate a sum of money to purchase certain radio equipment and associated facilities for Plymouth Civil Defense, or take any other action relative thereto; and that any funds received from the Federal Government or the Commonwealth toward such costs be returned to the Treasury of the Town.

Radio Equipment for Civil Defense — Recommendation to be made at Town Meeting.

Voted: That the Town raise and appropriate the sum of \$17,500, one-half to be provided by the Town and one-half by Federal and State Funds, to purchase certain radio equipment and associated facilities for Plymouth Civil Defense and other purposes and to meet said appropriation the Town's share of \$8,750, shall come from the tax levy of the current year and the Federal and State shares of \$8,750, shall be from available funds; said appropriation to be expended under the direction of the Plymouth Civil Defense Commission.

ARTICLE 87. To see if the Town will appropriate a sum of \$300, to provide for the use of town-owned floodlights at Stephens Field, said appropriation to be spent under the supervision of the Park Department.

By petition: F. Richard Villano, et al

Floodlights at Stephens Field — Approved.

Voted: That the Town raise and appropriate the sum of \$300, to provide for the use of Town-owned floodlights at Stephens Field, said appropriation to be spent under the supervision of the Park Department.

ARTICLE 88. To see if the Town will vote to authorize the Moderator to appoint a committee of five persons for the purpose of studying the feasibility of and the estimated cost of constructing and maintaining a municipal ice skating rink in the Town of Plymouth and make its report with any recommendations to the Town at the next annual town meeting.

By petition: Walter B. Haskell, et al

Municipal Ice Skating Rink Committee — Approved subject to amendment to be made at Town Meeting.

Voted: That the Town authorize the Moderator to appoint a committee of five persons; one each to be selected from lists of three or more persons submitted by the Selectmen, the Advisory and Finance Committee, the Planning Board, the Park Department, and the Plymouth Chamber of Commerce; for the purpose of studying the feasibility of and

the estimated cost of constructing and maintaining a municipal ice skating rink in the Town of Plymouth and make its report at the next Annual Town Meeting.

ARTICLE 89. To see if the Town will vote to authorize the Selectmen to lease for off-street parking purposes a portion of the existing parking lot lying between North and Brewster Streets being property of the Plymouth-Home National Bank; and make an appropriation therefor.

Lease of Land for Off-Street Parking — Disapproved.

Voted: (Unanimously) That the Town authorize the Selectmen to lease for five years for off-street parking purposes a portion of the existing parking lot lying between North and Brewster Streets being property of the Plymouth-Home National Bank and comprising thirty-eight (38) parking spaces; and to appropriate the sum of \$4,100, from Street Parking Meters Receipts of which \$2,000, shall be for leasing and \$2,100, for the purchase of thirty-eight (38) parking meters to be installed by the Town; said appropriation to be under the direction of the Board of Selectmen.

ARTICLE 90. To hear the report of the Plymouth Development and Industrial Commission and make an appropriation therefor.

Development and Industrial Commission — Approved \$5,000.

Voted: That the Town raise and appropriate the sum of \$5,000, for the use of the Plymouth Development and Industrial Commission, and authorize said Commission to use a portion of this appropriation or any existing funds for out-of-state travel.

ARTICLE 91. To see if the Town will vote to adopt the following by-law. There is hereby established in the Town of Plymouth, a Council on Aging to consist of three to five members as may be determined annually by the Selectmen. The members shall be appointed annually in the month of March by the Selectmen and shall serve from the first day of April until the thirty-first day of March following and for

such further time as may be required until their successors are chosen. The council shall have all of the powers and duties granted by law and particularly the power to coordinate or carry out programs designed to meet the problems of the aging. By petition: Michael F. Grant, et al

Council for Aging By-Law — Recommendation to be made at Town Meeting.

Voted: That the Town authorize the Moderator to appoint a committee of five (5) persons to investigate the feasibility of adopting the by-law for a Council on Aging and to report to the Town on or before December 1, 1965.

ARTICLE 92. To see if the Town will vote to appropriate the sum of \$1,000, for the use of the Council on Aging.

By petition: Michael F. Grant, et al

Council for Aging Appropriation — Recommendation to be made at Town Meeting.

No action taken on Article 92.

ARTICLE 93. To see if the Town will vote to authorize the Selectmen to grant to Plymouth County Electric Company and New England Telephone and Telegraph Company an Easement granting one (1) joint pole location and wire rights for a line now serving the Town Parking Lot area southeasterly of Middle Street.

Easement for Pole locations — Approved.

Voted: (Unanimously) That the Town authorize the Selectmen to grant to Plymouth County Electric Company and New England Telephone and Telegraph Company an easement granting one (1) joint pole location and wire rights for a line now serving the Town Parking Lot area southeasterly of Middle Street.

ARTICLE 94. To see if the Town will vote to authorize the Selectmen to grant to Plymouth County Electric Company and New England Telephone and Telegraph Company an Easement granting two (2) joint pole locations and wire rights for a line now serving the new Water Department standpipe.

Easement for Pole locations — Approved.

Voted: (Unanimously) That the Town authorize the Selectmen to grant to Plymouth County Electric Company and New England Telephone and Telegraph Company an easement granting two (2) joint pole locations and wire rights for a line now serving the new Water Department standpipe off Samoset Street.

ARTICLE 95. To see if the Town will vote to accept Chapter 486 of the Acts of 1964 "An Act Increasing the Amounts of Pensions and Retirement Allowances Payable to Certain Former Public Employees."

Acceptance of Chapter 486, Acts of 1964 — Approved.

Voted: (Unanimously) That the Town accept Chapter 486 of the Acts of 1964 "An Act Increasing the Amount of Pensions and Retirement Allowances Payable to Certain Former Public Employees."

ARTICLE 96. To see if the Town will vote to adopt a resolution on Home Rule amendment with the General Court.

Home Rule Resolution — Recommendation to be made at Town Meeting.

Mr. Sumner Chapman, Jr. moved that the Town adopt the following resolution:

WHEREAS the General Court sitting as a Constitutional Convention, did on July 16, 1963, give initial approval to a Home Rule amendment to the State Constitution, and

WHEREAS this bill of rights for local governments requires a second approval by the members of the General Court during this legislative session, and

WHEREAS we, as members of this Town Meeting, feel competent to handle the affairs of our town without strict supervision by the Commonwealth of our every act and deed.

NOW THEREFORE BE IT RESOLVED that this Town Meeting hereby instructs its representatives to

the General Court to vote in favor of the Home Rule proposal (H1384 of 1963 as revised) when it comes before them

The motion was so voted.

ARTICLE 97. To see what action the Town will vote to take with regard to certain unexpended appropriation balances.

Unexpended appropriation balances — Traffic & Parking Committee.

Voted: That the Town turn back to Excess & Deficiency the sum of \$57.80 from the unexpended appropriation balance of the Parking and Traffic Committee.

ARTICLE 98. To see what amount the Town will vote to transfer from available funds to reduce the tax levy of the current year.

Use of E&D to Reduce Tax rate — \$125,000.

Voted: That the Town authorize and direct the Assessors to take \$125,000 from available funds (Free Cash) to reduce the tax levy of the current year.

ARTICLE 99. To see what amount the Town will vote to transfer from available funds for the Stabilization Fund as authorized by the provisions of Chapter 124 of the Acts of 1945.

Stabilization Fund Appropriation — None.

No motion made on Article 99.

Mr. John Fillebrown moved to adjourn the meeting at 10:50 o'clock P.M. and it was so voted.

Mr. Walter Haskell made the following resolution:

Be it resolved that this 1965 Town Meeting in final session express its full appreciation to the members of the Advisory and Finance Committee for their many hours and diligence in presenting their recommendations to this Meeting, and that such appreciation be expressed individually to membership and to include:

Edward F. Barnes
Henry L. Bastoni
Frank T. Brown, Jr.
Smithson Roane
Richard W. Bramhall
George W. Butters
Everett Lanman

Carleton S. Perkins
William A. Kilgour
Walter C. Reid
Paul W. Sears
Richard Ragazzini
Richard Withington

and with special appreciation to Vice Chairman, John F. Prentice

a special, special and very special expression of appreciation to the work of the committee's clerk or secretary, Miss R. Dorothy Canucci

and for the fine manner in which he served this group as their leader—for his excellent explanations given from the podium and his great desire and ability to answer questions our humble, our sincerest, our most gratifying expressions of appreciation and a big thanks to the Chairman of the Advisory and Finance Committee, Mr. David B. Freeman that such resolution be entered upon the records of this Meeting and so authorized at this time by your rising vote of thanks and public acclamation.

Special Town Meeting, December 18, 1965

The Special Town Meeting was called to order by the Moderator at 2:15 o'clock P.M.

The warrant was read and the following article was passed by a unanimous vote.

ARTICLE ONE:

Voted: That the Town raise and appropriate from available funds the sum of Twenty-Five thousand dollars (\$25,000.00) for Public Assistance Aid for the balance of 1965 to be spent under the direction of the Welfare Department.

The meeting adjourned at 2:25 o'clock P.M.

Town Clerk
ANDREW J. COLLAS,

PERSONNEL BOARD REPORT

A survey was conducted by the members of the Personnel Board relating to the salaries of town employees. The information pertaining to salaries paid by forty-three towns, whose population range from 10,001 to 15,000, was derived from the Salary Survey Booklet which is supplied to us by the Massachusetts Municipal Personnel Boards Association.

Only the towns whose Police and Fire Departments have a 40 and 56 hour respective work week were used in the Police and Fire surveys.

The result of this work was to propose a flat 5 per cent annual increase to all town employees with the exception of certain groups in Schedule D.

The following amendments are hereby recommended:

In Section 3: Amend sub-chapter (a) to read as follows: There shall be a Personnel Board consisting of five members responsible for the administration of the classification and compensation plans. The membership of the Board shall be as follows: Two members to be appointed by the Finance Committee; one employee, who does not serve the Town in an elective capacity, to be appointed by the Board of Selectmen; two citizens of the Town, who do not serve the Town in either an appointive or elective capacity, to be appointed by the Moderator. The term of office shall be for three years; members of the Board at the time this by-law is adopted will continue in office until the terms to which they were appointed have expired. Vacancies, other than by expiration of terms, shall be filled in the same manner and by the same authority for the balance of the unexpired term. These appointments are to be made soon after the 1965 March Town Meeting.

In Section 8: Schedule A, Public Safety Group delete letter B after Fire Captain and Fire Lieutenant. Delete letter A after Fire Fighter. Delete two notes pertaining to letters A and B at the end of the Public Safety Group.

In Section 8: Schedule A, Administrative Group delete Master Mechanic (Fire) S14.

In Section 8: Schedule A, Public Safety Group Insert Master Mechanic S17.

In Section 14: Work Week. Delete letter B after Fire (full-time) 56 hours and note explaining letter B.

A petition was received from the Board of Selectmen requesting the Personnel Board to review the job description of the Harbormaster. After much discussion, the Board unanimously recommends that the Harbormaster's Compensation Grade be changed from S14 to S15.

A petition was received from the Advisory and Finance Committee requesting a change in Compensation for their Secretary. The Board, after complete discussion and investigation unanimously recommends the Finance Committee Secretary's salary be changed from \$797 to \$904 annually.

The Park Commissioners petitioned the Personnel Board to change the Compensation Grade of the Park Superintendent. After studying the job description of the Park Superintendent and full discussion, the Board unanimously recommends that the Compensation Grade be changed from S17 to S18.

A petition was received from the Commissioners of Public Safety requesting the possibility of a maximum pay of \$6,300 for Police Patrolmen. This request was denied by the Board.

Another petition was received from the Park Commissioners requesting a change in Compensation Grade for the Playground Instructors and Swimming Instructors from \$50.93 to \$51.00. The Board unanimously recommends this change.

The Personnel Board further recommends that Section 3, sub-chapter (a) of the Personnel By-Laws be accepted as printed elsewhere in the report of the Advisory and Finance Committee of which this report is a part of. This request was made by the Advisory and Finance Committee.

A petition was received from the Veterans' Service requesting a change in Compensation Grade. After much study and discussion, the Board unanimously denied this request.

A petition was received from the Commissioners of Public Safety requesting a reclassification of Master Me-

chanic. After much discussion, study and investigation the Board recommends that a position for Master Mechanic— under Public Safety Group be classified as S17, effective April 1.

Respectfully submitted,

HORACE A. GENOVESE, Chairman
JOHN J. PACHECO
LEONARD SULLIVAN

Classification and Compensation Plans and Personnel By-Law

RECOMMENDED BY THE PERSONNEL BOARD

Section 1. Authorization

Pursuant to the authority contained in Section 108A of Chapter 41 of the General Laws there shall be established plans, which may be amended from time to time by vote of the Town at a Town meeting; (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, those under the jurisdiction of the Board of Public Welfare or under the jurisdiction of the Board of Retirement, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan and (c) providing for the administration of said classification and compensation plans.

Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

“Town,” the Town of Plymouth;

“Civil Service Law,” Chapter 31 of the General Laws of the Commonwealth, as amended and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

“Classification Plan,” class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

"Class," a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

"Position Class," same as class (a class may include only one position in which event it is defined as a "single position class");

"Group," an occupational group of classes appearing in Schedule A of Section 8;

"Department Head," the officer, board, or other body having immediate supervision and control of a department;

"Employee," an employee of the Town occupying a position in the classification plan;

"Department," any department, board, committee, commission or other agency of the Town subject to this by-law;

"Administrative Authority," the elected official or board, or the appointed official having jurisdiction over a function or activity;

"Full-time employment," employment for not less than seven and one-half hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, bereavement leave, and other leave of absence;

"Part-time employment," employment for less than full-time employment, as defined above;

"Continuous employment," employment uninterrupted except for required military service and for authorized vacation leave, sick leave, bereavement leave, or other leave of absence;

"Full-time employee," an employee retained in full-time employment;

"Part-time employee," an employee retained in part-time employment;

"Position," an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof;

"Permanent position," any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

"Permanent employee," (1) any employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

"Temporary position" or "seasonal position," any position in the Town service which requires or is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work week of its occupation group shall be considered as part-time;

"Temporary employee," (1) an employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

"Intermittent service," personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service;

"Casual service," personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

"Compensation Plan," Schedules B through D in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B, B-1 or Schedule C of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services;

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

Maximum Rate," the highest rate in a range which an employee normally is entitled to attain;

"Range," the dollar difference between minimum and maximum rates;

"Personal Rate," a rate above the maximum rate applicable only to a designated employee;

"Step Rate," a rate in a range of a compensation grade;

"Increment," the dollar difference between step rates;

"Promotion," a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Board," the Personnel Board as defined in Section 3.

Section 3. Personnel Board

(a) There shall be a Personnel Board consisting of five members responsible for the administration of the classification and compensation plans. The membership of the Board shall be as follows: — Two members to be appointed by the Finance Committee; one employee, who does not serve the Town in an elective capacity, to be appointed by the Board of Selectmen; two citizens of the Town, who do not serve the Town in either an appointive or elective capacity, to be appointed by the Moderator. The term of office shall be for three years; members of the Board at the time this by-law is adopted will continue in office until the terms to which they were appointed have expired. Vacancies, other than by expiration of terms, shall be filled in the same manner and by the same authority for the balance of the unexpired term. These appointments are to be made soon after the 1965 Town Meeting.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.

(c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary. A majority of the Board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.

(e) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds thereof.

(f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department Heads shall provide such information as the Board may request.

(g) The Board shall maintain written job descriptions or specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(h) The Board shall make an annual report in writing to the Board of Selectmen on or before January 20 of each year.

Section 4. Classification Plan

(a) All positions in the service of the Town except those excluded in Section 1 are hereby classified by titles appearing in Schedule A of Section 8 which is made a part hereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

(b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

(c) The title of each class, as established by the Classification Plan shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification or such reassignment to be consistent with the classification and compensation plans.

Section 5. Compensation Plan

(a) The Compensation Plan shall consist of Schedules B through D in Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.

(b) All employees shall continue to be paid on an hourly, weekly, semi-monthly, annual, or other basis, as at present, except as provided in the compensation plan, unless otherwise authorized by the Personnel Board.

(c) No department head shall fix the salary of any employee in a position so classified except in accordance with the compensation plan.

(d) No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the classification plan under any title other than those appearing on Schedule A of Section 8.

(e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:

- (1) On January first provided he has completed thirty weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.
- (2) Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of the compensation grade to which his position class is assigned.
- (3) Employees in continuous part-time employment eligible for increments under the provisions of this sub-section shall be those occupying positions in classes for which compensation is provided in Schedules B, B-1 or Schedule C of Section 8.

(f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B, B-1 or Schedule C of Section 8 shall receive increments as provided in the preceding sub-section on the basis of thirty weeks employment constituting one year. This employment need not be continuous but to retain any rate above the entrance rate, the employee must work some part of each subsequent year.

(g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4 (b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B, B-1 or \$.05 for a position class assigned to Schedule C, the adjustment shall be to the second rate above the existing rate but within the compensation grade of the vacant or new position.

(h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade effective the next January first following completion of thirty weeks at the rate resulting from the promotion.

(i) Each department head of a department to which is assigned an employee occupying a position in the classification plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing year and shall furnish a copy thereof to the Board.

(j) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 6. Amendment of the Plans

(a) The classification plan and/or the compensation plan and/or other provisions of this by-law may be amended by vote of the Town at either a regular or a special Town Meeting. Requests for such amendments shall be made to the Board by signed petition. All signed petitions requesting amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this By-Law, must be submitted to the board no later than four months prior to a regular town meeting. Whenever such a petition is received, the Board shall promptly hold a hearing to consider

such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days written notice. Prior to the next Town Meeting, the Board shall file with the Selectmen for insertion in the warrant for the next Town Meeting an article sufficiently stated to permit the Town to act upon the subject matter of any such petition. At the same time the Board shall file with the Finance Committee a final report, with recommendations, pertaining to any such petition, provided, that no recommendation in favor of a proposed amendment shall be made except by an affirmative vote of two of its members.

(b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is supported by an affirmative vote of two of its members, the Board shall proceed according to the preceding sub-section to insert an article in the warrant and to report its recommendation to the Finance Committee.

(c) In the case of urgent necessity, the Personnel Board, with the approval of the Finance Committee, may anticipate the formal action of the town meeting by adding a new classification and the salary or wage thereof to the classification and pay plan and such addition will be effective subject to early ratification by the town at a town meeting.

Section 7. Continuing Review

(a) The Board from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions subject to the provisions of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

(b) The Board shall consider changes in departmental organization structure, operating procedures or work load which may result in service rendered by an employee occupying a position changing from intermittent or casual to continuous employment. Such a change may be the basis of a recommendation by the Board to amend the compensation plan so that a position class found to require continuous employment would be moved from Schedule D to Schedule B or Schedule C of Section 8.

Section 8. Position Classes; Salary, Wage and Miscellaneous Compensation Schedules

The following schedules, together with class specifications previously incorporated by reference, constitute the classification and compensation plans of the Town as defined in Section 2:

SCHEDULE A — Classification of Positions by Occupational Groups and Assignment to Compensation Grades or to the Miscellaneous Schedule

SCHEDULE B — Annual Salary Schedule

SCHEDULE C — Hourly Wage Schedule

Section 9. Part-time Positions Classified in Clerical Group

Employees occupying clerical positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan:

Compensation Grade	Minimum	II	III	IV	Maximum
S-1	\$1.44	\$1.50	\$1.57	\$1.63	\$1.69
S-5	1.68	1.75	1.83	1.90	1.98
S-6	1.75	1.83	1.90	1.98	2.06
S-7	1.82	1.90	1.98	2.06	2.14

Section 10. Part-time Positions Classified in the Library Group

Employees occupying library positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan.

Compensation Grade	Minimum	II	III	IV	Maximum
S-2	\$1.40	\$1.46	\$1.53	\$1.59	\$1.65
S-4	1.52	1.58	1.65	1.71	1.78

Section 11. Part-time Positions Classified in the Custodial Group

Employees occupying custodial positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan.

Compensation Grade	Minimum	II	III	IV	Maximum
S-8	\$1.62	\$1.69	\$1.76	\$1.83	\$1.90
S-9	1.68	1.75	1.83	1.90	1.97

Section 12. Fringe Benefits and Working Conditions

(a) Pursuant to the authority contained in Section 108C of Chapter 41 of the General Laws, certain fringe benefits as set forth in subsequent sections of this by-law are hereby granted to employees occupying positions in the classification plan. The fringe benefits are considered to be a part of the compensation plan and the monetary value thereof shall be extended to eligible employees in addition to rates set forth in the appropriate salary or wage schedule.

(b) Additional fringe benefits and/or working conditions may be added to the by-law or fringe benefits and/or working conditions may be amended from time to time by vote of the Town at a Town Meeting.

Section 13. Initial Application of the Compensation Plan

(a) Upon the adoption of this by-law, salary and wage rates for affected employees shall be adjusted as follows:

- (1) Retroactive to the first of the year of adoption if at the annual Town Meeting.
- (2) Effective the beginning of the month following adoption if at a special Town Meeting prior to the establishment of the tax rate for that year.
- (3) Effective the January first following adoption if at a special Town Meeting later than the establishment of said tax rate.

(b) The rate of each employee occupying a position, the compensation of which is provided for in Schedule B, B-1 or Schedule C of Section 8 shall be adjusted, based on his prior service in said position, according to the formula set forth in Section 5 (e) or 5 (f).

(c) The rate of each employee occupying a position, the compensation of which is provided for in Schedule D of Section 8 shall be adjusted to the rate for his position class as set forth in this schedule.

(d) If an employee's rate at the time of the adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B, B-1 or Schedule C of Section 8 or is in excess of the rate set forth for his position class in Schedule D of Section 8, this rate shall not be reduced but shall become a personal rate applicable only to said employee as defined in Section 2.

(e) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 14. Work Week

The work week for full-time or seasonal employment in each occupational group shall be as follows:

Group	Work Week	
Clerical Group	37.5	hours
Library Group	40	"
Recreation Group:		
Instructors	30	"
Supervisor	35	"
Life Guards	40	"
Custodial Group	44-48	" (a)
Labor Group	40-48	" (a)
Public Safety Group:		
Police (full-time)	40	"
Fire (full-time)	56	"
Others	As Required	
Administrative Group	As Required	
Supervisory Group	As Required	

- (a) As set forth by departments in Exhibit B of the Wage and Salary Classification by-law effective as of January 1, 1961.

Section 15. Overtime Compensation

(a) Clerical Group

An employee shall be compensated at the hourly rate set forth in Section 9 which corresponds to his step rate designation in the corresponding compensation grade on Schedule B, Section 8, for hours worked in excess of those constituting his work week as set forth in Section 14 except for attendance at evening meetings which shall be considered as part of the basic work week of 37.5 hours.

(b) Library Group

An employee shall be compensated at the hourly rate set forth in Section 10 which corresponds to his step rate designation in the corresponding compensation grade in Schedule B, Section 8, for hours worked in excess of those constituting his work week as set forth in Section 14.

(c) Custodial Group

Positions classified in this group may receive compensation at the hourly rates set forth in Section 11 for hours worked in excess of forty-four weekly.

(d) Labor Group

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of those set forth for the department to which he is assigned, incorporated in Section 14 by reference.

(e) Public Safety Group

(1) An employee in full-time employment called back for duty on his scheduled day off shall receive one fifth of his weekly rate for such duty provided the duty consists of an assigned shift of not less than eight hours.

(2) An employee of the Fire Department in full-time employment who responds to a box alarm pursuant to the administrative rules of the department may be compensated at an hourly rate determined by the Public Safety Commission which rate shall not exceed one-fortieth of the employee's weekly rate.

(3) An employee of the Police or Fire Departments in full-time employment who is required to work more than one hour beyond his scheduled tour of duty may be compensated at an hourly rate determined by the Public Safety Commission which rate shall not exceed one-fortieth of the employee's weekly rate.

(4) Nothing in the preceding sub-section shall be construed to permit the payment of such overtime rate for court appearances on the part of an employee during other than his assigned shift.

(5) An employee in other than the Police or Fire Departments shall not receive overtime compensation. However, nothing in this sub-section shall be construed to deny compensation to an employee on an hourly rate in the group at his hourly rate multiplied by the number of hours worked and approved by his department head for any designated pay period.

(f) Administrative and Supervisory Groups

(1) Employees occupying positions classified in these groups are not entitled to overtime compensation as set forth in Section 14, except as provided in the paragraph below. However, compensatory time may be granted an employee at the convenience of his department head for hours worked and approved in excess of forty in any one week.

(2) Highway foremen shall during snow plowing, sanding or snow removal operations, be paid for hours worked in excess of forty in one week at $1\frac{1}{2}$ times the hourly rate appearing in Compensation Grade W-10. If the employee's regular rate is Step 3 or below in Compensation Grade S-12, he shall be paid at $1\frac{1}{2}$ times the minimum rate of Compensation Grade W-10; if above Step 3, he shall be paid at $1\frac{1}{2}$ times the appropriate rate above the minimum.

Section 16. Paid Holidays

(a) The following days or dates shall be recognized as legal holidays within the meaning of this by-law:

New Year's Day	First day of January
Washington's Birthday	22nd of February
Patriots Day	19th of April
Memorial Day	30th of May
Independence Day	4th of July
Labor Day	First Monday of September
Columbus Day	12th of October
Veterans' Day	11th of November
Thanksgiving Day	The Thursday in November so proclaimed
Christmas Day	25th of December

on which days employees shall be excused from all duty not required to maintain essential Town services.

(b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:

(1) If paid on an hourly basis he shall receive one day's pay at his regular rate based on the number of hours regularly worked on the day on which the designated holiday occurs;

(2) If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.

(c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly scheduled working day prior to and his next regularly scheduled working day following such holiday, or was in full pay status on such preceding and following days in accordance with other provisions of this by-law.

(d) An employee in continuous employment, occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated in sub-section (a) shall be paid at his regular rate for such day or fraction thereof (except as provided under sub-section (g), following) in addition to the amount to which he is entitled under sub-section (b).

(e) At the request of the employee, he may be granted compensatory time off at the convenience of the department in lieu of payment provided under sub-section (d).

(f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off is in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.

(g) An employee in continuous employment, who performs scheduled inspection or maintenance work for part of one or more of the days or dates designated in sub-section (a) shall be entitled to one additional day off each year if he is required to perform duties on three such days or dates in a period of twelve months.

(h) Whenever one of the holidays set forth in sub-section (a) falls on a Sunday, the following day shall be the legal holiday.

Section 17. Vacation Leave

(a) An employee in continuous service shall be granted two weeks vacation with pay provided he has completed thirty weeks of service prior to June first.

(aa) An employee with less than thirty weeks of continuous employment as of June 1st shall be granted one day of vacation for each full month of continuous service completed prior to June 1st but not to exceed one week of vacation.

(b) The employee eligible for the vacation allowance provided under sub-section (a) must complete this allowance within fourteen consecutive calendar days beginning on a scheduled work day or within two periods of seven consecutive days each beginning on a scheduled work day.

(c) Exceptions to the requirements of sub-section (b) permitting an employee to schedule his vacation allowance in a different manner may be made with the approval of the employee's department head if his scheduled work week is Monday through Friday or part thereof.

(d) In addition to the vacation allowance provided in sub-section (a), each employee who has (or will have) completed ten years of service shall, in the year during which this length of service has been or will have been completed, be granted additional vacation with pay at the rate of one day for each year in excess of nine years of completed service up to a maximum allowance of fifteen days to which the employee shall be entitled in the year during which fourteen years of service has been or will have been completed.

(e) Vacation allowance granted under sub-section (d) shall be taken separately from that granted under sub-section (a) unless approved by the employee's department head and the Personnel Board.

(f) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition,

payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee died up to the time of his separation from the payroll.

(g) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no fault or delinquency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as earned, and not granted, in the vacation year prior to such dismissal, retirement, or entrance into the armed forces. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement, or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.

(h) Absences on account of sickness in excess of that authorized under the rules therefor or for personal reasons as provided for under other leave may, at the discretion of the department head, be charged to vacation leave.

(i) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if, while on vacation leave, a designated holiday occurs which falls on or is legally observed on Monday, Tuesday, Wednesday, Thursday or Friday.

(j) Vacation allowances provided under the terms of this section will be calculated on a twelve month period commencing on June 1st and ending on May 31st and these allowances must be taken in the twelve months period that immediately follows. In unusual circumstances, exceptions may be granted by the Personnel Board upon recommendations of department heads. Such vacation shall be granted by the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.

(k) An employee shall not be allowed to work during his vacation leave and be compensated with extra pay without approval of the department head and the Personnel Board.

Section 18. Sick Leave

(a) An employee in continuous employment who has completed thirty weeks of service following original employment shall be allowed fifteen days leave with pay each calendar year or one and one-quarter days for each month thereof if in any year his employment is less than thirty weeks, provided such leave is caused by sickness or injury or by exposure to contagious disease.

(b) An employee in continuous employment shall be credited with the unused portion of leave granted under subsection (a) up to a maximum of sixty days.

(c) An employee in continuous employment shall, subject to the limitation of sub-section (b), be credited with three days unused leave for each year of employment or fraction thereof ending on December 31st prior to the adoption of this by-law. An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond his current period of employment.

(d) If the amount of leave credit provided under subsection (b) has been or is about to be exhausted, an employee may make application for additional allowance to that provided under sub-section (a). Such application shall be made to the Board which is authorized to grant such additional allowance as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the additional allowance.

(e) Sick leave must be authorized by the department head and must be reported, on blanks provided for same, to the Board.

(f) A physicians's certificate of illness shall be submitted by the employee after three days absence to his department head before leave is granted under the provisions of this Section. This certificate shall be forwarded by the department head to the Board.

(g) The Board may of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the Town by a physician appointed by the Board.

(h) Injury, illness or disability self-imposed, or resulting from the use of alcohol or drugs shall not be considered a proper claim for leave under this Section.

(i) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate.

(j) In the event of payments made to an employee under the preceding sub-section, the Board may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.

(k) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

Section 19. Bereavement Leave

Emergency leave up to three days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister), mother-in-law and father-in-law.

Section 20. Other Leave

Absences for personal reasons may be charged to vacation leave upon application by the employee and approved by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.

Section 21. Physical Examination

Before appointment to a position in the classification plan requiring continuous service or to a seasonal position designated by the Board, a candidate shall have passed a physical examination satisfactory to the Board. The examining physician shall be appointed by the Board and the examination shall be at the expense of the Town. The examining physician shall advise the Board as to whether or not, in his opinion, the applicant is physically qualified to perform the duties of the position for which application has been made and the applicant shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be deposited with the Board of Retirement.

Section 22. Operation of By-Law

This By-Law shall be operative only as to employees whose positions are classified hereunder and for which posi-

tions minimum and maximum salaries, or single-rated salaries, have been established by vote of the Town at a Town Meeting.

Section 23. Civil Service Law

Nothing in this by-law shall be construed to conflict with Chapter 31 of the General Laws.

Section 24. Effect of Partial Invalidity

The invalidity of any section of this by-law shall not invalidate any other section or provision thereof.

ANNUAL REPORT
OF THE
Town Accountant
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING

DECEMBER 31

1965

Former Town Accountants:

RICHARD T. ELDRIDGE	1912-1918
ELMER R. HARLOW	1918-1944

FIFTY-FOURTH ANNUAL REPORT OF THE TOWN ACCOUNTANT

For the Year Ending December 31, 1965

To the Board of Selectmen

Town of Plymouth

Gentlemen:

I submit herewith report of the financial transactions of the Town of Plymouth for the year ending December 31, 1965.

The Excess and Deficiency balance at the end of the year was \$786,041.82, a decrease of \$202,102.24 over a year ago, reflecting the heavy drain made on it at the March Town Meeting.

Free Cash, as of January 1, 1966, is \$582,439.65, only \$25,800.15 less than a year ago. However, this is due to the fact that only \$203,602.17 remained in uncollected taxes at the end of 1965, against \$379,040.90 a year ago.

As a result of the highly segregated budgets of recent years, almost any expenditure of any size, which was not anticipated when the budget was prepared, brings a request for additional funds from the Reserve Account in the hands of the Finance Committee. Many times this same expenditure, in a less segregated budget, could have been absorbed without additional funds. Not only does this mean the allocation of more money to that department, but it also depletes the Reserve Account, which would otherwise be available for extraordinary and unforeseen expenditures.

Another disturbing outgrowth of this situation is the tendency on the part of a few departments to disregard Section 31 of Chapter 44 of the General Laws, which

clearly states that no department shall incur liability in excess of the appropriation made for its use, except in cases of extreme emergency and then only when authorized by a majority vote of the Selectmen. In many instances these liabilities are incurred without even a consultation with the Finance Committee as to the possibility of a transfer.

As long as the Finance Committee is willing to transfer funds to meet such obligations and the town is willing to vote funds for unpaid bills of previous years without any explanation as to why they were not paid, the situation is not likely to improve.

The only remedy available to the Accounting Department would be the installation of an encumbrance system, which would be much more expensive, space-consuming and time-consuming than is warranted for the few departments involved.

There were no overdrafts at the end of 1965 but the following unpaid bills have been filed with this office: Police Department:

Shiretown Motors, Inc.	\$322.42
Gulf Oil Corp.	460.05
A. J. Nielsen Radio Service	134.20
Morse Electric Co.	29.40
Pilgrim Petroleum Service, Inc.	126.79

Plumbing Inspection:

Andrew Rae	\$276.40
Frederic Bliss	90.56

Garbage Collection:

Plymouth Marine Railways, Inc.	\$35.00
Pilgrim Petroleum Service, Inc.	41.51
Gulf Oil Corp.	47.20
Town Brook Service Station	150.15

Forest Warden:

North Plymouth Garage	81.56
-----------------------	-------

Fire Department:

Automotive Distributors, Inc.	43.62
Gulf Oil Corp.	95.84
Plymouth Marine Railways, Inc.	7.04
Shiretown Motors	4.62
Ralph J. Perry, Inc.	24.05
Taunton Oxygen Co.	6.00
Town Brook Service Station	20.20
County Auto Supply Co., Inc.	25.92
Plymouth Supply Co.	4.52
A. J. Nielsen Radio Service	6.00
Pilgrim Petroleum Service, Inc.	396.67

Water Department:

Morse Electric Company	1,345.86
------------------------	----------

By way of explanation, the two Morse Electric Company bills were due to storm damage claims, where the Town was reimbursed by the insurance company in January of 1966, but the funds cannot be used to pay the bills.

The several schedules are in the following order:
Schedule A. Cash Receipts and Cash Payments as reported to the Bureau of Accounts of the Commonwealth.

Schedule B. Departmental and all special appropriations and such receipts, including federal grants, as may be legally expended without specific town meeting appropriation, with all payments from same classified as to purpose.

Schedule C. Estimated Receipts, other than from local taxes, as used by the Assessors in setting the 1965 tax rate. The schedule also shows the actual cash receipts from the same sources.

Schedule D. Revenue Account for 1965.

Schedule E. Excess and Deficiency Account.

Schedule F. Balance Sheet, December 31, 1965.

Schedules G. and H. Bonded Indebtedness, January 1,
1966.

Schedule I. List of Trust Funds and Town Investments
as of December 31, 1965.

Schedule J. Calculation of the Town's borrowing capacity
as of January 1, 1966.

Respectfully submitted,

CORA B. GRADY,
Town Accountant

REPORT OF THE COMMISSION OF PUBLIC SAFETY

Honorable Board of Selectmen
Town Office Building
Lincoln Street
Plymouth, Massachusetts
Gentlemen:

Report of the Commissioners of Public Safety for 1965:

This past year has been an eventful one for the Police Department. We were saddened by the deaths of veteran Sgt. Vincent Zacchilli and Officer David Murphy. They were faithful and loyal men and served our town with ability and devotion.

Chief Leo Murphy having reached compulsory retirement age returned to a peaceful civilian status as of Oct. 31, 1965. He had served in all ranks from patrolman to Chief, and fulfilled all the duties of his offices with humaneness, trustworthiness, and consideration. He has served the town well and deserves the rest and tranquility he has earned.

After careful consideration Sergeant Howard Smith was named as Sergeant-in-Charge of the Department until the formalities of Civil Service Examinations are completed. John Hanson and Anthony Tracinka were appointed sergeants having attained high marks in Civil Service Tests.

After conference with Finance and Personnel Boards it was decided to establish the post of Captain in the department, and appointment will be made after results of Civil Service examinations are announced. We also await the results of the examination for Chief before appointing the successor to former Chief Murphy. It has been necessary to ask for increased clerical help to fulfill the increased amount of paper work. Mrs. Audrey Birnstein was appointed as clerk in place of Mrs. Eugenia Vacchino who has resigned.

We are still short five regular members for the police force and hope that the next examinations will yield the requisite men for these vacancies. We are also hopeful that in the near future the planning for a new police station will give us modern facilities and a more attractive and stimulating environment.

Our Fire Department under the efficient and dynamic leadership of Chief Arthur Lamb has continued to maintain its high standards. On March 31, 1965 Captain William Sawyer retired after 26 years of service. He had been a dedicated member of the department and as its chief mechanic rendered invaluable services. His ingenuity and ability has saved our town thousands of dollars. We wish him the best fortunes in private industry.

Arthur Laine, Jr., chosen for his aptitude and capability, was appointed as Mechanic to the Department vice Captain Sawyer.

Patrols were initiated to detect forest fires, and their vigilance, and the cooperation of the State Department of Conservation undoubtedly served to prevent any major outbreak of fire.

The new station in Cedarville has not yet been turned over to us for administration, but it will serve to amplify the services in that area. Consideration and planning is going on with the appointed building committee to seek, obtain, and build a new headquarters building.

There has been approximately 2¼ million dollars worth of new construction, and almost 1½ million dollars worth of alterations during the past year. This augurs well for the economic development of our Town.

The health department has maintained the usual clinics for immunization and, with the availability of a new measles vaccine, has inaugurated additional clinics to make this important asset to our children. All eating places must now be licensed by the Health Department, and the effect of this portion of the Sanitary Code will maintain and improve standards of health and hygiene. The main dump at South Street is being constantly im-

proved and will serve the town for many years without relocation.

The newly established positions of Gas and Wire Inspectors are functioning efficiently and effectively.

The Commissioners wish to thank every member of its various divisions for their loyalty to our town, their energies in carrying out their assignments, and their devotion to their respective duties. It is only by your cooperation and harmony that we can report to the Town of Plymouth that every job has been well done.

Respectfully submitted,

COMMISSION OF PUBLIC SAFETY

HYMAN DUBY, M.D., Chairman

JOSEPH R. STEFANI

PAUL WITHINGTON

**1965 ANNUAL REPORT OF
SEALER OF WEIGHTS & MEASURES**

David Montanari, Sealer

Weighing and Measuring Devices Inspected:

Tested	836
Adjusted	54
Sealed	834
Not Sealed	10
Condemned	2

Fees collected for sealing: \$1,197.65

Inspections where no fee is charged; Schools, Town-owned equipment: 14

Weighing of commodities packaged for sale:

Tested	517
Correct	395
Underweight	15
Overweight	107

Peddler's licenses issued: 15

A substantial increase in the revenue of this department for the year will be noted. This is due to an increase in the fees for sealing certain devices passed by the General Court in 1965, Chapter 55, Section 56 of Chapter 98 of the General Laws and which became effective May 23, 1965. This was the first increase of fees for some 13 years and now makes the fee a little more realistic with current trends.

During the year the Sealer has done more checking of pre-packaged goods as recommended by the Division of Standards. This phase of the job, while it does not return any revenue to the department, requires more time and effort each year.

In November of 1965, Mr. Douglas Edwards of the Science Department of the Plymouth-Carver High School asked if I might arrange a program for the students pointing out the importance of Weights & Measures in

everyday life. Through the cooperation of the Division of Standards, Inspector Vincent Moinahan came to Plymouth and presented a movie and talk to 200 students of the 9th grade.

This year the metric and apothecary standard weights were submitted to the Division of Standards for comparison and certificates of accuracy issued.

Respectfully submitted,

DAVID A. MONTANARI,

Sealer of Weights & Measures

DENTAL CLINIC

William O. Dyer, D.M.D.

Francis C. Ortolani, D.M.D., F.A.C.D.

I. Harry Keller, D.M.D.

Jane Bradford, Hygienist

The following is a quote from Massachusetts Department of Public Health:

"The Department has filed a resolve with the 1966 Legislature calling for an investigation and study by a special commission of the condition of dental health, especially among children, and of appropriate measures toward eliminating dental decay, including the fluoridation of all community water supplies."

For many years the School Dentists have recommended the fluoridation of our public water supply: still the most effective method yet derived of combating dental decay.

PLYMOUTH FIRE DEPARTMENT

Arthur H. Lamb, Chief

PERSONNEL:

The uniform force consists of 30 men: Chief of Department, 1 Deputy Chief, 3 Captains, 3 Lieutenants, 21 Firefighters, and 1 Master Mechanic.

The Call force consists of 45 men comprising four companies.

APPARATUS DISPOSITION:

Headquarters

Engine 1 1955 — Diamond T 500 G.P.M. Pumping Unit

Engine 2 1942 — Seagrave 500 G.P.M. Pumping Unit

Engine 4 1961 — Seagrave 1000 G.P.M. Pumping Unit

Ladder 2 1940 — Seagrave 65 Aerial Ladder Truck

Rescue 1 1954 — Dodge Power Wagon, equipped for emergency calls, lighting, special tasks, etc.

Boat 1 1959 — Duretech Aluminum with 10 H.P. Motor
Chief's car 1963 Ford Wagon

Forest Truck No. 1 — 1956 International — All Wheel Drive

Forest Truck 3 — 1958 Dodge — All Wheel Drive

Service Truck 1954 — Dodge Pick-up a multi-use kit-outwater district building fires, forest fire, inspection work, etc.

North Station

Engine 3 1941 — Seagrave 500 G.P.M. Pumping Unit

Fire Alarm Truck, 1948 — Dodge, compartmented body, alarm equipment

South Station

Forest Truck No. 6 1942 — Chevrolet — All Wheel Drive

Forest Truck 8 1950 — Dodge, All Wheel Drive

Manomet Station

Engine 5 1954 — Diamond T 500 G.P.M. Pumping Unit

Boat 2 1965 Star-Craft, Aluminum with 15 H.P. Motor

Forest Truck No. 2 1955 — Dodge — All Wheel Drive

Forest Truck 4 1952 — Reo — All Wheel Drive — 1250 Gal Tank

Cedarville Station

Engine 6 1956 — Ford, front mount Pumping unit 500 G.P.M.

Forest Truck No. 7 — Dodge Power Wagon, 1948, All Wheel Drive

Boat 3, Old Town, obsolete, (storage)

RETIREMENTS:

Captain William K. Sawyer on March 31, 1965. He was appointed January 1, 1939. Always willing and loyal, Captain Sawyer gave his best efforts to the Fire Service.

APPOINTMENTS:

Arthur J. Laine Jr. was appointed department master mechanic on April 26, 1965 to fill the above vacancy due to retirement.

DEPARTMENT CHAPLAINS:

Monsignor Richard Norton of St. Mary's Church and Reverend Edwin T. Anthony of the Church of the Pilgrimage serve as department chaplains.

Doctor H. H. Hamilton is the department surgeon and during the past year examined seven men for appointment to the call force.

An outstanding job was performed during the 1965 forest fire season by the departments' personnel, particularly with the dry forest situation and a drought condition to contend with.

Our success was due to the prompt discovery of fires and prompt response accompanied by the tenaciousness of our people.

This was the first year in the recent past whereby patrols were established in our woodlands to minimize and otherwise prevent fires. We were particularly fortunate to be in position to stop two fires at an incipient stage, because of this, and I feel certain, we prevented a serious and costly fire.

During this drought and with the cooperation of the State Department of Conservation we were able to have a bomber plane with appropriate chemicals standing by to assist us and we did put this plane to use successfully. Its operations did without question prevent several fires from extending and working with our people did much to mitigate our fire problems in the woods. My gratitude and thanks to all for such an outstanding job.

ANNUAL REPORT OF THE PLANNING BOARD

The 1965 activities of the Plymouth Planning Board were conducted during the regular meetings held on the second and fourth Mondays of the month and during special meetings held throughout the year. In addition, the Planning Board Office at the Town Office Building was open for business between the hours of 9 A.M. and 12 Noon, Monday through Friday, under the direction of the secretary, Mary B. Searles.

At the Annual Town Election held on Saturday, March 6, 1965, Mr. Ronald A. Forth was re-elected to the Board for a five-year term. Mr. David M. Crawley was re-elected Chairman and Mr. Edward Chase re-elected Clerk at the organization meeting held following the Town Election.

On May 1, 1965, Mr. Edward Chase resigned from the Board because of his employment reassignment to Boston. Mr. Chase was appointed to the Planning Board on May 18, 1955 to fill a vacancy and on May 23, 1955 was elected Clerk of the Board, a position he held until his resignation. Mr. Chase deserves much credit for the successful efforts of the Planning Board during his ten years. He worked tirelessly on many projects and always made himself available to answer the many questions asked of him by people in the community. The members expressed a sincere appreciation in behalf of the Town for his ten years of faithful and efficient service.

The vacancy on the Board was filled on May 19, 1965 at a joint meeting of the Planning Board and the Board of Selectmen with the appointment of Mr. Elmer R. Harlow, Jr., Mr. Ronald Forth was elected Clerk on May 24, 1965.

During the year there was presented for approval under the Sub-division Control Law, a total of six plans for sub-division. Five of these with a total of 96 lots were approved and endorsed; action on one sub-division of 5 lots is pending. In addition, forty-seven plans involving one hundred and seventy-one lots, plus additional large acreage, were submitted under the classification "Approval Not Required" and were endorsed.

The Board received seven requests for changes in the Town of Plymouth Zoning Map and, after appropri-

ate public hearings, voted to recommend three for Town Meeting action.

Mr. Alfred Almeida was appointed to the Capital Outlay Expenditures Committee as the representative from the Planning Board. Mr. Elmer Harlow, Jr., was appointed to the Special Study Committee and Mr. Ronald Forth to the Plymouth County Planning Board. The entire Board participated in Student Government Week.

The Plymouth Rock Area suitability-feasibility study by the Department of the Interior, which was initiated in 1963 by the Planning Board, has been made and the completed report has been sent to the United States Department of Interior for review and recommendations by the Secretary of the Interior. If favorable, this would place the area within the National Park Service for development and designation as a National Monument.

The work on the comprehensive plan for the Town of Plymouth being accomplished through a Planning Assistance Grant from the Federal Government has progressed very well. The Planning Board has held many meetings with representatives of the planning consultant firm of Adams, Howard and Oppermann and much has been accomplished. This study which includes Population, Circulation, Neighborhood Analysis, Community Facilities, Future Land Use, Sub-division Rules and Regulations and Zoning will be completed June 30, 1966. The original grant was amended in July to include a Detailed Soils Survey Report of the Town of Plymouth.

The Planning Board also participated in the study of an alternate site for the Sewage Treatment Plant as recommended by the Planning Consultants. An appropriation of \$1,000.00 was made by the Advisory and Finance Committee for this study and the firm of Metcalf & Eddy, Engineers was retained. This report will be presented at the next Annual Town Meeting.

Respectfully submitted,
DAVID M. CRAWLEY, Chairman
RONALD A. FORTH, Clerk
ALFRED ALMEIDA
WILFRED J. BROWN
ELMER R. HARLOW, JR.

REPORT OF THE DEVELOPMENT AND INDUSTRIAL COMMISSION

The Plymouth Development & Industrial Commission has held a total of fourteen (14) meetings to date. A special meeting was held with the Plymouth Chamber of Commerce on February 17, 1965 and a Seminar at the Hilltop Mansion organized by the Plymouth Development & Industrial Corporation and co-sponsored by the Plymouth Chamber of Commerce and the Plymouth Development and Industrial Commission was held on September 21, 1965.

By letter of June 16, 1965 from the Selectmen, Mr. Sumner T. Urann was appointed to the Commission to fill the vacancy caused by the resignation of Mr. Hyman Sherman.

Many hours have been spent by the individual members of the Commission with prospects showing them the properties and buildings available in Plymouth. With this support of individual members and our consultant, Mr. William G. Hazeltine, twenty-four (24) concerns have been contacted to no avail because of: 1. No area and 2. No suitable available buildings.

The Commission has worked closely with the Mass. Dept. of Commerce and the Plymouth Area Chamber of Commerce in following up any and all leads and with the announcement of the closing of the Plymouth Cordage Company the importance of the Commission was greatly stressed. Now there is an even greater need of full cooperation of all Town Departments and Townspeople. There is now one and one-half million square feet of space which will be available at the Plymouth Cordage Company to offer prospects.

Because of the threatened unemployment and lack of industry the Commission instituted a Citizen's Participation Committee to apply for very recent Economic Development Assistance from available Federal Funds. As a distressed area under this application, we are entitled to:

1. Up to 80 per cent Financial Assistance for Accepted and qualified Public Works Pro-

- grams. (The highest amount in the State).
Roads, Sewerage, Planning, Engineering.
2. 90 per cent Financial Assistance for Technical Assistance if properly qualified.
 3. 75 per cent Financial Assistance for Planning Grants, Man Power, all expenses.

With the approval of this application for Federal Funds, we will also receive funds from the State which will help the immediate needed employment situation.

The necessity of land for a developed Industrial Park is very important for the future of Plymouth—indicated by many expanding industrial concerns who are located in Massachusetts, one of the largest which wrote “When you can offer us one hundred acres of land, properly zoned, with access, sewerage and water at a fixed price, we shall be glad to hear from you.”

The Commission now feels its reponsibility of leadership as never before in its ten years of operation. Based on leadership in a constructive program, leadership in seeking assistance from every person in Plymouth to cope with the problem of extremely high unemployment and low family income, aggravated by the closing of the Plymouth Cordage Company and the existing needs even before this for new industry is the challenge in 1966 which cannot be ignored.

Respectfully submitted,

VINCENT J. NICOLI, Chairman

CHARLES F. WALKER, Vice-Chairman
& Secretary

REPORT OF THE PLYMOUTH HOUSING AUTHORITY FOR 1965

The architectural firm of David Crawley Associates has been employed to draw plans for another Elderly Housing Project to better care for the demand for this type of housing. It will be located on South Street at a point which is nearer to the center of town than any other usable site of sufficient size.

The Housing for the Elderly at Castle Hill established and operated under Chapter 667, Acts of 1954, has proven to be very satisfactory. Any vacancies which occur are immediately filled by applicants on the waiting list.

The charges and limitations are as follows:

Single Occupancy		Double Occupancy	
Admission limits	\$2,500.00	Admission limits	\$3,000.00
Charges	26.5%	Charges	28.5%

The Veterans' Housing Project at Olmstead Terrace and Standish Court established and operating under Chapter 200, Acts of 1948, continues to have a waiting list and is kept fully occupied.

The grounds have been greatly improved by additional curbing and grading. Thanks largely to the sense of responsibility of its tenants, this project remains generally one of the more attractive veterans projects in the Commonwealth.

The charges and limitations are as follows:

Minor Dependents	Admission Limits	Continued	
		Occupancy Limit	Rent
One or less	\$4,800.00	\$5,500.00	18% of income
Two	5,000.00	5,700.00	16% of income
Three or more*	5,200.00	5,900.00	14% of income

*\$200 deduction from total income for each minor dependent child in excess of three.

REPORT OF THE BOARD OF PUBLIC WELFARE FOR 1965

At the organizational meeting of the Board of Public Welfare, held following the Annual Town Meeting, Francis H. Murphy was elected Chairman, and Alton Giovanetti was elected Delegate-at-Large to the Town Meeting. Allen B. Wood, Director of Public Assistance, was re-appointed Secretary to the Board.

The expenditure for salaries and general administration for 1965 totalled \$61,998.58. The Federal share of this amount was \$32,322.39, and the State share was \$11,396.39; leaving a net cost to the Town of \$18,279.80. Administrative costs amounted to six and five-tenths per cent of the total expenditure.

The cost of assistance in 1965 was \$908,719.51. The Federal share of this amount was \$403,657.18 and the State share was \$309,323.98; leaving a net cost to the Town of \$195,738.35. Over 45 per cent of the expenditure for assistance was for various kinds of medical care. More than two-thirds of this was paid to hospitals and nursing homes. While the total cost increased by \$57,122.90 over 1964, the cost of medical care increased by \$65,067.73. The number of persons receiving aid in all five categories of Public Assistance combined averaged 877.

Recoveries totalling \$26,436.87 were made during this year. \$26,379.37 of this amount was recovered from Old Age Assistance real estate liens.

The case work services which take a large part of the time of our Social Work staff are not reflected in these statistics. During 1965, our Social Work staff made 3,323 "purposeful contacts." Of these, 1,505 were made in connection with the investigation of initial and continuing eligibility, while 1,818 were made in connection with the provision of certain specific social services.

The Board of Public Welfare wishes to express its thanks to the various Town Departments, private social agencies, medical practitioners, druggists, hospitals and nursing homes for their cooperation during the year.

Respectfully submitted,
FRANCIS H. MURPHY, Chairman
JOHN J. MAGEE
MARGARET E. McLEAN
WILLIAM B. STEARNS, JR.
ALTON GIOVANETTI

Board of Public Welfare
ALLEN B. WOOD
Director of Public Assistance

REPORT OF THE TREE WARDEN

In 1965 Tree Planting was carried out and 65 trees were planted in the spring.

Due to the drought a Fall Planting was not carried out.

In cooperation with the Highway Department trees were removed on the Billington Sea and Wareham Roads for the widening of the roads.

Also the usual program of cutting dead trees along the roadsides was carried out with the Highway District Foremen.

Respectfully submitted,
DANIEL L. HOLMES,
Tree Warden

Lothrop Withington, Jr. Alternate Wire Inspector

776 permits issued
204 permits were for new construction
6,137 miles traveled
626 inspections made
Cash Receipts \$5,227.50

Respectfully submitted,
STANLEY NOEL
Wire Inspector

ANNUAL REPORT OF THE BOARD OF SELECTMEN

For some years the Selectmen have urged all Town Departments and Committees to prepare short, concise, reports for inclusion in the Annual Report, in the interest of economy and ease of comprehension. Like them, we find it difficult to compress the events of a year into a brief summary. The Selectmen are dealing with a mass of routine matters; and, mingled with it, a relatively small number of much more significant problems.

As the result of an opinion requested of the Town Counsel matters concerning the function of the Dog Officer and complaints about dogs in the community have been transferred to the Public Safety Commission as being properly within the jurisdiction of that Commission, thus relieving our Board of a number of time-consuming complaints.

A majority of our Board felt that the increase in the summer population justified another seasonal all alcoholic package store license, and the official per census increase in year-round population gave the Town the right to another annual license of the same sort. Both of these were issued.

General metered parking facilities have been increased by the lease of land from the Plymouth-Home National Bank between North and Brewster Streets, where they are particularly in demand during the tourist and shopping seasons. Insurance coverage for Town employees has been increased by the inclusion of School Department personnel at their request under the Town insurance program. The installation of two-way radios has proven very helpful for Highway Department activities, especially in snow removal and two more are being requested at the coming March Town Meeting. Resurfacing and repair of Town streets has been carried on with such money and equipment as was available. Shore protection projects at Ellisville and Plymouth Beach, which had been stalled for several years while awaiting State participation, were finally begun and completed during the year. One project in the Manomet section had to be abandoned at least temporarily with the consent of the Town meeting due to vastly in-

creased costs. We hope that State funds will be made available in 1966 to continue protection work particularly in the vicinity of Plymouth Beach extending north-erly from the present bathhouse location.

Two major projects confront the Town for the 1966 and 1967 periods. One is the Harbor Dredging Project which will include construction of a breakwater. We consider this of vital importance to the economy and welfare of the Town and are bending every effort to see that it is accomplished. A report of the Harbor Com-mittee, which has worked hard for this project will be found elsewhere in the Annual Report. The second proj-ect is the Sewage Treatment and Disposal System which has been discussed at length and made slow but steady progress for several years. These two projects are affil-iated, and both depend largely on Federal funds, all of which multiplies the problems.

On October 1, 1965 the Massachusetts Selectmens' Assciation honored us by holding its annual meeting at White Cliffs. In spite of wind and rain this meeting, one of the largest the Association has had, was generally considered successful.

One change in the membership of our board should be noted. Mr. Francis P. Shea, a member and the Chair-man for several years, submitted his resignation on as-suming a new position as the local Postmaster. We ac-cepted the resignation with regret, knowing how valuable his experience and ability had been to the Board and the Town. Our newest member is Mr. Edward J. Wil-son who has been a regular and enthusiastic attendant at special meetings and hearings in Boston as well as regular meetings.

Respectfully submitted,

SUMNER A. CHAPMAN, JR.
DENNIS L. COLLARI
EDWARD WILSON
GEORGE E. RANDALL
WILLIAM H. BARRETT

ANNUAL REPORT OF THE CEMETERY COMMISSIONERS

To the Honorable Board of Selectmen:

In addition to the regular care and maintenance of our several cemeteries we wish to call attention to the following:

At the Oak Grove and Vine Hills Cemeteries we have resurfaced a considerable area of several roads in the vicinity of the office and tool house. We have planted eight Norway Maples to replace some of the trees lost; and have also been able to do some extensive tree trimming which has been put off for several years. The exterior of the tool house and office was given a fresh coat of paint. It was also necessary to make some unplanned for repairs to this building due to vandalism and a forced entry. This also required replacement of some tools which were stolen and replacement of a metal desk which was damaged beyond repair.

At Burial Hill we have continued the work of preserving the older stones. We continue to lose trees here due to the Dutch Elm Disease. This year we lost five more. In addition to the removal of these diseased trees we have done a complete job of trimming the others. Vandalism continues to be a problem at this location.

Most of the other cemeteries have required only regular maintenance except when damage has been caused by vandals.

On Monday, June 28th the entire Board of Cemetery Commissioners attended a hearing at the State House in Boston, relative to the County Commissioners having filed a bill requesting permission to take a strip of land from Burial Hill. This strip thirty feet wide was to be taken along South Russell and School Streets for a distance of five hundred feet. The Cemetery Commissioners were all opposed to this bill. It received an unfavorable recommendation from the Joint Committee on Counties and was voted down in the House.

The Cemetery Commissioners have met with representatives of the Municipal Garage Committee, the Committee for the study of the location for a new police and fire station and the Committee for the disposition of the

properties known as the Cornish-Burton School and discussed the addition of our parking lot to the Cornish-Burton area; if and when the Cornish-Burton land is to be a parking area.

We have been considering the proposition of having Burial Hill certified as a Massachusetts Landmark by the Massachusetts Historical Commission.

The Commissioners would like to express their thanks to all personnel in the department for a job well done in the maintenance and care of our cemeteries and other services performed.

Our thanks, also, to Chief Murphy, Daniel Holmes — Tree Warden and the Water Department for their services and co-operation, in the various ways they have been of assistance.

The receipts and payments of the department are listed in Schedule "A" and "B" of the Town Accountant's Report.

Respectfully submitted,

F. WILLARD DITTMAR, Chairman

GEORGE E. RANDALL

JAMES A. WHITE

Board of Cemetery Commissioners

AUSTIN S. FRATUS, Superintendent

REPORT OF INSECT PEST CONTROL

In 1965 a total of 35 trees were sampled for Dutch Elm Disease of which four (4) were at Burial Hill Cemetery.

All were removed and burned as soon as possible.

This program along with a spray program is helping out on Dutch Elm Disease.

Respectfully submitted,

DANIEL L. HOLMES,

Supt. of Insect Pest Control

ANNUAL REPORT OF THE ZONING AGENT

To the Honorable Board of Selectmen:

The following is the annual report of the Zoning Agent for 1965:

- 1342 Calls made on Zoning and Planning Requirements
- 11 Inspectional Reports requested by the Selectmen
- 4 Zoning violations referred to the Board of Selectmen for enforcement
- 48 Referrals to the Zoning Board of Appeals for variances
- 284 Zoning complaints of violations investigated
- 284 Zoning complaints of violations corrected without court action
- 2 Trailer violations enforced.
- 10 Trailers inspected
- FENCE VIEWER AND FIELD DRIVER
- 16 Fence viewing investigations

Respectfully submitted,

ALBERT F. SAUNDERS,

Zoning Agent

REPORT OF THE TOWN FOREST COMMITTEE

Firelanes were cleared and plowed. Roads were cut back and underbrush cut and burned. Also 2,000 white pine were planted.

Respectfully submitted,

JAMES A. WHITE, Secretary

HAROLD G. ROBERTS

DANIEL L. HOLMES

Town Forest Committee

1965 REPORT OF THE PLYMOUTH HARBOR COMMITTEE

To the Honorable Board of Selectmen and
To Town Meeting Members:

The permanent Plymouth Harbor Committee, authorized by Town Meeting vote, submits the following report in accordance with Article 102 of the 1962 Town Meeting.

The Committee held regular monthly meetings, and special ones as required throughout the year, to discuss and solve various problems and details concerning our harbor, water front, and related facilities, and to act on matters for the Board of Selectmen as requested.

Harbor rules and regulations put into effect a year ago have been most successful. The new State Pier, to be known as the "James T. Frazier Memorial State Pier," is now nearing completion. It is gratifying to know that the State was willing to cooperate with the Town in our recommendations to build the pier to a more functional design than was originally planned.

The completion of the Federal Plymouth Harbor Navigation Project, consisting of a 3500-foot breakwater and encompassing 60 acres of new dredging is, of course, our prime objective.

The project is estimated to cost \$2,325,000, of which the Federal Government shares 80 per cent and assumes all maintenance, and the State and Town share equally in the amount of 20 per cent. At the last Annual Town Meeting, the Town of Plymouth appropriated its share in the amount of \$232,500. The Federal Civil Works Appropriation Act for Fiscal Year 1966, which is the present fiscal year ending June 30, 1966, provides funds for initial construction.

At the time of this writing, the Committee is faced with two problems which could affect the start of construction.

The State's share in the amount of \$232,500 is not now available. Assurances have been made, however, that money will be forthcoming in the near future.

The second and more difficult problem concerns the sewer outfall just East of State Pier. The Army Engineers state that they plan to start construction work on or about April, 1966, providing that at that time, the Town has the authority and funds necessary to remove the existing State Pier outfall, either by installation of a sewerage treatment plant, or by extending or relocating the existing sewer outfall. We are diligently working on this matter and, hopefully, will have answers by Town Meeting time.

Meetings with the Board of Selectmen, Town Conservation Committee, Town Sewerage Committee, Planning Board, Finance Committee, and State and Federal Senators and Representatives, as well as others interested in our Town, have proved successful in our efforts to make our harbor and water front a major asset to America's Home Town.

REPORT OF THE CONSERVATION COMMISSION

Honorable Board of Selectmen
Gentlemen:

This year in the field of conservation, great changes have taken place; namely, Bill No. 3861 for the protection and preservation of the vital coastal wetlands, and Bill No. 3388 for the protection of fresh water flood plains and natural water retention areas. These laws have placed Massachusetts at the forefront of our country in protecting these areas from being developed, filled and used as dump sites, etc., thereby allowing them to fulfill their extremely important natural functions.

The fact that the State has acquired several areas on local ponds, which we had under consideration, has served our purpose and saved the town considerable amounts of money. Large and worthwhile funds are available from both State and Federal sources for local conservation and recreational purposes, making us feel that on every project proper consideration should be given toward acquiring as much of these funds as is available to us. Some of these funds, however, are available only on a matching basis with local funds.

The Conservation Commission is constantly inquiring and seeking out opportunities to preserve Plymouth's rich heritage in natural beauty and resources. Preserving our natural resources is everyone's concern. Let us keep it so. It can never be replaced.

Respectfully submitted,

REGINALD J. MAROIS,

Chairman

FRANK E. ALSHEIMER

Vice-Chairman

ROBERT L. FOLGER

EDWARD W. BURGESS

JOHN SAMPSON

OFFICE OF VETERAN'S SERVICES

The Honorable Board of Selectmen

Plymouth

Massachusetts

Gentlemen:

Recapping the activities of the Veterans' Department for 1965 necessitates comparison with the previous year. We do know that there were no major changes entering into the 1965 problem, and that surprisingly, the total expenditure figure held the line. We are happy to report that there was a slight decrease of expenditures for Assistance in 1965 over 1964: This was due primarily to four factors, i.e. (1) more pensions were obtained than in previous years as percentage of disability requirements decrease with age, (2) a slightly lower average case load due to a fairly low unemployment picture in the area particularly during the latter months of the year, (3) no radical changes in the State set budgetary allowances, and (4) an increase in refunds over previous years.

It is interesting to note that the expenditures for Ordinary Benefits (food, shelter and clothing) actually decreased in 1965. However, as reported by other Public Assistance Agencies, the cost of providing medical support increased.

We continue to remain most fortunate in being able to obtain VA hospitalization for our Veterans. The year 1965 showed a marked increase in these admissions saving the Town a possible additional expenditure of \$32,000.00. There likewise was a marked increase in pensions processed, so that today we are able to estimate that the Veterans of Plymouth are receiving approximately \$350,000.00 annually in pensions and compensation. Providing the VA type services to the Veteran

and his dependents continues to be the prime function of this office.

For the year 1966 we anticipate many changes with an overall increase in costs. This is necessitated by enactment of Chapter 793 Acts of 1965, effective March 10, 1966, which makes Plymouth immediately responsible for any Veteran or dependent *residing* here rather than by the Town or City settlement. In doing away with the settlement laws the Department of Veterans' Services now operates on the same residential requirement as Public Assistance. Secondly, Governor Volpe has signed into law a bill which makes Veterans of Vietnam eligible for Veterans' Benefits. This presently has an unknown future effect but is wholeheartedly endorsed.

This Department is most thankful for the continuing cooperation of everyone concerned with helping the Veteran and especially wishes to thank not only the Selectmen, the Finance Committee, the Police Department and the Department of Public Welfare, but also extend our "well done" to the School Nurses, the Community Nurses, the Society for Prevention of Cruelty to Children, the Town Counsel and the Town's Veterans' Organizations, who all continually are called upon, for their ever willing help.

Respectfully submitted,

CHARLES C. HENDERSON

Director

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

Board of Selectmen
Town Hall
Plymouth, Massachusetts

Gentlemen:

As commissioners of the Plymouth County Mosquito Control Project, we are submitting to your Board and the residents of Plymouth, the annual report of the Project as prepared by the superintendent.

We have attempted in a brief manner to acquaint your townspeople with the Project's activities and objectives.

Respectfully,
HERBERT H. LANMAN,
Chairman

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT ANNUAL REPORT FOR 1965

I will briefly outline your Project's activities during the past year.

We are at last realizing results from the reclaiming of marsh trenches. Two weeks were again spent on the Saquish marshes with a crew of men. Definite results have come from our trenching program in this area. Other areas trenched with our back-hoe are in the Stevens Field area, Nelson Street and Knapp Terrace. Brushing and cleaning is being undertaken at present in Standish Avenue and Samoset Street area, River Street and in Manomet. These areas will soon be trenched with our back-hoe unit. Several fresh water feeder streams were cleaned of debris, and small fresh water areas flumed so that we may control water levels to discourage mosquito breeding. This program of control is very im-

portant, as these water holes are beneficial to wild-life.

We are continually troubled by the sewage in both salt and fresh water areas. These prove to be one of the primary sources of mosquito breeding during the summer season. Inspections of private properties have shown that a large per cent of homeowners are encouraging the reproduction of the culex mosquito. Wading pools, bird baths, toys, boats, gutters, disposal areas, abandoned tires and auto bodies are a few of the breeding sites of this specie.

As in past years, aerial applications were applied in highly infested areas. These sprays supplement our ground spraying program which we find is more in demand due to the natural growth of towns in this Project. We also conduct a program of sprays to filter areas, dumps, recreation areas, and camping sites at least weekly. This program is conducted by licensed personnel using chemicals recommended by the State Pesticide Board.

Although the past dry season has helped, a wet spring in 1966 could be most troublesome, as eggs of certain species of mosquitoes will be dormant for years waiting for a blanket of water to activate their growth cycle.

The cooperation of your Highway Superintendent and other town officials is greatly appreciated.

Respectfully submitted,

M. CURRIE BEATON, JR.

Superintendent

REPORT OF THE INLAND FISHERIES COMMITTEE

To: The Honorable Board of Selectmen

Plymouth, Massachusetts

Gentlemen:

Your Committee wishes to report that the appropriation for the year 1965 was expended for nine inch plus german brown trout, which were liberated in Long Pond, Plymouth on October 26, 1965.

In a letter received from the Department of Fisheries and Game, it was recommended that a fall stocking of german brown trout be carried out in Long Pond sometime after October 1st. Due to the low water table and lack of rainfall a summer stocking was not recommended. District Wildlife Manager, Mr. Lewis A. Schotterbeck is very concerned on the forecast of fishing in many of Plymouth's ponds this coming season. It is feared a large percentage of fish have died, because of warm water temperatures and lack of oxygen. Conditions will not improve until pond water levels are back to normal, along with additional stocking.

Your Committee is studying the possibility of constructing a smelt spawning area in Town Brook. There is a small sum of money available, which may be used from the Philip Jackson Fund to help start such a program.

We request that the sum of five hundred dollars (\$500.00) be appropriated for our use in 1966.

Respectfully submitted,

H. H. HAMILTON, M.D.

MARTIN B. PERSON, JR.

DONALD O. TRACY, Chairman

ANNUAL REPORT OF BOARD OF PARK COMMISSION

Overall Financial Report

1965 Appropriation	\$87,743.00
Overdraft	750.00
Interest	117.71
Total Appropriation	<hr/> \$88,610.71
1965 Expenditures	\$88,171.76
1965 Balance to Treasury	\$438.95
1965 Total Expenditures	\$88,171.76
1965 Total Receipts from Bathing, Camping, Parking	<hr/> 29,292.86
1965 Actual Operating Cost to Town	<hr/> \$58,878.90

— RECEIPTS —

It is to be noted that little or none of the receipts taken in by the park department is money from a Plymouth resident or a non-resident taxpayer. It is the purpose and desire of the Park Commission to maintain and provide better and adequate facilities for such visitors who pay into the park department year receipts.

1965 — Receipts	\$29,292.86
1964 — Receipts	24,311.73
Increase	<hr/> \$4,981.13

Park Department Assets:

16 Parks	2 Picnic areas
9 Playgrounds	21 Buildings
5 Bathing beaches	3 Trucks
2 Camp Grounds	Misc. Equipment

Town department cooperation has been excellent with this department both in giving and receiving. We want to give our thanks to all who have joined us in such a program.

Respectfully submitted,

WALTER B. HASKELL, Chairman

The public is fortunate to have in the Library a staff of loyal workers whose cumulated service totals 124 years. To remind you of these friends here are their names and years of service: Mrs. Katharine Freeland 17; Miss Grace Haigh 19; Miss Carolyn Pratt 26; Miss Margaret Osmond 18; Miss Elizabeth Stephan 10; Miss Alta Bumpus 5; Mrs. Mary T. Ellis 5; Mrs. Bettie Neri 2; Mrs. Francis Savery 14; Mrs. Eleanor Fillebrown 9 months; Miss Kathleen Griffin 8 months; Edward Lanman 4 months; Burton Ames 6.

As our collections of art reproductions and phonograph records increase, the borrowing of them also increases. Look for the figures in the statistics which follow.

In spite of rumors to the contrary, Loring Branch Library, on the hill at Plymouth Cordage Company, remains open. We thank the officers of the Company for their cooperation and interest in continuing this service to the community. The children of employees are benefited. You may note, also, in the statistics that borrowing by adults is increasing gradually.

Annual events:

Summer visitors as well as residents of Plymouth and adjacent towns look forward to our book sale and art show in August. The proceeds of the book sale were used to purchase a rotary duplicator.

The art committee, Mrs. William Franks, chairman, voted to conduct the art show according to the principles used by the Boston Arts Festival, among others. Each work entered by the artist was registered and the charge of fifty cents was used to defray the cost of building portable, reusable, heavy screens for display purposes. The committee invited local professionals to conduct and arrange the show. Our sincere thanks go to Mr. Eric Engstrom, Mr. Duncan Weaver, Mr. Marshall Joyce, Mr. Cyril Marshall, Mr. Douglass Gray, Miss Ann Kusmin. We are grateful to the exhibitors who shared their work with a most appreciative public.

Donors:

ANNUAL REPORT OF THE PLYMOUTH AIRPORT COMMISSION

The airport activities continue to show an increase over past years, resulting in added income to the Town. With the completion of the cross runway early in the summer of 1966, planes which have not been able to use the Plymouth airport will be able to utilize our facilities in the future, assuring further income to the Town. Many of these planes are corporate turbo-prop and jet aircraft.

The privately owned new hangar, which houses 10 planes, was completed and fully occupied in November. Land for this venture is leased to the owner by the Airport Commission.

The private airplane maintenance operation continues to show increased business with four full-time mechanics employed year 'round with additional help when the occasion warrants.

Plans and specifications have been completed for the cross runway and upon FAA approval and adequate weather conditions, work will start, with completion expected in early summer of 1966.

The Island Flying Club, with their two planes based at Plymouth, provided the townspeople with an excellent air show in September and have already approached local authorities with plans for another air show in 1966, hoping to make this an annual affair. Following the air

show, approximately 500 passengers were taken for short flights over Plymouth by locally based pilots. First prize for the spot landing contest was won by a pilot whose plane is based at Plymouth and third prize was awarded to a Plymouth student pilot.

The Plymouth County plane is based at the Plymouth Airport, making many trips over the County, assisting in the fighting of forest fires, drownings, and lost children.

There is a student training program carried on year 'round by locally qualified pilots, and arrangements can also be made for charter flights. An instrument ground course was held at the Airport, attended by 20 students, thereby furthering the proficiency of these pilots.

Aircraft based at and utilizing the Plymouth Airport are used both for business and pleasure and planes come and go to nearly half the states in this country and Canada.

Improvements continue to be made to the buildings and premises and first time arrivals are quite impressed with our facilities.

A new addition to our equipment was the installation of a "Fast Line" direct telephone connection to Nantucket, for weather information and the filing of flight plans. This equipment is supplied by the Federal Aviation Agency.

A weather warning system was installed for pilots, to call to their attention the fact that there is inclement weather in the area even though this airport may be flightworthy.

REPORT OF THE TOWN ENGINEER

To the Honorable Board of Selectmen:

During 1965, layout plans were made for Kings Pond Plain Rd., King Ave., Esta Rd., Hedge Rd., Cary Rd., Emerson Rd., Drainage Easement, and Abandonment of a portion of Westerly Rd. These layouts were accepted by the Town in 1965.

Layout plans were also made for Lake Shore Ave., Goddard Court, Brick Kiln Rd., Melix Ave., and a portion of Plymouth St., but these layouts were not accepted by the Town.

Construction plans and specifications were drawn and lines and grades furnished for 2,100 feet of highway construction of Bartlett Rd. to extend the 1963 construction in back of Fresh Pond. This project was built by private contract in the summer of 1965.

The Manomet Heights drainage project was constructed in October of 1965 by private contract.

A survey and plan was made of the Cedarville Fire Station Lot which was purchased by the Town under Article 58 of the 1965 Annual Town Meeting.

A survey and plan was made of the former Cornish-Burton School Lot and adjacent area between Burial Hill and Russell St.

A survey and plan was made of River St. near Clifford Rd.

A total of 80 permanent concrete bounds were set under the supervision of the Town Engineer as follows: King's Pond Plain Rd., 34 bounds; King Ave., 8 bounds; Esta Rd., 8 bounds; Billington St., 10 bounds; Federal Furnace Rd., 20 bounds.

Respectfully submitted,

EDWARD CHASE

Town Engineer

PLYMOUTH REDEVELOPMENT AUTHORITY

The year 1965 started out with the Plymouth Redevelopment Authority hard at work on the job of relocating families and business concerns remaining on site. Difficulty is being encountered in relocating the few remaining families due to large numbers of children and the demand for 4-5 bedroom dwellings. To help solve this situation the Authority added two new relocation staff members—Mr. Dwight B. Johnson, Jr. and Mr. Sumner T. Urann.

The Housing Act of 1964 carried additional relocation benefits for families and individuals being displaced due to the Project. Families within certain income category have received as much as \$500.00 in addition to existing moving allowance. Business concerns being displaced between certain dates have received payments of \$1500.00. These new payments required the LPA to amend the existing contract to read \$108,000 in place of \$48,000 originally approved. These monies have come from 100 per cent Federal Funds.

In January the Authority received word through the HHFA that it had approved the site improvement plans and contract documents and in March bids for the site improvements contract and the supporting facilities contract were advertised. Bids were received and awarded. Successful bidders were: *Site Improvements* — Gil-Bern Construction Corporation for \$569,632.50 — *Supporting Facilities* — Forest Construction Company for \$31,972.00. The actual signing of the contracts took place in April 13, 1965, and the first work was started on May 3, 1965, by Gil-Bern Construction Corporation.

The construction of the new Market Street Bridge became a slow and tedious job caused by numerous amounts of springs in that area. Finally the condition was resolved by installing a well-point system to pump excessive amounts of water out of the Area.

New sanitary sewer, potable water and drainage pipes have been nearly completed with the exception of small sections on Russell Street which is now in the process of being completed.

On November 5, 1965, the Forest Construction Company started their work in connection with the Supporting Facilities contract which includes work to be done to beautify Town Square and also construct a new public parking area next to the Old Town House. Work under this contract is progressing well and on schedule.

Demolition of properties is nearly complete with a total of five structures remaining to be demolished.

The Authority has accepted formal proposals to purchase all disposition parcels of land within the Project Area. Three parcels have already been conveyed to the new developers and construction is already under way.

We are looking forward to the year 1966 as one that will see new construction in the Area to which we are sure all Plymouth Citizens will be able to point with pride.

PLYMOUTH COMMUNITY NURSE ASSOCIATION

To the Honorable Board of Selectmen

Town of Plymouth

The Annual Nursing Service Report of the Plymouth Community Nurse Association, from January 1, 1965 to December 31, 1965, is herewith submitted.

Each year, there are new developments to record, situations to explain, points to emphasize and new deductions to draw. Our annual report does serve an important historical purpose, as it is a collection of data that would otherwise be lost or buried.

During the twelve-month period, a total of 6,926 visits were made to patients in Plymouth and Kingston. Of this number, 1,646 visits were made on behalf of the Plymouth Health Department, an increase of 462 over those made in 1964. 4,074 were general or bedside nursing care; the remaining number included Tuberculosis follow-up, other Communicable Disease and Health Guidance visits to all age groups.

One of the points we would like to emphasize in this report, is the importance of immunization. We continue to assist the Board of Health, here in Plymouth, with this type of clinic. During the past year, twelve immunization clinics were held at the Town House; two of which (in July and August), were for Polio Vaccine only. A total of 655 DPT injections, vaccinations, polio vaccine drinks and measles vaccine were given by Dr. Frank J. Abate, Board of Health physician and the P.C.N.A. nurses. In December of 1965, Measles vaccine was added to the list of diseases for which we offer protection. When the majority of the population is immunized, there will be no epidemics; only a few scattered cases. Is it not a pity that anyone should suffer through a disease that could have been prevented?

Eleven Chest X-ray clinics were held during the year, one of which was a make-up. No clinics were held in July or August. A total of 573 persons were x-rayed and examined.

Twenty-three Well Child Conferences were held during 1965. A total of 524 infants and preschool children were seen and examined by our W.C.C. pediatricians and 271 Tuberculosis skin tests were done at these conferences.

One of our rather unsuccessful ventures, was attempting to establish classes for expectant parents, to have been held in our offices. However, through the diligent efforts of our nurses, we are reaching these prospective parents in their homes.

Two of our nurses attended, once a week, a six-week Respiratory Disease Institute, conducted at Norfolk County Hospital. We also attend as many other lectures and meetings during the year, as is possible and advisable.

We now have each of the students attending the Jordan Hospital School of Practical Nursing, with us for four days a week, to observe our work and organization. We are pleased to have these students and they give much to us through their enthusiasm, interest and fine training.

We are looking forward with interest, to the changes Medicare will bring. At this time, we do not have sufficient information to estimate what changes this legislation will bring.

May I repeat, the aim of our organization, which I like to think is giving to our Communities, the finest home nursing service in the prevention and treatment of diseases.

In closing, I would like to thank all the members and friends of our Association and our Board of Directors, for their support and interest. I would especially like to commend our fine nursing staff for their wholehearted gift of service which is the very essence of Public Health Nursing.

Respectfully submitted,

(MRS.) MARION A. HEDGE, R.N.

Supervisor

REPORT OF THE SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit a report of the work done in the Highway and Sewer Departments from January 1 to December 31, 1965:

SEWERS

Approximately seven miles of our main sewers were dragged in removing tree roots, debris and hard grease. Manholes were repaired and cleaned with new frames and covers replaced on worn manholes. Eighteen house services and four commercial services have been added to the main sewer system in the Town of Plymouth. It was necessary for the department to build new manholes on certain streets where trouble spots have occurred with the main sewer since the department has adopted the system of not clearing house services. The main sewer at Park Road was extended a distance of 150 feet of 8-inch clay pipe to connect the Sgarzi property into the main sewer line. The Forrest Construction Co., Inc., of Norwood, Massachusetts was contracted to make the emergency sewer repair of Water St. for the collapsed standpipe at a cost of \$6,342.45. Work started on June 10, 1965 and was completed on June 23, 1965.

STREET CLEANING

The Elgin motor pick-up sweeper cleaned two thousand seven thirty-three curb miles from March 3, 1965 to November 3, 1965. The main street from Jabez Corner to Seaside line was swept each day including the waterfront from Main St. Extension to Town Wharf. The side streets in town and the north end were swept every other day.

During the spring months the hand sweeping of the heavy winter sand was completed by the department. Early Sunday morning sweeping through the business section and the water front was carried out during the summer months.

ASPHALT SIDEWALKS

The maintenance and construction of asphalt sidewalks were completed on the following streets: Oak St., Court St., Clifford Road, Royal St., Castle St., Atlantic St., Bay View Ave., Sandwich St., Stephens St., Cherry St., Standish Ave., North Spooner St., Savery Ave., Cordage Terrace, South St., Taylor Ave., Murray St., Brookside Ave., Water St. at Governor Bradford Motor Inn, Harbor Flying A Service Station, Town and Stafford Sts. and Obery Street. With the cooperation of the Tree Department, tree roots and stumps that had raised sidewalks were removed by this department and brought to grade at a later date by the Highway Department. I am planning to continue the sidewalk program in 1966 providing funds are made available at Town Meeting.

DRAINS

A drain was installed on Farmhurst Road in Manomet, a distance of 624 feet of 12-inch concrete pipe with three catchbasins built to keep surface drainage water from flooding cellars. A drainage problem was corrected on Cherry St. Court by building two catchbasins and laying of 160 feet of 12-inch concrete pipe on town right of way to a deep hole. The Town of Plymouth drainage system in the rear of the Plimoth Plaza was extended with 80 feet of 24-inch corrugated pipe to allow Mr. Pioppi to continue to fill in his land. At Roy Sampson's on Federal Furnace Road, the required easement was obtained and one catchbasin and 40 feet of 12-inch concrete pipe was installed to keep drainage water from entering the Sampson yard.

The troublesome basins received their usual flushing with new pipes replaced where needed. Many cement slabs over the catch basins were replaced with grates and frames for better protection. The new STETCO hydraulic catch basin cleaner with a 15-inch orange peel bucket purchased this year has proven very satisfactory in cleaning out approximately 400 basins throughout the town and Manomet. This catch basin cleaning unit was purchased from Casey & Dupuis Equipment Corp. of Watertown, Massachusetts for \$3,194.80.

FENCES

The Reliable Fence Company of Norwell, Massachusetts was awarded the bid according to specifications for installing the following chain link fences (Sandwich St. at Ella Donovan's — 185 feet, 4-feet high with one gate, Clifford Road — 360 feet, 4-feet high on north and south sides; Standish Ave. at brook across from Lafayette Court — 100 feet, 3-feet high and Sandwich St. and Howes Lane — 61 feet, 3-feet high. The chain link fence at the Clifford Road Bridge was replaced shortly after installation by a wooden fence at the request of the abutters. The expense for the material for the wooden fence was shared by the abutters and the Highway Department men erected the rail fence to their satisfaction. The 360 feet of 4-foot chain link fence has been stored at the Highway Department garage for future use. At Manomet Point, 460 feet of fence was installed by the Reliable Fence Company with the cement posts and wooden rails bolted. This fence was painted white by the Manomet District men. A small section of wooden fence was built at Bartlett Road Bridge and painted white. A 4-foot high chain link fence was installed on the east side of the Town House with the fence that was salvaged from the Market St. re-development area.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

The following streets were paved with a 2½-inch type I mix over the old pavement consisting of a 1½-inch base and 1-inch top: South Street (back of playground), Cushing Drive, Bourne Street, Sever Street and Hemlock Street. These two streets were paved with a 3-inch mix-in-place top of gravel and asphalt over existing gravel base: Westerly Road from Summer St. to Billington St., a distance of 2,650 feet and Hilltop Avenue in Manomet from Taylor Ave. to a dead end, a distance of 1,650 feet.

Chapter 90 Maintenance

The State, County and Town share one-third of the cost on the following maintenance of streets in the amount of \$6,000.00: a section of Obery Street paved with 606 tons of Type I mix from South St. to the County Farm Road by Southeastern of Cape Cod, Inc.;

Samoset Street from the water tank to the Carver Road; mixed-in-place surface followed by a seal coat of one-quarter gallon of asphalt per square yard and covered with sand.

Chapter 782 Acts of 1962

Lewis Street and Olmstead Terrace were paved with a Type I surface with the balance of the funds provided by the State under Chapter 782 Acts of 1962 of the General Laws.

Chapter 822 Acts of 1963

The following were completed with aid of funds furnished by the State under Chapter 822 Acts of 1963 of the General Laws: Cliff Street, widened from 21 feet to 25 feet with shoulders gravelled and Type I surface constructed 2½ inches in depth in two courses of 1¼ inches each. Funds still remain in the project for a 4-foot blacktop sidewalk to be laid on the south side of the street in 1966.

Federal Furnace Road, widened 20 feet to 26 feet from the Carver line to 500 feet towards the Plymouth line. A mixed-in-place surface 1½ inches in depth was laid over the widened section of 500 feet. A manhole was built about three feet off the road for drainage. In 1966 approximately 400 feet of Type I pavement will be continued on this section of Federal Furnace Road with the remaining funds.

Manomet Heights Drainage

Manomet Heights drainage system of 413 feet of 12-, 15-, and 18-inch asphalt covered corrugated metal pipe with five new catchbasins and one altered existing basin with 4,339 feet of bituminous concrete berm was completed by Balboni Bros. of Plymouth for \$5,898.00.

Bartlett Road Construction

A section of Bartlett Road was improved from Indian Cemetery to Route 3A by construction of a section of highway 2,100 feet long, including a mixed-in-place bituminous surface, gravel foundation and drainage. Seven catchbasins were built

and the laying of 600 feet of 18 inch reinforced concrete pipe and 85 feet of 12-inch reinforced concrete pipe and one head wall to drain surface water into Bartlett Pond. The road foundation was variable in depths and gravel 4 inches deep was laid over the present road and shoulders were widened with gravel 8 inches in depth. A 3-inch mixed-in-place surface including driveway approaches was laid and sealed with a sand cover. Balboni Bros. Inc. was awarded the contract for this work for \$13,247.87.

Granolithic Curbing and Sidewalk

Louis Cotti & Sons, Inc. of Plymouth submitted the lowest bid for the construction of concrete curbing: Nick's Rock Road, south side — 238 feet; Royal Street, west side — 254 feet; Olmstead Terrace, north side — 256 feet; Nick's Rock Road, north side — 1,437 feet and Park Road, north side — 545 feet. At the Bluebird Restaurant 135 feet of curbing was raised and reset to keep water from entering the restaurant. A new concrete sidewalk was laid with the owner of the Bluebird Restaurant sharing one-half of the cost. At the Harbor Flying A Service Station, located at the corner of Park Avenue and Water Street, the corner was cut back for a distance of 30 feet to make a secure entrance on Water Street. The 30 feet of cement curbing was replaced and painted white.

TRAFFIC AND STREET MARKING

Traffic lines were painted yellow and white this year conforming with the state traffic regulations. White crosswalks were painted in the spring and fall and repainted as needed. Taxi stands and restricted areas were painted yellow. A yellow center line was painted on South St., for a distance of 500 feet and on Birch Ave. for a distance of 250 feet. The traffic department made and erected several new scotchlite traffic and street name sign faces all conforming to state regulations.

Miscellaneous

Equipment purchased this year for the Highway Department includes a 1965 International dump truck with a 1956 International dump truck trade-in for \$4,600.00

purchased from Town Brook Service Station. The Catch Basin Cleaning Unit with a 15-inch orange peel bucket was bought from Casey & Dupuis Equipment Corporation of Watertown for \$3,194.80. A lightweight 3-inch single diaphragm pump mounted on rubber-tired wheels was purchased for use in the sewer department for \$398.00.

The work in the Manomet, Long Pond and Cedarville districts has been carried out satisfactorily by the three district foremen. The cutting and burning of brush, gravelling, widening of bad corners, snow and sanding, scraping of dirt roads and applications of calcium chloride to lay the dust, were all given proper attention.

The requests from the Selectmen's Office and other town departments were taken care of as received at the office.

Newly accepted streets have been bounded by the Town Engineer with bounds made by the Highway Department.

Permits to dig up and open the grounds were issued to the local gas and telephone companies who properly guarded and lighted all excavations.

Lines and grades for street, drain and sewer work have been supplied by the Town Engineer, Edward Chase, and records of same filed at his office on Lincoln Street.

Respectfully submitted,

RALPH L. BONNA
Supt. of Streets and Sewers

Town of Plymouth
Report of Advisory and Finance Committee
on the
Articles in the Town Warrant

March 27, 1965

The Town of Plymouth this year can meet the cost of community services and improvements on what we believe to be a highly acceptable level while holding the line on the tax rate.

The following are highlights of what the appropriation requests recommended for acceptance by the Advisory and Finance Committee would provide:

1. Wage and salary increases reasonably in line with generally rising pay rates elsewhere or, in regard to teaching personnel, slightly above new minimums established by State law.
2. Payment of the Town's share of work on Supporting Facilities to be done this year in accordance with the October, 1962 contract with the Plymouth Redevelopment Authority.
3. Immediate payment of a substantial part of the Town's share of Harbor improvements to be financed principally by Federal funds under a plan initiated almost ten years ago.
4. Full payment for the proposed new fire station in Cedarville.
5. Updating and improvements in equipment, buildings, roads, etc. including replacements for seven vehicles; surfacing work on about twelve miles of roads; the beginning of a long-range, town-wide program of repairs to existing sidewalks, and acquisition of major new office machines for the joint use of three departments.

In making their decisions, we hope the Town Meeting Members will find our recommendations useful and also will find useful the additional information in this year's report. If the recommendations are followed, the tax rate should be about a dollar less than in 1964, the exact amount depending on the new net valuation applied in setting the official rate later this spring.

We wish to express our deep appreciation to the Town Officers, Commissioners, Department Heads and all others who have been so cooperative in the preparation of the many budgets and the warrant articles.

**REPORT OF THE CAPITAL OUTLAY EXPENDITURES COMMITTEE
DECEMBER 21, 1964**

The Capital Outlay Expenditures Committee was established to inform the Town each year of anticipated capital expenditures for the succeeding five years. This forecast is compiled from estimates submitted by the departments and committees. A capital outlay is defined as an expenditure of not less than \$1,000 for an item that will serve the Town for a number of years.

With the cooperation of all Town departments and committees in providing information, the Capital Outlay Expenditures Committee will be able to predict in advance the effect of capital expenditures on tax rate over a period of years.

The function and duty of the Capital Outlay Expenditures Committee, which was created at the 1963 Annual Town Meeting, are to schedule and report to the Advisory and Finance Committee as to the Town's anticipated future capital improvements over a period of years according to priority of need and consistent with its fiscal procedures and its ability to pay. In addition, the Committee's objective is to forecast necessary borrowings and their probable impact on the operating budget and on the tax rate of the Town.

The annual operating budget, namely Article 7, while being far from routine and uninvolved, generally contains the same items from year to year, varying in amounts as the needs require. Certain necessary future capital outlays are inevitable and these expenditures should be set down on a long-range plan so that they may be met in a practical and knowledgeable manner in step with growing needs of Town.

The projects and capital outlay expenditures as reported by the various Town departments and special committees have been listed on the following pages in schedule form. These reports may be revised annually and additional projects listed in order to give the Town more complete and updated information. The cooperation of the departments and committees is very important and the Committee wishes to thank all who submitted reports.

 Towns selected for comparison fall into one or more of the following categories:

- Those located in Plymouth County.
- Those having a considerable summer tourist and/or summer resident business.
- Those of comparable size to Plymouth according to the 1960 census
- All towns have populations from 10,000 to 15,000.

 Bureau of Government Research, University of Massachusetts

TOWN FINANCE TERMINOLOGY

The following terms are frequently used in the Annual Town Report and at Town Meeting. In order to provide everyone with a better understanding of the meaning, the following definitions are provided:

SURPLUS REVENUE: (Often referred to as "Excess and Deficiency")

This fund represents the amount by which the Cash, Accounts Receivable and other current assets exceed the liabilities and reserves. This is a bookkeeping item.

AVAILABLE FUNDS: (often referred to as "Free Cash").

A fund certified annually by the State Bureau of Accounts by deducting from surplus revenue all uncollected taxes for prior years. This fund may be used by a vote of the Town Meeting.

OVERLAY:

The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements granted and avoiding fractions.

RESERVE OVERLAY:

This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extra-ordinary or unforeseen purposes or voted into the Reserve Fund.

RESERVE FUND:

This fund is established by the voters at an annual town meeting only and may be composed of (a) an appropriation (not exceeding 5 per cent of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both.

Transfers from the Reserve Fund are within the exclusive control of the Finance Committee and are for "extra-ordinary or unforeseen expenditures."

STABILIZATION FUND:

This is money set aside in interest bearing accounts for future capital outlay expenditures, i.e. building or remodeling of Town buildings.

**THIRD ANNUAL REPORT OF THE
CAPITAL OUTLAY EXPENDITURES COMMITTEE
DECEMBER 21, 1965**

In connection with long-range planning, which is its function, the Capital Outlay Expenditures Committee also intends to project the estimated tax rates for the years in which the expenditures may be made for the purpose of stabilizing the tax rate.

The 1965 forecast is based on reports submitted by twenty-five of the various Town boards, commissions, departments, and special committees. We wish to emphasize that the anticipated year or years of expenditures as indicated in the schedule of proposed projects are recorded as reported to us by these agencies of the Town. In evaluating these requests, we would suggest that consideration be given either to initiating some of these projects before they have been requested or delaying them, as the case may be, in an attempt to stabilize the tax rate. Only when estimates of costs are provided with all reports of proposed projects will it be possible to relate the effect on the tax rate statistically.

We wish to point out that the 1965 schedule does not reflect the additional operating expenses, such as maintenance, personnel, etc., that may result when specific projects are completed and in operation. We are also aware of the fact that certain properties will be available to the Town by virtue of the proposed municipal buildings included in this report and that returns might be expected from the urban redevelopment area as it is rebuilt.

We, the members of the Capital Outlay Expenditures Committee, urge that consideration be given to those projects about which the Town has already been advised, and we further recommend that the Town consider annual appropriations to the Stabilization Fund in preparation for meeting the needs of the Town.

We wish to thank all who, not only submitted reports, but also reviewed and revised the prior year's reports.

CAPITAL OUTLAY EXPENDITURES COMMITTEE

1965-68 Alvin R. Tavares

Appointment by and from Advisory and Finance Committee for 1 year:

1965-66 Robert B. Baker

Appointment by and from Planning Board for 1 year:

1965-66 Alfred Almeida

REPORT OF THE BOARD OF RETIREMENT

To the Citizens of the Town of Plymouth:

The Board of Retirement presents herewith its twenty-ninth report covering the activities of the Contributory Retirement System for the year 1965.

Chapter 539 of the Acts of 1965 amends Chapter 32 of the General Laws by the insertion of Section 77C, an act affecting only those laborers, who did not join the retirement system in 1937 and who were later promoted to foremen in their departments. If accepted by the town at the annual town meeting, this act will allow these men to receive a pension under Section 77. Section 77 has also been amended by Chapter 408 of the Acts of 1965, allowing laborers, covered under this section, to retire after thirty-five years of service regardless of age.

With the loss of three non-contributory pensioners during 1965 and the addition of one new retiree, there were twelve non-contributory pensioners and one beneficiary receiving retirement allowances from the town, as of December 31, 1965.

One Hundred and Eleventh Annual Report of the Water Commissioners and Superintendent

The Board of Water Commissioners submits the 111th annual report covering the calendar year of 1965.

Due to extremely poor health, Daniel F. Mulcahy declined to run for re-election as Water Commissioner in the 1965 annual Town election. Dan has served continuously on the Water Commission since 1942. Before his retirement on January 15, 1960 as Supervisor of the State Division on Elections, Dan's close contact with State Capitol personnel proved to be very valuable to the Water Commission, particularly regarding new legislation pertaining to public water supply, public health, Town financing and on numerous other matters effecting Town Government. Dan has held numerous Town offices and has filled these positions with distinction. His many friends wish him the best and look forward to his recovery.

To fill the vacancy on the Board, the Town voted Alvin Tavares for the job over several competing applicants. Mr. Tavares has had considerable experience in Town government and affairs and recently served as Chairman of the Advisory and Finance Committee. His experience as a heavy equipment engineer in industrial construction and contracting business will be invaluable to the Commission.

During the year the Commissioners voted to revise the method of charging new water takers for the initial connection to any main supplying Town water. In general all new takers now pay an identical fixed fee, whereas in the past, new takers were assessed on the footage of their property abutting a Town water main, but only if the main was laid after 1948. With the extension of the Town water mains into outlying areas, the former method of assessing a new taker would in many cases, make the fee prohibitive.

The total rainfall during the year amounted to 27.11 inches, which is roughly 18 inches less than the annual average, and the lowest on our records dating back to 1906. At the end of the year the elevation of Little South

Pond was 101.32 feet which is lower than any recorded since 1944. The Lout Pond Gravel Packed Well, from which we pumped 206,902,900 gallons, greatly alleviated the drain in Little South Pond and thus prevented a real emergency. During the Summer it was necessary to restrict the use of water due to the severe drought which is prevalent throughout all parts of eastern Massachusetts and we wish to thank all water takers for their concern and co-operation in saving a considerable amount of water. The pumpage for the year amounted to 695,894,700 gallons an all time high, which exceeds the 1964 record by 46,600,500 gallons.

Revenue for the year from sale of water, connections to mains, services rendered, etc. amounted to \$187,357.99 and is \$20,923.63 more than was collected in 1964.

Appropriation Requested for 1966

Maintenance and Labor	\$99,878.00
Salaries	36,521.00
Regular Construction	4,100.00
Tapping Machine	600.00

Special Articles 1966

1. Lay water mains in State Road, Manomet	\$38,400.00
2. Lay water mains in Carver Road, Route 44	22,000.00
3. Lay water mains in Old Sandwich Road	19,000.00
4. Relay water mains in Prince and Cordage Streets By Petition:	18,000.00
1. Lay water mains in Burgess Road (Little Pond)	\$11,200.00
2. Lay water mains in Esta Road (Off Route 44)	7,520.00
3. Lay water mains in Melix Avenue and Plymouth Street	5,780.00

SUMMARY OF STATISTICS

(Published by request of the New England Water Works Association, Plymouth, Massachusetts, Water Works)

Population, 15,424. (Summer Population, 20,250 according to Selectmen's estimate).

Date of Construction, 1855.

By whom owned, Town.

Source of supply, Great and Little South Ponds, Manomet Well and Lout Pond Well.

Mode of supply, Pumping.

PUMPING

Builders of Pumping Machinery, Fairbanks-Morse, Deming, Warren and Morris Electric.

Pumpage for the Year:

Lout Pond Pumping (electric)	337,742,000 gals.
Lout Pond Deep Well (electric)	206,902,900 gals.
Manomet Deep Well (electric)	151,249,800 gals.

Total Pumping	695,894,700 gals.
---------------	-------------------

(Note: New High and Super High Service (electric) 55,518,900 gallons

RE-PUMPED)

Average static head: 94.0 feet

(Lout Pond)

Average dynamic head: 103.0 feet

(Lout Pond)

Number K.W.H. consumed:

Lout Pond Station	359,840
Manomet Station	154,320

Total K.W.H. Pumping	514,160
Number K.W.H. (RE-PUMPING)	31,800

Total K.W.H. Consumption	545,960
--------------------------	---------

STATISTICS OF CONSUMPTION OF WATER

Population, 15,424. (Summer population, 20,250 according to Selectmen's Estimate.)

Estimated Population on pipe line, 13,000.

Estimated Population Supplied, 13,000.

Total consumption for the year, 695,894,700 gallons.

Average daily consumption, 1,906,561 gallons.

Gallons per day to each inhabitant, 147.

Gallons per day to each tap, 363.5.

STATISTICS RELATING TO DISTRIBUTION SYSTEM

Kind of Pipe, Cement-lined sheet iron, cement-lined cast iron, and asbestos-cement.

Sizes, from 2-inch to 30-inch.

Extended, 8,350 feet.

Discontinued, none.

Total now in use, 100 miles, 1,062 feet.

Cost to repair per mile, \$32.81.

Number of leaks per mile, 0.26.

Small distribution pipe less than 4-inch, 4 miles, 530 feet.

Hydrants now in use, 634 public and 79 private.

Stop gates added, 26. Discontinued, 0. Number now in use, 1,406.

SERVICES

Kind of pipe, Lead, Cement-lined galvanized, and Copper tubing.

Sizes, From three-quarter inch to six-inch.

Total now in use, 16 miles, 415 feet.

Service taps added, 104. Discontinued, 11.

Total now in use, 5,245.

Average length of service, 21 feet.

Average cost per service, \$78.80.

Meters added, 105.

Number now in use 4,316.

Percentage of services metered, 82.2%.

**ANNUAL REPORT OF THE SCHOOL COMMITTEE
AND THE SUPERINTENDENT OF SCHOOLS**

To the residents of the Town of Plymouth:

I herewith submit my sixth annual report in cooperation with the members of our School Committee. Statements from the Elementary Supervisor and summary reports from other departments are included for your consideration.

We are pleased to note the continued success of our programs of adult education. The M.D.T.A. programs for Cooks and for Licensed Practical Nurses are supported financially in their entirety by the Federal Government and are administered at the direction of the local School Committee.

An exceptionally fine piece of work was accomplished by Mr. Dickie and his committee in the development of our new booklet of information for parents and children new to our schools.

I feel obliged to note for your consideration some apparent needs for additional educational facilities and space requirements. The Willis Report indicates the probable State requirements for public kindergartens. Already functioning is an Area Vocational School-Study Committee. This year our School Committee has voted to request that a Study Committee for Future Educational Needs be appointed following the acceptance of its creation at the annual Town Meeting.

Our "Plymouth and Carver School News" began publication last fall under the direction of Mr. Earl Haggerty and a committee of school administrators. This is an important new step in our continuing effort to keep our citizens informed of school activities as they occur.

Personnel

Mr. Spencer H. Brewster was presented a plaque from his fellow committee members in token of their respect for his many years of service to the school children of Plymouth. Mr. Brewster was first elected to the School Committee in 1952. Business commitments made it necessary to discontinue his school work at this time.

We are pleased to welcome Mr. Napoleon B. Triplett to membership on the School Committee. His desire to serve is both recognized and appreciated; we wish him every success and enjoyment in his task.

Miss Esther M. Chandler, a teacher of mathematics at the Nathaniel Morton School who has done so much over the years to help so very many young people, was honored at the 130th Annual Convention of the Plymouth County Teachers' Association held in Plymouth in October. We congratulate Miss Chandler on this high achievement and express our pleasure that her outstanding efforts have been so widely recognized.

Mrs. Flora H. Kite, first-grade teacher at the Manomet School, retired following seventeen years of most worthy service to Plymouth's children.

Mrs. Rose B. Watkins, first-grade teacher at Cold Spring School, retired following eighteen years of highly commendable service to our schools.

The great loss was felt by the entire school community upon the passing of Esther M. Ward, who began her teaching career in Grafton, Massachusetts, in 1923. Miss Ward first worked in Plymouth in September, 1936. We are indeed thankful for the thirty years of outstanding service to our young people.

Curricula

The Modern Mathematics Program has been expanded this year to include Grades 4-8. This completes the implementation of this program throughout the ele-

mentary grades. Miss Barbara Curtin, a consultant for the Silver Burdett Publishers, conducted an inservice training program for all elementary teachers and for those teachers who work in math in Grades 7 and 8. This took place over a five-day period in May and has proved most helpful in the expansion and development of the program.

The Social Studies Committee has continued the work begun in 1964. All teachers of Grades 1-12 shared the inspiring experience of a lecture-visit from Dr. John Gibson of the Lincoln-Filene Center for the Improvement of Social Studies. It is believed that by May of 1966 this committee will file recommendations for the improvement of this part of our curriculum.

A study committee has been developed to begin work on our Science curriculum. This will involve teachers from all grades 1-12, and will result in recommendations for the improvement of instruction in this important area.

The committee studying time allotments and length of school day for Grades 1-6 will continue its work. Certain recommendations have been made, but it is felt that further study is required.

The Science Research Associates achievement tests were administered to all students in grades 1-8. The California Test of Mental Maturity was given to students in Grades 1, 3, 5, and 7. These group tests are supplemented by a program of individual testing administered by our School Psychologist or by our Guidance Counselors.

Our continued participation in the television coverage of certain areas has served to enrich these subjects greatly. Important advantage has been taken from these programs wherever they have fit into our curriculum plan.

We are pleased to have had the continued services of our remedial reading instructor, our visiting psychologist from the Judge Stone Clinic, our instructor in the Audubon Courses in Grade 5, and our Speech Therapist. These services to our schools have proved most valuable to the many children who have been served.

In addition to our regular Summer School programs for remedial and enrichment work in Grades 1-8, we this year took advantage of the federal assistance made available for the Head Start Program for pre-school children. Mr. George Hesse directed the activities of both of these programs.

A class for the emotionally handicapped child was successfully established at the Hedge School. This will serve the needs of several youngsters; others with individual problems will continue to be served by a program of special tutoring.

An additional Art teacher was employed for one day a week to assist with the program at the Manomet School.

Many of our faculty members have participated in educational conferences throughout the area. These efforts assist our schools in maintaining current knowledges of the best thinking in curriculum development.

Administrators and teachers have again assisted in various community projects. These include the school census, the Junior Red Cross Drive, school insurance, and a clothing drive.

Administrative Changes

At the turn of the calendar year, several changes were made in the administrative offices of our schools. It must be noted that a mark of respect for the efforts displayed in their previous positions was shown when these changes were all made from within the staff.

Mr. William Gault, Jr., was appointed to serve as Assistant Superintendent of Schools.

Mr. George Theodoras was made Principal of the Nathaniel Morton Intermediate School.

The Vice Principalship of that school was filled by Mr. George Hesse.

Mr. Robert Dickie was appointed as Principal of the Cold Spring School.

The newly appointed Teaching Principal at the Mount Pleasant School is Mr. Roger Sawyer.

Recommendations

The elementary principals respectfully recommend the following:

1. That serious consideration be given to lengthening the time of the school day in Grades 1-6 by establishing a single session school day.
2. That immediate study be given to the establishment of public kindergartens as recommended in the Willis Report.
3. That consideration be given to provision for released time for teachers on a basis of one afternoon each week (This time would be used for inservice training programs, for parent-teacher conference schedules, and for curriculum study and revision.)
4. That the need for another Special Class for the educationally handicapped be investigated.
5. That the need for full-time secretaries in all elementary schools be recognized.
6. That class enrollments for the elementary classroom should not exceed twenty-five pupils.

School Plant Improvements

New Gutters and Downspouts at Mount Pleasant School

Blacktop renewed at Mount Pleasant School

Three-compartment sink installed at Mount Pleasant School

Acoustical Ceiling Tile installed at Mount Pleasant School

Gutters repaired at Intermediate School

2 Draft Fans installed at Cold Spring School

2 Refractory Boilers at Cold Spring School

1 Refractory Boiler at Manomet School

Three-compartment sink installed at Hedge School

DISTRIBUTION OF PUPILS BY AGE AND GRADE — OCTOBER 1, 1965

[illegible]

**ANNUAL REPORT OF
ORAL HYGIENE-DENTAL CLINICS**

I herewith submit my report for the year 1965.

In June Dr. William O. Dyer, Senior School Dentist, resigned his position after more than forty years of conscientious service. We wish continued happiness and health to our associate, and we feel that the Town owes him a debt of gratitude for his noble work.

Dr. I. Harry Keller succeeds him, and Dr. Francis C. Ortolani continues as School Dentist.

In the fall, 2,946 pupils were examined in grades one through twelve. 1,196 were found to have had all needed corrections made at this time, (41 per cent). Parents were notified as to the results. Pupils presenting dental certificates from the family dentist are exempt from the customary examination by the School Dentist. 195 pupils at Plymouth-Carver High School were in urgent need of dental attention. A follow-up will be made of several cases.

183 pre-school children were examined — 131 had a family dentist — 92 had OK mouths.

Percentage of Dental Corrections

Follow-up

Pupils examined grades 1-6, fall 1964 1,310
Pupils with all necessary corrections made 970 (74%)
Results of these examinations as of June, 1965:

Pupils With Dental Certificates

Cold Spring School	72%
Hedge School	64%
Manomet School	59%
Mt. Pleasant School	76%
Nathaniel Morton School	63%
Oak Street School	98%
(Mrs. Walker's second grade pupils were 100%)	

Oral Hygiene — Dental Hygienist

Grades 1-6

390 classroom talks were given.

1096 pupils had a dental prophylaxis (cleaning of teeth).

National Children's Dental Health Week was observed in the schools, February 7-13.

Local Radio Station WPLM made spot announcements during the week of this program.

Due to the fact that the American Dental Association has sponsored "Crest" tooth paste, we have allowed "Crest" to supply the fourth-grade pupils with paste and brushes, as a part of the educational program. A very successful pre-school program was established for the first time in the Plymouth-Carver Schools this summer for eight weeks, called Project Head Start. It was designed especially for pre-school children who were unable to have kindergarten experience. I had the privilege of working on this program and helping these little people learn good oral hygiene habits. Dr. Ortolani, our school dentist, volunteered his services.

Dental Clinic

Clinic Sessions (reparative work and examinations)	72
Treatments	279
Completed cases	44
Amounts received for clinical services rendered	\$117.60
Amounts received for sale of tooth brushes	42.02
Total	<hr/> \$159.62

The following is a quote from Massachusetts Department of Public Health:

“The Department has filed a resolve with the 1966 Legislature calling an investigation and study by a special commission of the condition of dental health, especially among children, and of appropriate measures toward eliminating dental decay, including the fluoridation of all community water supplies.”

For many years the School Dentists have recommended the fluoridation of our public water supply, still the most effective method yet derived of combating dental decay.

School Dentists

WILLIAM O. DYER, D.M.D.

FRANCIS C. ORTOLANI,
D.M.D., F.A.C.D.

I. HARRY KELLER, D.M.D.

Respectfully submitted,

JANE BRADFORD,
Dental Hygienist

REPORT OF THE MUSIC SUPERVISOR

1965 has been a year of steady progress toward the goals set for the music program in the elementary grades. Throughout these grades, this program falls into five areas of development:

1. Song singing — the ability to use the voice expressively and artistically.
2. The development of skills, both rhythmic and tonal, including the ability to read music.

3. The use of instruments as a means of musical expression and the development of musical understanding.
4. Directed listening, to deepen the children's understanding of music, and to acquaint them with some of the works of the world's great masters.
5. Creative musical activities, to encourage and develop the child's natural creativeness.

One of the outstanding musical events in these grades was the concert in May by the Helicon String Quartet, under the auspices of the Boston Committee of Young Audiences, Inc. All the fourth and fifth-grade children attended. A varied program of standard string quartet music by composers from Haydn to Copeland was presented in such an interesting way that the children were delighted with it. It was a rich musical experience for them. I believe that this program was responsible for the noticeable increase in the number of players in our violin classes this fall.

Other helpful supplements to our music program have been some excellent film strips with accompanying records — to help in rhythmic and tonal development — and a series of film strips on the lives of some of the great composers.

It is the splendid cooperation of all who are concerned with the education of our children that has made it possible for me to feel that 1965 has been a year of sustained growth in the musical development of the boys and girls in our elementary schools.

Respectfully submitted,

GRACE M. MESERVE,
Music Supervisor

ELEMENTARY PHYSICAL EDUCATION REPORT

The curriculum for elementary physical education stresses the development and improvement of basic skills. Every effort is made to create a program that is both varied and stimulating.

The program this year will include games of low organization, team games, and ball and relay games. With the addition of newly acquired records, the rhythms program will be more diversified. Physical fitness and skills tests, stunts and tumbling, and track and field will still be an integral part of the physical education program.

Some phases of the program, such as tumbling, require more skills than others. In order to develop and improve these skills, it is important that the child have the willingness to try. Many children who at first found some aspects of physical education difficult discovered that with a little effort they could perform various activities and have fun doing them.

Respectfully submitted,

HAROLD PINSTEIN,

Physical Education Instructor

PLYMOUTH-CARVER REGIONAL SCHOOL DISTRICT SCHOOL COMMITTEE REPORT

This year we share the pride in our High School that has been evident in the many expressions of satisfaction that we have received from parents and from students. We have been particularly pleased by the many reports of success that have been achieved by last year's graduates in their college programs. Indeed, their achievements offer evidence of the worth of our school program.

We make no pretense that our school is without problems. These will always be with us, and it might be said that their solutions represent the greatest challenges to all who are interested in the educational and social welfare of our young people.

Several staff members were added this September. We have again been fortunate to have a blending of experienced teachers and enthusiastic young people beginning their professional careers. It is our continued ability to attract teachers of high quality upon which the eventual measurement of our educational product must finally depend. We congratulate our teachers on the quality of their preparation and the great degree of dedication that they display in their daily performances.

We note with regret the departure from our school of Vice Principal C. Richard Vaughan, who accepted the principalship of a Government-sponsored private school facility in Holland. His work with us was of the highest quality and assisted greatly in the early development of our school program.

Mr. Wilbert P. Cingolani was appointed to fill this important vacancy. We are certain that the experience and enthusiasm which he has brought to his tasks will serve to insure both his success and our assurance of continued advantage for our students.

We would indeed be remiss if we failed to note the departure from our Committee of Mrs. Adeline Keller, a member of the first duly constituted Regional School Committee, whose tireless efforts in behalf of our youth were recognized by those who served with her.

Dr. George S. Wild was this year welcomed to membership on the Committee as an elected member from the Town of Plymouth, and Mr. Harry Doyle was warmly greeted as our newly appointed member from the Plymouth School Committee.

Continued efforts have been made to lend improvement to the school grounds and playing fields. The magnitude of the problems here have been recognized, and we shall move carefully toward their correction.

The administrative officers have been directed to prepare a careful study of the developing needs for additional classroom and special area space. This action has been instituted in an effort to maintain our ability to provide a strong curriculum and to make proper allowance for reasonable flexibility in scheduling the school program.

Your participation in school affairs is again encouraged. These are your programs and will flourish only with your support. If there are problems that arise or questions that develop, please contact the school counselors or administrators. Their function is to serve our communities. We are certain that you will find them most willing to assist you in any reasonable manner.

We of the School Committee consider ourselves fortunate to have had the continued support of the citizens of our communities. We offer to you our firm resolve to extend every effort to make more valuable each year the quality of educational experience which our students are to receive. We shall be mindful of our respon-

sibilities to the individual needs of each child; we ask only for your continued support and understanding.

Respectfully submitted,

DR. SAMUEL K. STEWART, Chairman

ANNUAL REPORT OF THE PRINCIPAL OF THE PLYMOUTH-CARVER HIGH SCHOOL

The year 1965 proved to be a year of continuing growth and development at Plymouth-Carver High School. The experience of the preceding year, some of the preliminary findings of the School Self-Evaluation Program, and the cumulative evidence of the many evaluations which the students undergo brought about changes in the school organization, staff, curriculum, and activities program. We believe these changes are in harmony with the national effort to make school "a place where every child can find knowledge to enrich his mind and to enlarge his talents."

The "dropout" and the causes of his dropping-out, continue to be a gnawing concern. Here is why. Fifty-five students dropped out of school: 16 left because of poor self-motivation; 6 preferred to work; 2 left for financial reasons; 7 left because of ill health; 6 married; 2 parents requested withdrawal; 4 entered the service; and 12 withdrew because of disciplinary action. Through parent-student conferences, letters to parents, and personal contact, 13 of these students were encouraged to return to school during the year; and 9 more re-entered in September. Thus the net drop-out figure remained at 3 per cent. In an effort to reduce the drop-out rate, a Work Study Program, a Health Program, a Remedial Reading Program, and more conferences involving parents, students, teachers, and community specialists have been initiated.

Among the professional staff there was approximately a 20 per cent turnover: Everyone who knew Mr. Wiseman laments his tragic death. Four other teachers improved their positions; 2 continued their education; 1 resigned; 1 moved out of state; 1 left teaching; and 3 did not return. Mr. Wilbert P. Cingolani replaced Mr. C. Richard Vaughan as Vice-Principal, and Mr. Rol-

and W. Holmes returned from his Teaching Fellowship at the University of Illinois.

The staff also grew in number as a direct result of curriculum development and improved teaching conditions: A second Special Education teacher, a Remedial Reading teacher, a Health teacher, a part-time Orchestra teacher, and a Technical Teacher-Aid augmented the competency of the staff.

Honors courses were introduced in English and history at the eleventh grade level, as well as an Advanced Placement course in mathematics for the students who, as juniors, took part in the Independent Study Program in mathematics. Chem Study and a full year Earth Science course were also introduced into the science program, as was Data Processing into the business curriculum. Second and third-level courses in German and Spanish were additions to the Modern Foreign Language Program. The students engaged in the accelerated programs in mathematics and science continued to perform better than their counterparts studying the same courses a grade level higher. These are explicit manifestations of the developing educational programs created to meet the specific needs of the students attending Plymouth-Carver High School.

Based upon the experiences that were obtained by having an early dismissal for seniors the preceding year, which released classroom spaces and teachers for more specialized educational endeavor, the organization of the school day was modified to six academic periods, after which time students who are not participating in extra-curricular activities or seeking special help to improve academic standing may leave. The effects of this change are discernable: an average of one hundred additional students each day stay for a seventh period. This number does not include those who ordinarily remain for athletic or other planned school activities. The only

problem created by this change has been a negative one affecting the music program. This difficulty has arisen because of competing activities and teacher demands. Generally, students are being forced into maintaining their academic progress in order to participate in activities as well as being forced into making choices among a variety of activities. It is hoped that more students will have an opportunity to obtain additional help in subjects proving difficult and that students will select extra-curricular activities more wisely.

Along with these developments the staff formally began its self-evaluation study for Plymouth-Carver High School accreditation. Between January and June 1965, school was dismissed early one day each month, and since October, two days each month (in order to prepare for the evaluation which is scheduled to occur in April). It has been a long, arduous study of every part of the school and the communities it serves. Throughout the study, the cooperation of the School Committee, the Superintendent of Schools, and the citizens who have served on the various evaluating committees has been most gratifying.

At the risk of omitting anyone, we will forego individual mention and instead express our overall thanks to the citizens, service organizations, school personnel, students, and staff who in obvious as well as less noticeable ways have contributed to the growth, development, and well-being of the students, the staff, the school, and the communities.

Respectfully submitted,

JULIAN DEMEO, Jr.

Principal

REPORT OF THE DIRECTOR OF GUIDANCE

For the academic year 1965-1966, the Guidance Department welcomed a new member to the staff at Plymouth-Carver High School: Mr. Horace Turner, of Wareham, who has a background of experience in teaching, Y.M.C.A. work, and advertising, replaces Mr. Daniel Alvino, who left to accept a position in guidance on Long Island, New York.

In addition to individual and group conferences with students, the counselors confer daily with other members of the teaching staff and administrators of the high school and other schools in the district. We maintain a close liaison with such agencies as the Massachusetts Rehabilitation Commission, the Welfare Departments, the Judge Stone Child Guidance Clinic, the Division of Child Guardianship, the Division of Employment Security, the M.S.P.C.C., and many others whose assistance we find invaluable.

Once again we are indebted to the Kiwanis Club of Plymouth for the funds which enable the members of the guidance staff to plan education-vocational tours for the benefit of our seniors not headed for college. In 1965 tours arranged took groups of these students to Massachusetts Trades Shop School, Coyne Electric, Franklin Institute, Children's Hospital, Deaconess Hospital, Fisher Junior College, Burdett College, General Dynamics Corp., South Shore Vocational Technical High School, and to M.I.T. for a science tour.

In addition to the regular, standardized battery of tests in our overall testing program, we have made provisions here for administering a mechanical aptitude test to candidates for an electrical and technical school, and an accounting aptitude test for a business college. For the second consecutive year our school participated in an Evaluation and Adjustment Series Research Pro-

gram, wherein some of our students were given a mental ability test and a test in psychology for the purpose of aiding in the standardization of the latter mentioned test.

For the first time in Plymouth, the College Entrance Examination Board tests are being administered at Plymouth-Carver High School on December 4, 1965, March 5, 1966, and on May 7, 1966. Another "first" here was the administration of Foreign Language Listening Comprehension test (French) using tapes.

Hardly a day goes by without a visit from a college or school representative; good attendance at these sessions is proof that the students find them interesting, informative, and worthwhile. Admissions personnel representing four-year liberal arts colleges, engineering colleges, junior colleges, technical institutes, business schools, and service academies have come from cities as close as Brockton and Quincy, and from places as far away as Florida, Pennsylvania, and Illinois.

We are now making our own tape recordings of what these college and school representatives have to say concerning admission policies, course offerings, fees, etc.

Below are the statistics for the Class of 1965:

FINAL PLANS, JUNE, 1965

Number in class — total	248
Number in Special Class	2

ANNUAL REPORT OF THE HARBOR MASTER

To the Honorable Board of Selectmen:

Every year our harbor is being used by more sports craft and sports fishermen. Party boat fishing did attract thousands of people to docks in the town during the 1965 season. The proposed breakwater has brought many queries for mooring spaces and facilities. This very important improvement to our harbor will increase the commercial fleet and sports craft population many times.

The new Harbor Master's boat has proven a success both economically and by seaworthiness. This boat has made it possible for me to operate when it was virtually impossible previously. During 1965, I initiated several night patrols at undetermined times throughout the harbor to try and stop some of the vandalism that was occurring. Many boats were stopped but only for minor boating violations, however I firmly believe it was a great deterrent to added vandalism. It will also be done in 1966.

As usual we have had our share of visiting yachts ranging from 20 feet to 110 feet in length and laying over for a period of one night to one week.

Respectfully submitted,

ANGELO BRIGIDA
Harbor Master
